Reason And Sexuality In Western Thought:

Reason and Sexuality in Western Thought David West, 2005-05-06 This book traces the genealogy of ideas of reason self and sexuality in the West opening the way to a richer and more diverse understanding of sexual experience Western philosophy and religion have distorted and continue to distort our experience of sex and love through three far reaching constellations of reason self and sexuality Thinkers like Plato Aquinas and Kant helped to fashion an ascetic ideal of reason hostile to bodily pleasures and sexual diversity By contrast philosophical hedonism advocates a less demanding conception of rationality and defends sexual pleasure But this approach of thinkers like Hume Bentham La Mettrie and de Sade is still one sided and limiting A third constellation Romanticism avoids the limitations of both forms of rationalism but in the name of a religion of love and passion that ultimately threatens the integrity of the self In Reason and Sexuality in Western Thought a richer understanding of sexual experience is traced to a dissident philosophical tradition In their different ways Montaigne Spinoza Hegel and Kierkegaard Marcuse and Foucault contribute to a more holistic multi layered and open conception of reason sexuality and the self This book will be essential reading for all students of philosophy and gender studies

Feminist Interpretations of Benedict Spinoza Moira Gatens, 2009 A collection of essays on the metaphysical political theological ethical and psychological writings of Spinoza Examines the ways in which his philosophy presents a resource for the re conceptualization of friendship sexuality politics and ethics in contemporary life Provided by publisher Kierkegaard and the Philosophy of Love Michael Strawser, 2015-10-08 Ironically the philosophy of love has long been neglected by philosophers so called lovers of wisdom who would seemingly need to understand how one best becomes a lover In Kierkegaard and the Philosophy of Love Michael Strawser shows that the philosophy of love lies at the heart of Kierkegaard s writings as he argues that the central issue of Kierkegaard s authorship can and should be understood more broadly as the task of becoming a lover Strawser starts by identifying the questions How should I love the other Is self love possible How can I love God and themes love s immediacy intentionality unity and eternity that are central to the philosophy of love and he develops a rich context that includes analyses of the conceptions of love found in Plato Spinoza and Hegel as well as prominent contemporary thinkers Strawser provides an original and wide ranging analysis of Kierkegaard s writings from the early The Concept of Irony and Edifying Discourses to the late The Moment while maintaining the prominence of Works of Love to demonstrate how Kierkegaard s writings on love are relevant to the emerging study of the philosophy of love today The most unique perspective of this work however is Strawser s argument that Kierkegaard s writings on love are most fruitfully understood within the context of a phenomenology of love In interpreting Kierkegaard as a phenomenologist of love Strawser claims that it is not Husserl and Heidegger that we should look to for a connection in the first instance but rather Max Scheler Dietrich von Hildebrand Emmanuel Levinas and most importantly Jean Luc Marion who for the most part center their thinking on the phenomenological nature of love Based on an analysis of the works of these thinkers together with

Kierkegaard's writings Strawser argues that Kierkegaard presents readers with a first phenomenology of love a point of view that serves as a unifying perspective throughout this work while also pointing to areas for future scholarship Overall this work brings seemingly divergent perspectives into a unity brought about through a focus on love which is after all a unifying force

Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs

Sexual Violence in Western Thought and Writing V. Vitanza, 2011-09-26 This book focuses on rape narratives as grounding for western thinking about community from the polis to nation states specifically in cultures of thinking reading and writing The author rethinks rape or sexual violence through a close examination of how rape is a pedagogy that has become canonized in the form of rape stories

Facing the Other Nigel Zimmermann, 2015-07-24 What is the significance of the body What might phenomenology contribute to a theological account of the body And what is gained by prolonging the overlooked dialogue between St John Paul II and Emmanuel Levinas Nigel Zimmermann answers these questions through the agreements and the tensions between two of the most important thinkers of the twentieth century John Paul II the Polish pope philosopher and theologian and Emmanuel Levinas the French Jewish philosopher of Lithuanian heritage were provocative thinkers who courageously faced and challenged the assumptions of their age Both held the human person in high regard and did their thinking with constant reference to God and to theological language Zimmermann does not shirk from the challenges of each thinker and does not hide their differences However he shows how they bequeath a legacy regarding the body that we would overlook at significant ethical peril We are called Zimmermann argues to face the other In this moment God refuses a banal marginalization and our call to responsibility for the other person is issued in their disarming vulnerability In the body philosophy theology and ethics converge to call us to glory even in the paradox of lowly suffering

The Problem of Evil in the Western Tradition Joseph F. Kelly, 2015-03-06 The question of evil presents a profound challenge to humanity why do we do what we know to be wrong This is especially a challenge to religious believers Why doesn't an all good and omnipotent God step in and put an end to evil The Problem of Evil in the Western Tradition examines how Western thinkers have dealt with the problem of evil starting in ancient Israel and tracing the question through post biblical Judaism Early Christianity especially in Africa the Middle Ages the Renaissance the Reformation the Enlightenment and to the twenty first century when science has raised new and important issues Joseph Kelly covers the book of Job the book of Revelation Augustine of Hippo Aquinas Luther Marlow Milton Voltaire Hume Mary Shelley Darwin Jung Flannery O'Connor Karl Rahner Teilhard de Chardin and modern geneticists Chapters are

Some Perspectives on Evil Israel and Evil The New Adam Out of Africa The Broken Cosmos The Middle Ages Decline and Reform of Humanism The Devil's Last Stand Rationalizing Evil The Attack on Christianity Dissident Voices Human Evil in the Nineteenth Century Science Evil and Original Sin Modern Literary Approaches to Evil Some Scientific Theories of Evil and Modern Religious Approaches to Evil Joseph F Kelly Ph D is professor of religious studies at John Carroll University in Cleveland Ohio He is the author of The World of the Early Christians published by The Liturgical Press

