Political Change in South-East Asia Michael R.J Vatikiotis, 2005-06-21 Political Change in South East Asia takes up the debate between those who resist the pressure for democracy and point to unchanging Asian values and those who believe that the appeal of democracy is universal The author examines the case for both sides and concludes that the strong state will be a fixture of South East Asian politics for some considerable time to come Increasingly close links between the ten states of South East Asia are likely to reinforce perceptions of a common culture and in the end put up more effective defences against external cultural influence

In Fact Mark Henry, 2021-10-22 This optimistic guide to Ireland at 100 tells our national story through facts and stats placing Ireland under the microscope to chart 100 achievements of the past 100 years Ireland remained one of the most poverty stricken nations in Europe for

decades after the State was formed Yet now it has the second highest standard of living in the world Author Mark Henry has gathered the data to tell an under told story of our national progress across every aspect of Irish life He identifies the factors that account for Ireland s extraordinary success as well as the five most prominent psychological biases that prevent us from recognising how far we have come He also highlights the greatest challenges that we must now address if we are to continue to progress in the century ahead While there is still more to be done In Fact illustrates that Ireland for all its imperfections is in a much better state than you might think Documents Council of Europe: Parliamentary Assembly,2003-11-28
