Reason And Rhetoric In The Philosophy Of Hobbes

A.P. Martinich, Kinch Hoekstra

Reason And Rhetoric In The Philosophy Of Hobbes:

Reason and Rhetoric in the Philosophy of Hobbes Quentin Skinner, 1996-02-22 An outstanding new interpretation of Hobbes one of the most difficult and challenging of political philosophers *From Humanism to Hobbes* Quentin Skinner, 2018-01-25 The aim of this collection is to illustrate the pervasive influence of humanist rhetoric on early modern literature and philosophy The first half of the book focuses on the classical rules of judicial rhetoric One chapter considers the place of these rules in Shakespeare's *The Merchant of Venice* while two others concentrate on the technique of rhetorical redescription pointing to its use in Machiavelli's *The Prince* as well as in several of Shakespeare's plays notably *Coriolanus* The second half of the book examines the humanist background to the philosophy of Thomas Hobbes A major new essay discusses his typically humanist preoccupation with the visual presentation of his political ideas while other chapters explore the rhetorical sources of his theory of persons and personation thereby offering new insights into his views about citizenship political representation rights and obligations and the concept of the state

Philosophy, Rhetoric, and Thomas Hobbes Timothy Raylor, 2018-11-01 Thomas Hobbes claimed to have founded the discipline of civil philosophy political science The claim did not go uncontested and in recent years the relationship of philosophical reasoning to rhetorical persuasion in Hobbes's work has become a significant area of discussion as scholars attempt to align his disparaging remarks about rhetoric with his dazzling practice of it in works like *Leviathan* The dominant view is that having rejected an early commitment to humanism and with it rhetoric when he adopted the scientific approach to philosophy in the late 1630s Hobbes later came to re-embrace it as an essential aid to or part of philosophy *Philosophy Rhetoric and Thomas Hobbes* proposes that Hobbes was from first to last dubious about the place of rhetoric in civil society and came to see it as a pernicious presence within philosophy a position from which he did not retreat It offers a fresh and expanded picture of Hobbes's humanism by examining his years as a country house tutor his teaching and his translation of Thucydides the influence on him of Bacon and the range of his early natural historical and philosophical interests In demonstrating the distinctively Aristotelian character of his understanding of rhetoric the book also revisits the new approach to philosophy Hobbes adopted at the end of the 1630s clarifying the nature and scope of his concern about the contamination of philosophy and political life by the procedures of rhetorical argumentation

Politics through the Iliad and the Odyssey Andrea Catanzaro, 2019-03-14 Facing censorship and being confined to the fringes of the political debate of his time Thomas Hobbes turned his attention to translating Homer's *Iliad* and the *Odyssey* from Greek into English Many have not considered enough the usefulness of these translations In this book Andrea Catanzaro analyses the political value of Hobbes's translations of Homer's works and exposes the existence of a link between the translations and the previous works of the Malmesbury philosopher In doing so he asks What new information concerning Hobbes's political and philosophical thought can be rendered from mere translation What new offerings can a man in his eighties at the time offer having widely explained his

political ideas in numerous famous essays and treatises What new elements can be deduced in a text that was well known in England and where there were better versions than the ones produced by Hobbes Andrea Catanzaro's commentary and theoretical interpretation offers an incentive to study Hobbes' lesser known works in the wider development of Western political philosophy and the history of political thought

Sovereignty as a Vocation in Hobbes's Leviathan Matthew Hoyer, 2025-11-07 This book argues that the fundamental foundation of Hobbes's political philosophy in *Leviathan* is wise generous loving sincere just and valiant in sum magnanimous statecraft whereby sovereigns aim to realize natural justice manifest as eminent and other regarding virtue It proposes that concerns over the virtues of the natural person bearing the office of the sovereign suffuse Hobbes's political philosophy defining both his theory of new foundations and his critiques of law and obligation These aspects of Hobbes's thought are new to *Leviathan* as they respond to limitations in his early works in political theory *Elements* and *De Cive* limitations made apparent by the civil wars and the regicide of Charles I Though new this book argues that they tap into ancient political and philosophical ideas foremostly the variously celebrated mystified and maligned figure of the orator founder

Hobbes's Theory of Will Jurgen Overhoff, 2000-02-22 In Hobbes's Theory of the Will Jurgen Overhoff reveals the religious ethical and political consequences of Thomas Hobbes's doctrine of volition The author gracefully describes how Hobbes's thought was governed by assumptions based firmly in Galilean natural philosophy and orthodox Protestant theology Overhoff also demonstrates how his subject used materialist eschatology and an absolutist political theory to resolve the social and ethical predicaments that coincided with these assumptions Finally Overhoff provides a chronological study of the numerous philosophical theological religious and political aspects of Hobbes's idea of the will and situates Hobbes's doctrine within the context of the most important responses and objections put forward by his critics

The Oxford Handbook of Hobbes A.P. Martinich, Kinch Hoekstra, 2016-03-07 The Oxford Handbook of Hobbes collects twenty six newly commissioned original chapters on the philosophy of the English thinker Thomas Hobbes 1588-1679 The chapters included in this Oxford Handbook cover the full range of Hobbes's thought his philosophy of logic and language his view of physics and scientific method his ethics political philosophy and philosophy of law and his views of religion history and literature

British International Thinkers from Hobbes to Namier I. Hall, 2009-12-07 This book will be the first to examine the variety of British international thought its continuities and innovations The editors combine new essays on familiar thinkers such as Thomas Hobbes and John Locke with important but neglected writers and publicists such as Travers Twiss James Bryce and Lowes Dickinson

The Bloomsbury Companion to Hobbes S.A. Lloyd, 2013-01-03 Thomas Hobbes 1588-1679 is widely held to be one of the most important thinkers in the history of philosophy His contributions to ethics political philosophy and psychology in particular were hugely innovative and he was regarded by his contemporaries as a major intellectual figure This comprehensive and accessible guide to Hobbes's life and work features 120 specially commissioned entries written by a team of leading experts in the field of seventeenth century philosophy and political

thought covering every aspect of Hobbes's ideas The Companion presents a comprehensive overview of the major themes and topics in Hobbes's work in particular within the fields of language political philosophy moral philosophy and psychology religion law and science It concludes with a thoroughly comprehensive bibliography of primary and secondary sources This is an essential reference tool for anyone working in the fields of seventeenth century philosophy and political theory

Enlightenment, Passion, Modernity Mark S. Micale, Robert L. Dietle, Peter Gay, 2000 Enriched by the methods and insights of social history the history of mentalities linguistics anthropology literary theory and art history intellectual and cultural history are experiencing a renewed vitality The far ranging essays in this volume by an internationally distinguished group of scholars represent a generous sampling of these new studies
