Face to Face Geoff Barnard, 2016-09-08 The Fountain of Tears was created by my friend Rick Wienecke and we now believe that more than 20 000 people have visited the Fountain which is situated in Rick's backyard in Arad in the south of Israel This involves many 1000's of Israelis including Holocaust Survivors and even some Rabbis The communication of God's love through art touches their hearts This book is my theological contribution to Rick's inspiring creativity My prayer is that it will encourage a greater dialogue between Christian and Jewish theologians For example it has been said by an orthodox Jewish friend that the Fountain is probably one of the greatest arguments against the deception known as Replacement Theology which pervades much of the evangelical church in the western world This book also lays the biblical groundwork to help us understand that our faithful God will fulfill every promise that he has made to the Jewish people and to the Land of Israel *The Second Coming* Cyrene, 2014-04 The Second Coming takes a fresh look at the Gospel of Matthew through the unconditioned eyes of a truth seeker The book reinterprets the Gospel of Matthew from a non dualistic perspective and brings out spiritual insights totally unexpected The book also brings to the forefront the forgotten character of Joseph as the tekton of the Gospel The distinctive feature of the book is that it redefines abstruse or undefined biblical terms such as the Father the Son the Holy Spirit God heaven hell Serpent Satan sin etc in a new light that makes the interpretation internally consistent and also consistent with the external reality According to the book the message of the Gospel is straightforward The human body is the Savior Therefore turn to the body The book goes beneath the literal content of the Gospel of Matthew
