Love**, 1990 Love's Privilege Stella M. Düring, 1909 *A Time to Love* Lillie Johnson, 2013-02 Once in a lifetime the most beautiful love story you will ever know is the one you're living From love discovered as teens to love rekindled as matured adults with grown children this book takes you on the journey of two people who overcame extraordinary challenges including a thirty-year separation intense emotionally protective barriers and living over nine hundred miles apart to ultimately claim an everlasting love Now married over five years read not only about the phenomenon of the love that brought them back together but also of the faith gratitude and day-to-day practices that hold them together Told in a two-person narrative filled with tender heartwarming moments humor and practical wisdom their story will make you smile cry and realize the beauty and power of love between two people and the mystery some call destiny It will encourage you to revere God's ability to make all things new in His own time More than anything it will inspire you to believe in miracles particularly the miracle of love The Justus Scrolls Paul David Morris, 2013-03 Rejected by God or called to an uncommon path The eleven apostles cast lots to determine whom the Holy Spirit would pick to replace Judas Iscariot he must be someone who had been with Jesus the whole time That left either Joseph bar Sabbas called Justus or Matthias The stones

were cast and the lot fell to Matthias Even so Justus wouldn't be denied his dream He had mingled among the disciples for more than three years He had been close to Jesus held private conversations with him and had laughed with him He'd slept around the same campfires visited the same homes and eaten at the same tables Now Justus would chart a new path He would reveal everything he knew about his Lord from the viewpoint of a privileged witness Justus began to write What was it like to be near Jesus in everyday situations or to see him in action in his greatest moments Did Jesus have a childhood best friend How did he relate to his fish-breathed disciples What did he feel when the crowd cried out for his death Justus logged all of this in a series of scrolls and began a journey to house the treasure at the great library in Alexandria Egypt Perhaps someday they would be seen

Christians Who Counsel Ray S. Anderson, 2010-11-01 How does one view Christian counseling as a calling What is the role and task of the counselor from a theological perspective How does one strip away the ambiguity that is too often inherent in the words therapy and counseling in a religious setting Ray S. Anderson has written this book as a theologian with a keen interest in helping Christian counselors fulfill their task more effectively by enabling them to see that task more clearly Too often even counselors who achieve effective results are beset by what Anderson calls an uneasy conscience the realization that for some reason a little transactional analysis once a week works better than a month of Sundays in curing the souls of troubled parishioners This book seeks to put that uneasiness and ambiguity to rest by helping counselors see their work as a means of grace rooted in a model of personhood that is both theologically and psychologically sound for realizing the full potential of each person Christians Who Counsel has three parts involving building a foundation for Christian counseling exploring the spiritual dynamics in counseling and describing counseling in a distinctly Christian mode Written without either theological or psychological jargon this book is for all Christians who counsel whether pastors lay counselors psychotherapists or family therapists With clarity of vision comes the power of a renewed commitment

The Pacific Festivals of Aotearoa New Zealand Jared Mackley-Crump, 2015-04-30 With a history now stretching back four decades Pacific festivals of Aotearoa assert a multicultural identity of New Zealand and situate the country squarely within a sea of islands In this volume Jared Mackley-Crump gives a provocative look at the changing demographics and cultural landscape of a place frequently viewed through a bicultural lens Pkeh and Mori Taking the post World War II migrations of Pacific peoples to New Zealand as its
