on the spatial organization the social composition and cultural life at these courts The contributions enrich our knowledge on another aspect of court life and invite to reconsider our basic understandings of court courtiers and court society The European Magazine, and London Review ,1822 European Powers in the First World War Spencer Tucker,2018-12-07 First published in 1996 The First World War was the single most important event of the twentieth century This volume concentrates on non U S aspects of the conflict Organized alphabetically its more than 600 detailed entries offer information and insight on such subjects as the causes of the conflict major battles and campaigns weapons systems including military aviation chemical warfare the submarine and the tank and the terms of the peace Some 350 biographies provide information on the roles played in the conflict by generals admirals and civilian leaders There are also biographies of individuals who were shaped by the war such as Charles De Gaulle Adolf Hitler Benito Mussolini and Joseph Stalin essays on each of the countries involved in the conflict new appraisals of such subjects as military medicine and artillery tactics and essays on such diverse subjects as art literature and music in the war Each entry has references for additional reading and a subject index provides easy access The volume is an excellent reference source for scholar and neophyte alike Europe in Arms Everard Wyrall,1915 Regulations Applicable to the European Officer in India George E. Sir Charles Wentworth Dilke,1887 **The Battle Honours of the Second World War 1939-1945 and Korea 1950-1953** Compiled from official records,Terry Cave,2012-03-29 In February 1925 the War Office published an Army Order listing the battle honours awarded for the Great War and although this was announced as the final list there were subsequent revisions and minor amendments No such list was published after WWII but an unofficial Record was published in 1958 by the War Office with a limited distribution which included the Korean War battle honours and this is that list with 651 actions This Record covers only British including British Gurkha Regiments and Colonial Regiments In most cases there is a brief summary of the operations with an indication of the troops involved and these include Commonwealth troops though the question of their Battle Honours is one for the Commonwealth Government concerned and the Sovereign There were a good many errors in the list typographical grammatical misspelling of place names dates and order of battle In some cases there was confusion between those battle honours which were selected to be carried on the Colours and those which were simply awarded Strange new regiments appeared Highlanders Light Infantry a persistent favourite King s Own Yeomanry Light Infantry the K A R R R C London Irish

Fusiliers London Irish Buffs Queen s Own Nigeria Regiment an unauthorised Queen s Own and the Royal West King Regiment to name some of them Place names also caused some trouble and in some of the brief descriptions of the engagements or actions there were order of battle mistakes such as the confusion between the 12th Frontier Force Regiment and 13th Frontier Force Rifles two different regiments of the old Indian Army The index contained scores of place names that had nothing to do with anything this has been pruned drastically so that it contains only those places for which a battle honour was awarded Every effort has been made to eliminate errors and present a corrected version and a number of sources was used the most important of which was H C B Cook s *The Battle Honours of the British and Indian Armies 1662 1982* a magnificent piece of work Other valuable works included *Orders of Battle Second World War 1939 1945* H F Joslen *Commonwealth Divisions 1939 1945* Malcolm A Bellis *A Register of the Regiments and Corps of the British Army* Arthur Swinson *Regiments and Corps of the British Army* Ian S Hallows and *Handbook of British Regiments* Christopher Chant *The British Army in a European War* Hippolyte Langlois, 1910 [Allen's Indian mail and register of intelligence for British and foreign India](#) ,1861 **The British and Foreign Review Or European Quarterly Journal** ,1836 **European Treaties Bearing on the History of the United States and Its Dependencies** Frances Gardiner Davenport, Charles Oscar Paullin, 1929
