Religion In Soviet Russia:

Religion in Soviet Russia Nicholas Sergeyevitch Timasheff, 1942 *Religion in Soviet Russia* William Chauncey Emhardt, 1929 *Religion in Russia Under the Soviets* Richard Joseph Cooke, 1924 Religion in the Soviet Union Walter Kolarz, 1961 Comprehensive survey of the situation of various religious groups in the U S S R including Christian Moslem Buddhist Jewish with contemporary developments under the Khrushchev regime **Multiple Moralities and Religions in Post-Soviet Russia** Jarrett Zigon, 2011-09-01 In the post Soviet period morality became a debatable concept open to a multitude of expressions and performances From Russian Orthodoxy to Islam from shamanism to Protestantism religions of various kinds provided some of the first possible alternative moral discourses and practices after the end of the Soviet system This influence remains strong today Within the Russian context religion and morality intersect in such social domains as the relief of social suffering the interpretation of history the construction and reconstruction of traditions individual and social health and business practices The influence of religion is also apparent in the way in which the Russian Orthodox Church increasingly acts as the moral voice of the government The wide ranging topics in this ethnographically based volume show the broad religious influence on both discursive and everyday moralities The contributors reveal that although religion is a significant aspect of the various assemblages of morality much like in other parts of the world religion in postsocialist Russia cannot be separated from the political or economic or transnational institutional aspects of morality Religion in Soviet Russia 1917-1942 Nikolaj Sergeevič Timašev, 1942 **Religious Policy in the Soviet Union** Sabrina Petra Ramet, 1992-11-12 This book provides a sweeping and comprehensive analysis of the history of religion in the Soviet Union tracing its fortunes through the chaos of the 1920s and the anti religious persecution of Stalinism to the slow strangulation of Brezhnev and the liberalization under Gorbachev Bringing together fifteen of the West s leading scholars on this subject the book examines the policy apparatus atheist education cults and sects and recent changes in legislation and policy presenting hitherto unknown material for the first time **Religion and Communism** Julius Friedrich Hecker, 1973 Religion in the Soviet Union F. Corley, 1996-08-27 The Soviet government s attitude to religion in theory and practice is shown in this wide ranging collection of annotated texts from the newly opened archives Included are documents from the KGB the Central Committee the Council for Religious Affairs and numerous other official bodies For the first time in English we see the bureaucrats own view of how religious believers should be controlled following the story from the persecutions of the early Soviet years to the openness instituted by Mikhail Gorbachev **Religion in Soviet Russia** Chauncey Emhardt, 1929 Religion and Language in Post-Soviet Russia Brian P. Bennett, 2011-04-29 Church Slavonic one of the world s historic sacred languages has experienced a revival in post Soviet Russia Blending religious studies and sociolinguistics this book looks at Church Slavonic in the contemporary period It uses Slavonic in order to analyse a number of wider topics including the renewal and factionalism of the Orthodox Church the transformation of the Russian language and the debates about

protecting the nation from Western cults and culture **And God Created Lenin** Paul Gabel,2010-10-04 This book examines in depth the conflict between Lenin's logic driven efforts to stamp out religion and the churches' passionate attempts to save themselves from obliteration. It looks at both sides objectively and admits that they both presented strong cases. In this thoroughly researched yet accessible study, historian Paul Gabel offers a new understanding of the only effort in world history to upset the universality of religion. Besides the main conflict between the Russian Orthodox Church and the atheist state, Gabel also considers the tensions that this campaign against religion caused within the Communist Party. In addition, he discusses the bitter hatred dividing the Orthodox factions that refused cooperation with the government from those that tried to adapt the church to communism. Was the failure of Soviet communism to eradicate religion simply a matter of practical miscalculation, or was this effort in light of the persistence of religion throughout history ultimately unrealistic and doomed from the start? This is the key question that Gabel's fascinating, insightful narrative attempts to answer.

Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism Ana Siljak,2024-11-15 Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism is a multifaceted account of the engagement between religion and the secular in Russia's Christian, Jewish, and atheist traditions. Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union, telling stories about theologians, sects, churches, poets, and artists. From the Jewish Christian priest Alexander Men to the cross-dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels, Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized, modern, and seemingly secular world. Now more than ever, as one narrative of Russia's religious history dominates official Russian accounts, alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized.

Fifteen Years of Religion and Anti-religion in Soviet Russia 1917-1932, 1933 *The Church in Soviet Russia* Matthew Spinka,1956 **Religion in the New Russia** James H. Forest,1990 Humanist and ecumenist, Forest, a contributing editor of *Sojourners*, editor of *Forum* for the World Council of Churches, and director of the Peace Media Center in Holland, has travelled widely in the Soviet Union, visited many religious centers, and talked with adherents of nearly every faith. He mainly lets them speak for themselves, revealing their past experience, present status, and vision of the future. Annotation copyrighted by Book News, Inc., Portland, OR **The Oxford Handbook of Secularism** Phil Zuckerman, John R. Shook,2017 The Oxford Handbook of Secularism offers a wide-ranging examination of secularism on a global scale, bringing together an international collection of views from prominent experts in a variety of fields. This volume reflects the impressive level of academic attention now given to secularism across the humanities, social sciences, law, and public policy, and international relations. Long-reigning theories about the pace of secularization and ideal church-state relations are here scrutinized by a new generation of scholars studying secularism with

Russian Society and the Orthodox Church Zoe Knox, 2004-06-02

Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia. It shows how Orthodox prelates, clergy and laity have shaped Russians' attitudes towards religious and ideological pluralism, which in turn have influenced the ways in which Russians understand civil society, including those of its features pluralism and freedom of conscience that are essential for a functioning democracy. It shows how the official church, including the Moscow Patriarchate, has impeded the development of civil society, while on the other hand the non official church, including nonconformist clergy and lay activists, has promoted concepts central to civil society.
