Way into Faerie Rae Beth,2017-02-01 The spirituality of a fey person may be quite anarchic and entirely private having no basis in any organised religion So it can be a secret spirituality that informs the fey type and this may be largely experiential It has often been perceived as a threat by people who like ideas to be tied down and under control and by the organisations that such people have created Meanwhile in much of today s world fey people have been throughly marginalized In this book Rae Beth suggests ways in which we might understand Otherworldly realities without abandoning commonsense Drawing upon her knowledge of traditional faerie lore she shows how fey perceptions and psychic skills can serve and enhance life Rae Beth draws on her knowledge of traditional faerie lore and shows how fey perceptions and psychic skills can serve and enhance life She suggests ways in which we might understand Otherworldly realities without abandoning commonsense Will be of interest to witches and those interested in the Other world
