Rebecca Harding Davis And American Realism:

Rebecca Harding Davis and American Realism Sharon M. Harris,1991-06 From the late 1860s until her death in 1910 Rebecca Harding Davis was one of the best known writers in America She broke into print as a young woman in the 1860s with *Life in the Iron Mills* which established her as one of the pioneers of American realism She developed a literary theory of the commonplace nearly two decades before William Dean Howells shaped his own version of the concept Yet in spite of her importance to the literary and popular culture of her time she has been for the most part ignored by scholars Rebecca Harding Davis and American Realism helps to change that *Parlor Radical* Jean Pfaelzer,2010-11-23 Rebecca Harding Davis was a prominent author of radical social fiction during the latter half of the nineteenth century In stories that combine realism with sentimentalism Davis confronted a wide range of contemporary American issues giving voice to working women prostitutes wives seeking divorce celibate utopians and female authors Davis broke down distinctions between the private and the public worlds distinctions that trapped women in the ideology of domesticity By engaging current strategies in literary hermeneutics with a strong sense of historical radicalism in the Gilded Age Jean Pfaelzer reads Davis through the public issues that she forcefully inscribed in her fiction In this study Davis s realistic narratives actively construct a coherent social work not in a fictional vacuum but in direct engagement with the explosive movements of social change from the Civil War through the turn of the century Rebecca Harding Davis Edward J. Devlin,1935 **Rebecca Harding Davis in the Context of American Literary Realism/naturalism** Sharon Harris,1988 A Study Guide for Rebecca Harding Davis's "Life in the Iron Mills" Gale, Cengage Learning,2016 A Study Guide for Rebecca Harding Davis s *Life in the Iron Mills* excerpted from Gale s acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs **Life in the Iron-Mills Or, The Korl Woman** Rebecca Harding Davis,2024-04 **The Tangled Roots of Feminism, Environmentalism, and Appalachian Literature** Elizabeth Sanders Delwiche Engelhardt,2003 In this study Elizabeth Engelhardt finds in the work of four women writers from Appalachia the origins of what is recognized today as ecological feminism a wide reaching philosophy that values the connections between humans and non humans and works for social and environmental justice **Gale Researcher Guide for: Rebecca Harding Davis's Social Realism** Robin L. Cadwallader, Gale Researcher Guide for Rebecca Harding Davis s Social Realism is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research *Political Prayer in Nineteenth-Century American Literature* Amy Dunham Strand,2024-09-30 *Political Prayer in Nineteenth Century American Literature* explores how American women writers such as Catharine Maria Sedgwick Harriet Beecher Stowe Rebecca Harding Davis and Emily Dickinson translated petitioning a

political form for redress of grievances with religious resonance or what Strand calls political prayer in their literary works. At a time when petitioning was historically transforming governments, mobilizing masses and democratizing North America, these White women writers wrote literary petitions to advocate for others in social justice causes such as antiremoval, antislavery and labor reform to transform American literature and culture and to articulate an ambivalent political agency. Political Prayer in Nineteenth Century American Literature introduces historic petitioning into literary study as an overlooked but important new lens for reading nineteenth century fiction and poetry. Understanding petitions in these literary works and these literary works as petitions also helps us to understand women's political agency before their enfranchisement to explain why scholars have long debated and inconsistently interpreted the works of well anthologized women writers and to see more clearly the multidimensional coexisting and often competing religious and political aspects of their writings.

Women's Contribution to Nineteenth-century American Theatre Miriam López Rodríguez, María Dolores Narbona Carrión, 2011-11-28. Aquesta col·lecció d'assajos mostra els múltiples aspectes de la contribució que va fer la dona al teatre americà del segle XIX. En aquest estudi s'ensenyen diversos tipus de dones i els rols que ocupen així com reflecteix la manera que Susan Glaspell i Sophie Treadwell van ajudar a donar forma al teatre entre moltes altres que escriurien d'aquí a pocs anys.
