and points of view the writing of dialogue setting and description creating plots and the anatomy of style The final third of the book deals with the challenges and rewards that come with the writing life Subjects in this section include the economic realities of writing classes conferences and workshops dealing with rejection and bad reviews writing habits and rituals despair alcohol suicide and fame Articulated with elegant metaphor in straightforward prose or with wry wit the carefully selected and thoughtfully organized quotations come together to form a narrative that entertains informs and in the case of aspiring writers shows the way to better writing
