Setting National Priorities The 1978 Budget:

Setting National Priorities Barry M. Blechman, Edward M. Gramlich, Robert W. Hartman, 1974 *Setting National Priorities*, 1979 **Domestic Policy and Ideology** David McKay, 1989-10-19 In this study Dr McKay examines the interaction between presidential policy preferences and the political environment concentrating on welfare and urban policy and intergovernmental relations under Johnson Nixon Carter and Reagan Throughout the work McKay measures the independent influence of the White House on policy and draws conclusions for theories of American political development

Economics James D Gwartney, Richard Stroup, 2014-05-10 Economics Private and Public Choice Second Edition deals with modern Keynesian theory monetarist theory collective decision making and the traditional demand side of macroeconomics The book explains economic principles such as taxation government expenditure public choice theory rate of employment aggregate supply fiscal policy low productivity inflation and adaptive expectation hypothesis The text also covers microeconomics particularly capital interest profits energy market and the indifference curve analysis The book discusses inequality income mobility and the battle against poverty where a market system can encourage the careful use of resources high productivity and freedom of choice for individuals to bear the costs and reap the benefits The text points out that income redistribution can result in some conflicts As an example the book analyzes income inequality in the United States income inequality in other countries as well as its causes The book also describes the characteristics of less developed countries as having low per capita income dominance of agriculture household sector rapid population growth income that is more unequally distributed including inadequate health care and education The book is suitable for economists sociologists and policy makers involved in national economic development

Managing the Presidency Colin Campbell, 2010-11-23 Arguing that too many studies focus on president s personalities and not their relationships with advisers and the machinery of the office Campbell describes the institutional development of the presidency and assesses the Carter and Regan administrations within a historical context Interviews with senior members of the White House staff and other high ranking officials add color and depth to his study

The Changing Politics of Federal Grants Lawrence D. Brown, James W. Fossett, Kenneth T. Palmer, 2011-12-01 The design and use of federal grants in aid to state and local governments have posed policy choices for every presidential administration since that of Lyndon B Johnson The papers in this volume describe the decisions these administrations have made analyze why only some of these choices prevailed politically and explain how large amounts of federal aid have affected local governments These studies mark the final chapter in a major research effort carried out by the Brookings Governmental Studies program to evaluate the effects of general revenue sharing and other broad based forms of aid that were introduced in the early 1970s Kenneth T Palmer traces the major steps in the evolution of grants in aid since the Johnson administration Lawrence D Brown s essay on the politics of devolution examines the successes and failures of innovative grant policies such as revenue sharing and block grants James W Fossett writing on the politics of dependence

analyzes the effect of the massive expansion of federal grants to the large cities in the 1970s **Strategic Review** ,1979 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States Brookings at Seventy-Five James Allen Smith,2010-12-01 The historian James Allen Smith traces the evolution of Washington's oldest and prototypical think tank on the occasion of its seventy fifth anniversary in 1991 Dedicated to bringing expertise to bear on public policy issues Brookings has been a pioneer in bridging the disparate worlds of social science research and American policymaking But while its efforts have been made steady there have been frustrations and controversy over the years Inspired by the scientific management and government efficiency movements in the Progressive Era Brookings has evolved from an organization that consulted with government agencies on accounting and personnel practices into an institution with a wide ranging research and publishing program as well as active public policy education and media outreach efforts Smith vividly tells of the key individuals beginning with Robert Brookings who have shaped the institution He recounts its relationships with financial supporters and presidential administrations and he candidly discusses the problems surrounding efforts at funding Smith places the Brookings research program in an intellectual context and within the changing policymaking environment of Washington He reveals how Brookings has withstood seventy five years of shifts in national politics external perceptions on the institution and internal leadership to emerge as one of the most prominent sources of policy expertise in the world The proliferation of private think tanks and the expansion of governmental research agencies in the past quarter century have changed the policy environment The Brookings Institution on its seventy fifth anniversary offers a singular vantage point from which to observe the ever changing relationship between expert knowledge and political decisionmaking in our democracy *Handbook of Comparative and Development Public Administration* Ali Farazmand,2019-02-21 With contributions from nearly 80 international experts this comprehensive resource covers diverse issues aspects and features of public administration and policy around the world It focuses on bureaucracy and bureaucratic politics in developing and industrialized countries and emphasizing administrative performance and policy implementation as well as political system maintenance and regime enhancement The book covers the history of public administration and bureaucracy in Persia Greece Rome and Byzantium and among the Aztecs Incas and Mayas public administration in small island states Eastern Europe and ethics and other contemporary issues in public administration **Studies in Public Employment and Compensation in Canada** M. W. Bucovetsky,1979 **At the Borderline of Armageddon** James E. Goodby,2006-05-04 In this important new work scholar teacher and diplomat James E Goodby analyzes how American presidents have confronted the dilemma of nuclear weapons Drawing on his own involvement in over fifty years of nuclear policy he explores specific case studies to illustrate the **National Security Affairs Monograph Series** ,1976 *Safe Drinking Water* Clifford S. Russell,2016-03-22 Originally published in 1978 this volume addresses the scientific economic and administrative aspects of the public policy problem raised by the United States Safe

Drinking Water Act of 1974 In this collection of papers the authors examine the various problems presented by drinking public water in the United States the United Kingdom and throughout Europe This is an ideal title for students interested in environmental studies and public policy reform **Notes from the Joint Economic Committee** United States. Congress. Joint Economic Committee,1975 **The Federal Role in the Federal System** ,1980 **Administration's Welfare Reform Proposal** United States. Congress. House.
