Regionalization And Labour Market Interdependence In East And Southeast Asia:

Regionalization and Labour Market Interdependence in East and Southeast Asia Duncan Campbell, Asma Lateef, Aurelio Parisotto, Anil Verma, 2016-01-06 How can we account for the dynamic growth of East and Southeast Asian countries Much of the debate has turned on the question of the state versus the market as exclusive and often competing explanations of the successful performance of individual countries This book explores the distinctively interdependent nature of the East and Southeast Asian experience As firms create a regional organization of production the growing interdependence of national labour markets is one major outcome

Asian Migrations Beatriz P. Lorente, 2005 The migration of people within and beyond Asia no longer takes the form of permanent ruptures uprooting and resettlement Today such movement is more likely to be transient and complex ridden with disruptions and detours and based on translocal interconnections between places and multiple chains of movement Written from various disciplinary perspectives this collection of essays explores the migration experiences of a wide spectrum of people from professional and managerial elites to contract workers and refugees In addressing the nature of these Asian migrations the authors demonstrate how mobility in today's world has transformed notions of citizenship and identity and of displacement and home

Helfgott,2016-09-16 This collection examines the evolution of the philosophy and practice of human resource management HRM and industrial relations IR over the twentieth century By combining history contemporary practice and future trends these well known experts present both scholarly and practitioner perspectives Drawing on in depth interviews and surveys with HRM executives at leading corporations the contributors explore key trends and issues facing global companies in such areas as equal opportunity compensation practices and expatriation programs The book also takes an in depth look at one particular player in the story Industrial Relations Counselors Inc the first non profit research and consulting organization dedicated to improved HRM IR practices which was founded by John D Rockefeller in 1926 and has played a central role in the development of key labor legislation including the Social Security Act

Social Development in Asia Kwong-leung Tang,2012-12-06 Most Asian countries have shown a strong commitment to rapid economic development Economists have argued that the fruits from

economic development will be spread equitably throughout the population In the absence of a strong tradition of social rights social development in Asia has long been taken for granted This collection documents social development in the Asian countries of China Hong Kong Taiwan South Korea Thailand and India and concludes that social development has lagged behind economic development This has given rise to distorted development in many countries Serious development problems of poverty and inequalities have lingered even in these economically advanced countries of Hong Kong Taiwan and Singapore These problems have been exacerbated in the wake of the Asian economic crisis In order to harmonize social development with economic growth Asian states ought to be more proactive in their development agendas As a text on social development in Asia this book is primarily intended for practitioners and students of social work social administration and social policy It is also relevant for students and practitioners of sociology economics and public policy

Inhuman Conditions Pheng Cheah, 2009-07-01 Through an examination of debates about cosmopolitanism and human rights Cheah questions key ideas about what it means to be human and reveals the flaws in claims about the imminent decline of the nation state and the obsolescence of popular nationalism

Creating Knowledge, Strengthen Nations Glen A. Jones, 2005-04-01 Editors Glen A Jones Patricia L McCarney and Michael L Skolnik have brought together a diverse group of contributors to describe how internal and external forces arising from globalization are exerting pressure to change the role of higher education in society and how universities are dealing with these pressures

The (Re)Making of the Chinese Working Class Elly Leung, 2021-09-18 This book engages with Foucault's theoretical works to understand the re making of the working class in China In so doing the author applies Foucault's genealogical historicalization method to explore the ways the Chinese Communist Party CCP develop Chinese governmentality or government of mentalities among everyday workers in its thought management system Through the investigation of the key events in Chinese history she presents how China's stable political party is sustained through the CCP's ability to retain update and incorporate many Confucian discourses into its contemporary form of thought management system using social networks such as families and schools to continuously re shape workers consciousness into one that maintains their docility This book will bring a new voice to the debate of Chinese working class politics and labour movements It will serve as a gateway to comprehensive knowledge about China for students and academics with interests in Chinese employment relations Chinese politics labourist activist culture and social movements

Migration and Development Ronald Skeldon, 2014-09-19 The first text that specifically links both international and internal migration with development at a global level The world is divided into a series of functionally integrated development zones which are identified not simply on the basis of their level of development but also through their spatial patterns and historical experience of migration Migration and Development stresses the importance of migration in discussing regional rather than simply country differences These variations in mobility are placed within the context of a global hierarchy although regional national and local cultural and social conditions are certainly not ignored in this wide
