Rebel Without A Cause Widescreen Edition:

Please Miss Grace Lavery,2022-02-08 The queer memoir you've been waiting for Carmen Maria Machado Grace Lavery is a reformed druggie an unreformed omnisexual chaos Muppet and 100 percent all natural synthetic female hormone monster As soon as she solves her penis problem she begins receiving anonymous letters seemingly sent by a cult of sinister clowns and sets out on a magical mystery tour to find the source of these surreal missives Misadventures abound Grace performs in a David Lynch remake of Sunset Boulevard and is reprogrammed as a sixties femmefbot she writes a Juggalo Ghostbusters prequel and a socialist manifesto disguised as a porn parody of a quiz show Or is it vice versa As Grace fumbles toward a new trans identity she tries on dozens of different voices creating a coat of many colors With more dick jokes than a transsexual should be able to pull off Please Miss gives us what we came for then slaps us in the face and orders us to come again

The Film Experience Timothy Corrigan,Patricia White,2012-01-03 A comprehensive introduction to film that recognizes students as movie fans and helps them understand the art form's full scope The authors situate their strong coverage of the medium's formal elements within the larger cultural contexts that inform the ways we watch film from economics and exhibition to marketing and the star system Blackwells

Rebel Without a Cause Glyn Davis,2025-11-13 Nicholas Ray's 1955 film *Rebel Without a Cause* is a globally recognised landmark of post-war American cinema The film follows twenty-four hours in the life of troubled teen Jim Stark James Dean the new boy in town who becomes drawn into a maelstrom of shifting social allegiances emotional turmoil and violence *Rebel* tackled head-on the thorny political issue of juvenile delinquency from the perspective of the adolescents contributed to the genesis of the teen movie and was pivotal in bringing The Method acting style to wider audiences Dean's nuanced and dextrous performance as the film's lead character was paramount in establishing the actor's iconicity In his study of the film Glyn Davis foregrounds the concept of rebellion exploring in detail what it meant to be a rebel in the 1950s the role that cinema has played in articulating rebellion and providing a haven for rebels and why James Dean's archetypal depiction of a teenage rebel has endured Combining sharp close analysis with perceptive contextualisation Davis scrutinises Nicholas Ray's status as a maverick director the challenges that The Method presented to calcified standards of performance in Hollywood and the ways in which *Rebel* contributed to the shaping of new articulations of masculinity and sexuality Ray's film Davis ultimately argues has an ambiguous stance on rebellion depicting both the lure and the terror of rejecting conformity Davis examines the significant contributions to *Rebel Without a Cause* made by an array of cast and crew members from screenwriter Stewart Stern to composer Leonard Rosenman from production designer Malcolm Bert to costume designer Moss Mabry from lead actors such as Dean and Mineo to secondary players such as Marietta Canty and Edward Platt Highlighting the film's shifting critical reception he unpacks its legacy and the reasons that it continues to resonate with contemporary audiences

[The Cambridge Companion to the Literature of Los Angeles](#) Kevin R. McNamara,2010-05-06 Los Angeles has a tantalizing hold on the American imagination Its self