Art and Exoticism Paul van der Grijp, 2009 This book is about the yearning for authenticity via art and exoticism Exoticism related to art cannot be reduced to primitivism alone and also encompasses a search in one's own unconsciousness among other things The yearning for authenticity through exoticism is explored in a cultural anthropological perspective in the realms of Western philosophy *capita selecta* and colonial literature currents of art and in the appreciation of Western art conceptions in non Western societies An array of firsthand ethnographic illustrations of art production in Asian and Pacific societies demonstrates complementary processes in the non Western world A major hypothesis is that exoticism is closely related to and often motivated by eroticism a reason why exoticism should be considered as gendered Case studies of the falsification of authentic art the de sacralization of sacred objects and of the use of natural materials deriving from endangered species complete the analysis

Looking for Love in the Legal Discourse of Marriage Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy

Encyclopedia of Women and Gender, Two-Volume Set Judith Worell, 2001-09-13 Covers the psychology of women the psychology of men and gender differences while discussing psychological differences in personality cognition and behavior as well as biologically based differences and how those differences impact behavior

A History of Western Political Thought J. S. McClelland, Dr J S McClelland, 2005-07-15 A History of Western Political Thought is an energetic and lucid account of the most important political thinkers and the enduring themes of the last two and a half millennia Written with students of the history of political thought in mind the book traces the development of political thought from Ancient Greece to the late twentieth century focuses on individual thinkers and texts includes 40 biographies of key political thinkers offers original views of theorists and

highlights those which may have been unjustly neglected develops the wider themes of political thought and the relations between thinkers over time **Western Models of Sexuality in Russian Modernism** Evgenii V. Bershtein, 1998

Utopia David Lee Rubin, 1999 Five essays explore 18th century Francophone utopias in Patot's Masse's Haircut the schemes of two French exiles in the Netherlands Rousseau's thought and the sexual universe of Cercle Social writer Restif de la Bretonne One contribution is in untranslated French L'Icosameron de Casanova Nat *Creolizing Marcuse* Jina Fast, Nicole K. Mayberry, Sid Simpson, 2024-11-25 *Creolizing Marcuse* bridges the gap between traditional interpretations of Herbert Marcuse and Caribbean Africana theory It challenges the rigid boundaries often found in Marcusean scholarship especially those shaped by ideas of purity and scarcity both historically and in current debates Rather than simplifying Marcuse's theory this book embraces its complexity to offer new insights into contemporary discussions on freedom reciprocity liberation oppression repression and object relations theory *Creolizing Marcuse* moves beyond producing static theoretical frameworks instead urging decolonial anti racist feminist and queer scholars to actively incorporate Marcuse's ideas into evolving practical approaches to difference and social justice The book calls for theorists activists and scholar activists alike to engage in ongoing dynamic practices that resist standing still Contributors Jake Bartholomew Jina Fast Stefan Gandler Craig Leonard Nicole K Mayberry Ricardo J Millhouse Yiamar Rivera Matos Sid Simpson Dave Suell Margath Walker and Stacey Ann Wilson *Love and Sexuality in Social Theory* Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 *Love and Sexuality in Social Theory* considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions **A History of Western Thought** Nils Gilje, Gunnar Skirbekk, 2017-12-04 This is a comprehensive introduction to the history of Western Philosophy from the Pre Socratics to Twentieth Century thought In addition to all the key figures the book covers figures whose contributions have so far been overlooked such as Vico Montesquieu Durkheim and Weber Along with in depth discussion of the philosophical movements Skirbekk and Gilje also discuss the natural sciences the establishment of the Humanities Socialism

and Fascism Psychoanalysis and the rise of the social sciences History of Western Thought is an ideal introduction to philosophy and the sociological and scientific structures that have shaped modern day philosophy Transformative Change in Western Thought Ingo Gildenhard, 2017-07-05 This groundbreaking volume maps the shifting place and function of marvelous transformations from antiquity to the present day Shape shifting taking animal bodies miracles transubstantiation alchemy and mutation recur and echo throughout ancient and modern writing and thinking and continue in science fiction today as tales of gene splicing and hybridisation The idea of metamorphosis lies in uneasy coexistence with orderly world views and it is often cast out or attributed to enemies Augustine and the church fathers consider shape shifting ungodly Enlightenment thinkers suppress alchemy as unscientific genetically modified wheat and stem cell research are stigmatised as unnatural Yet the very possibility of radical transformation inspires hope just as it frightens A provocative theorising trans historical history this book ranges across classics literature history philosophy theology and anthropology From Homer and Ovid to Proust and H P Lovecraft and through figures from Proteus to Kafka s Fly and to Spiderman four historical surveys are combined with nine case studies to show the malleable yet persistent presence of transformation throughout Western cultural history *Christianity and Western Thought* Alan G. Padgett, Steve Wilkens, 2009-08-28 Colin Brown s Christianity Western Thought Volume 1 From the Ancient World to the Age of Enlightenment was widely embraced as a text in philosophy and theology courses around the world His project was continued with the same spirit energy and design by Steve Wilkens and Alan Padgett in volume 2 which explores the main intellectual streams of the nineteenth century This the third and final volume also by Wilkens and Padgett examines philosophers ideas and movements in the twentieth century and how they have influenced Christian thought Encyclopedia of Women and Gender , **The Rhetoric of Western Thought** James L. Golden, 2003
