Skyscraper Settlement Joyce Milambiling, 2023-09-19 The roles that Christodora House has played from 19th century settlement house to its newest forms Settlement house workers helped transform the lives of thousands of people despite lack of funding the influenza epidemic of 1918 economic depressions and two World Wars Many of these houses still exist in the original neighborhoods where they confront the problems of today and advocate for their communities Christodora House founded in 1897 as The Young Women s Settlement played an important role in the life of immigrants and other residents on the Lower East Side of Manhattan For over 50 years residents and volunteers at Christodora House provided classes clubs recreational activities and medical and dental clinics for thousands of New Yorkers and then continued to operate programs out of public housing and other locations for more than two decades The building at 143 Avenue B now housing condominiums has had a tumultuous history since 1948 but still stands towering over its tenement neighborhood in the East Village Christodora Inc is now a nonprofit foundation with offices in Midtown Manhattan whose staff works with underserved New Yorkers including youth in the public school system carrying on a long distinguished history of service to the city and country

Political Decision Making and Non-Decisions R. Ranta, 2015-05-05 This book examines Israel s relationship and political decision making process towards the Occupied Territories from the aftermath of the Six Day War to the Labour Party s electoral defeat in 1977 The period represents the first decade of Israel s occupation of the Occupied Territories and the last decade in which the Labour Party was Israel s most dominant political force Arguing that the successive Israeli governments headed by the Labour Party lacked a strategic policy towards the Occupied Territories to address the country s objectives and needs this book demonstrates the detrimental effect this had on Israel on the Middle East in general and on the Palestinian people in particular In addressing key aspects of decision making

pathologies this book raises issues which remain important features of Israeli politics today and an analysis relevant for political decision making worldwide

Sahel Visions Della E. McMillan, 2022-07-12 When an international health initiative succeeded in wiping out river blindness in Burkina Faso it allowed the settlement of the sparsely populated Volta Valley by the Mossi people a development plan by which the Burkinabe government sought to relieve population pressure establish communities and increase cotton production Anthropologist Della McMillan followed this visionary plan over twelve years as people relocated communities founded farms dealt with officials entered the market and in some instances moved on Her study examines the question of how development occurs or fails to occur and offers unusual insight into how visions of progress held by developers settlers and even researchers originate and are revised Group Farming in Asia: Experience and Potentials ,