magnifying myths encompass Hollywood glamour Arcadian landscapes and endless summer but also the apocalyptic undertow of riots environmental depredation and natural disaster This Companion traces the evolution of Los Angeles as the most public staging of the American Dream and American nightmares The expert contributors make exciting innovative connections among the authors and texts inspired by the city covering the early Spanish settlers African American writers the British and German expatriates of the 1930s and 1940s Latino and Asian LA literature The genres discussed include crime novels science fiction Hollywood novels literary responses to urban rebellion the poetry scene nature writing and the most influential non fiction accounts of the region Diverse vibrant and challenging as the city itself this Companion is the definitive guide to LA in literature *Popular Mechanics*, 2000 [Transforming the Screen, 1950-1959](#) Peter Lev, 2003 Covering a tumultuous period of the 1950s this work explores the divorce of movie studios from their theater chains the panic of the blacklist era the explosive emergence of science fiction as the dominant genre and the rise of television and Hollywood's response with widescreen spectacles *Cinephilia and History, or The Wind in the Trees* Christian Keathley, 2005-11-24 *Cinephilia and History or The Wind in the Trees* is in part a history of cinephilia in part an attempt to recapture the spirit of cinephilia for the discipline of film studies and in part an experiment in cinephilic writing Cinephiles have regularly fetishized contingent marginal details in the motion picture image the gesture of a hand the wind in the trees Christian Keathley demonstrates that the spectatorial tendency that produces such cinematic encounters a viewing practice marked by a drift in visual attention away from the primary visual elements on display in fact has clear links to the origins of film as defined by Andr Bazin Roland Barthes and others Keathley explores the implications of this ontology and proposes the cinephiliac anecdote as a new type of criticism a method of historical writing that both imitates and extends the experience of these fugitive moments *Lonely Places, Dangerous Ground* Steven Rybin, Will Scheibel, 2014-01-30 The director of such classic Hollywood films as *In a Lonely Place* *Johnny Guitar* and *Rebel Without a Cause* Nicholas Ray nevertheless remained on the margins of the American studio system throughout his career and despite his cult status among auteurist critics and cinephiles he has also remained at the margins of film scholarship *Lonely Places Dangerous Ground* offers twenty new essays by international film historians and critics that explore the director's place in the history of the Hollywood industry and in the larger institution of cinema as well as a 1977 interview with Ray that has never before been published in its entirety in English In addition to readings of Ray's most celebrated films the book provides a range of approaches to his life and work engaging new questions of his cinematic authorship with areas that include history and culture politics and society gender and sexuality style and genre performance technology and popular music The collection also looks at Ray's lesser known and underappreciated films and devotes attention to the highly experimental *We Can't Go Home Again* his recently restored final film made in the 1970s with his students at Binghamton University State University of New York Rediscovering what Ray means to contemporary film studies the essays show how his films continue to possess a vital power for film history and

criticism and for film culture **Triumph Over Containment** Robert P. Kolker, 2021-10-15 Triumph Over Containment offers an uncompromising look at some of the greatest films and directors of the 1950s from household names like Alfred Hitchcock and Stanley Kubrick to lesser known iconoclasts like Samuel Fuller and Ida Lupino It scours a variety of different genres to find pockets of resistance to the repressive and oppressive norms of Cold War culture **Through a Noir Lens** Sheri Chinen Biesen, 2024-06-18 Shadows Smoke Dark alleys Rain slicked city streets These are iconic elements of film noir visual style Long after its 1940s heyday noir hallmarks continue to appear in a variety of new media forms and styles What has made the noir aesthetic at once enduring and adaptable Sheri Chinen Biesen explores how the dark cinematic noir style has evolved across eras from classic Hollywood to present day streaming services Examining both aesthetics and material production conditions she demonstrates how technological and industrial changes have influenced the imagery of film noir When it emerged in the early 1940s the visual style's distinctive shadowy look was in part a product of wartime cinema conditions and technologies such as blackouts and nitrate film stock Since the 1950s technical developments from acetate film stock and new cameras and lenses to lighting color and digitization have shaped the changing nature of noir style Biesen considers the persistence of the noir legacy discussing how neo noirs reimagine iconic imagery and why noir style has become a touchstone in the streaming era Drawing on a wealth of archival research she provides insightful analyses of a wide range of works from masterpieces directed by Billy Wilder and Alfred Hitchcock to New Hollywood neo noirs the Coen brothers revisionist films and recent HBO and Netflix series A groundbreaking technological and industrial history of an essential yet slippery visual style Through a Noir Lens shines a light into the shadows of film noir The Cinema Book Pam Cook, 2007-11-05 It comprises seven main sections Hollywood Cinema and Beyond The Star System Technologies World Cinemas Genre Authorship and Cinema and Developments in Theory **The Cinema Book** Bloomsbury Publishing, 2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema Authoritative and comprehensive the third edition has been extensively revised updated and expanded in response to developments in cinema and cinema studies Lavishly illustrated in colour this edition features a wealth of exciting new sections and in depth case studies Sections address Hollywood and other World cinema histories key genres in both fiction and non fiction film issues such as stars technology and authorship and major theoretical approaches to understanding film **Doug Pratt's DVD** Douglas Pratt, 2004-10 The ultimate guide to DVD by the world's leading authority on the medium *Fifty Key American Films* John White, Sabine Haenni, 2009-03-13 Fifty Key American Films provides a chance to look at fifty of the best American films ever made with case studies from the 1930s heyday of Cinema right up to the present day **Film, 1980 Film, Form, and Culture** Robert Kolker, 2015-08-14 Film Form and Culture 4th edition offers a lively introduction to both the formal and cultural aspects of film With extensive analysis of films past and present this textbook explores film from part to whole from the smallest unit of the shot to the way shots are edited together to create narrative It then examines those

narratives both fiction and non fiction as stories and genres that speak to the culture of their time and our perceptions of them today Composition editing genres such as the gangster film the Western science fiction and melodrama are analyzed alongside numerous images to illustrate the discussion Chapters on the individuals who make films the production designer cinematographer editor composer producer director and actor illustrate the collaborative nature of filmmaking This new edition includes An expanded discussion of the digital revolution in filmmaking exploring the movement from celluloid to digital recording and editing of images as well as the use of CGI A new chapter on international cinema that covers filmmaking from Italy to Mumbai offering students a broader understanding of cinema on a worldwide scale A new chapter on film acting that uses images to create a small catalogue of gestures and expressions that are recognizable in film after film Expanded content coverage and in depth analysis throughout including a visual analysis of a scene from Christopher Nolan s The Dark Knight An expanded chapter on the cultural contexts of film summarizes the theories of cultural and media studies concluding with a comparative analysis of Alfred Hitchcock s Vertigo and Judd Apatow s This is 40 Over 260 images many in color that create a visual index to and illustration of the discussion of films and filmmaking Each chapter ends with updated suggestions for further reading and viewing and there is an expanded glossary of terms Additional resources for students and teachers can also be found on the companion website www.routledge.com/cw/kolker which includes additional case studies discussion questions and links to useful websites This textbook is an invaluable and exciting resource for students beginning film studies at undergraduate level

Letterboxed Harper Cossar, 2011-01-01 When widescreen technology was introduced to filmmaking in 1953 it revolutionized the visual framework and aesthetic qualities of cinema Many modern moviegoers are already familiar with the widescreen revolution which recently made its way from the big screen to the home screen What remains hidden however is the rich history of this technology and its origins *Letterboxed: The Evolution of Widescreen Cinema* tracks the development of widescreen cinema from the early twentieth century to contemporary technologies such as video games and IMAX Examining early filmmakers such as Buster Keaton and D W Griffith and genre pioneers like Nicholas Ray and Douglas Sirk Harper Cossar explains how directors use wider aspect ratios to enhance their creative visions Whereas previous analyses of widescreen cinema have pointed out the format capacity to increase an audience s level of engagement during viewing or have heralded it as an end to the era of montage by analyzing a few canonical films Cossar s new assessment of widescreen technology offers deeper insights into the aesthetic implications of the format *Letterboxed* examines the impact of widescreen cinema by broadening the scope of films included in the discussion and by focusing specifically on classical Hollywood genre films directed by recognized auteurs By examining the differences between widescreen format and its predecessor the Academy ration Cossar distinguishes between the physical and stylistic ruptures prompted by widescreen technology Not only did widescreen offer an alternative to the traditional aspect ratio of the screen but it also introduced new methods of working within cinematic tropes to utilize space and action more effectively Cossar

examines films throughout the history of cinema uncovering the trends and changes that result from the use of widescreen and also discusses the flexibility of widescreen methods as applied in various film genres He reviews existing scholarship and offers his own insights about the origins of this technology its impact and its more recent uses in both live action and animated film

Cinematic Appeals Ariel Rogers, 2013-10-22 Cinematic Appeals follows the effect of technological innovation on the cinema experience specifically the introduction of widescreen and stereoscopic 3D systems in the 1950s the rise of digital cinema in the 1990s and the transition to digital 3D since 2005 Widescreen films drew the spectator into the world of the screen enabling larger than life close ups of already larger than life actors The technology fostered the illusion of physically entering a film enhancing the semblance of realism Alternatively the digital era was less concerned with manipulating the viewer's physical response and more with generating information flow awe disorientation and the disintegration of spatial boundaries This study ultimately shows how cinematic technology and the human experience shape and respond to each other over time Films discussed include Elia Kazan's East of Eden 1955 Star Wars The Phantom Menace 1999 The Matrix 1999 and Thomas Vinterberg's Dogme film The Celebration 1998

The Elusive Auteur Barrett Hodsdon, 2017-05-21 The director's authorial role in filmmaking the extent to which a film reflects his or her individual style and creative vision has been much debated among film critics and scholars for decades Drawing on generations of criticism this study describes how the designation auteur has gone from stylistic criterion to product label in what has always been an essentially collaborative industry Examining the controversy in regard to Hollywood directors the author compares directors and would be auteurs of the classic studio system with those of contemporary Hollywood and its new climate of cultural entrepreneurship
