edition of the critically acclaimed core textbook provides students from technology and science based backgrounds with the theoretical knowledge and practical skills required to transform innovative ideas into commercially viable businesses for profit or social ends. Blending theory, policy and practice in a manner that is accessible to readers with little prior knowledge of business commercialisation, it offers a framework for understanding the entrepreneurial process for technological ideas. The book provides students with comprehensive guidance on the specialized field of technopreneurship. It provides the tools and frameworks required for managing commercialising and marketing technological innovation. With real life examples and case studies from a range of countries and industries, it will equip students with the understanding required to successfully launch their product. This text caters for undergraduate and postgraduate students studying technology entrepreneurship modules on engineering, science and computing technology programmes. New to this edition: All chapters updated to reflect the evolution of theory and practice in the field. New cases on digital entrepreneurship, growth and scaling. Extended geographical coverage of case studies. Entrepreneurial practices updated to include recent research. Strategic context of business models, business growth and scaling, digital entrepreneurship, entrepreneurial marketing, organization design and crowdfunding developed and updated.

Pitch Craft Laura Goode, 2025-09-16. An award winning author and Stanford writing instructor demystifies the business of writing with this practical, procedural guide to creating successful pitches, impressing editors and agents, negotiating compensation and more. Published multi-genre writer Laura Goode had an epiphany after finishing her MFA and building a freelancing career. Nobody is teaching writers how to wield their persuasive storytelling abilities to make money from their writing. So she decided to write the business of writing handbook she needed most. **Pitch Craft** draws on Goode's experience as a novelist, poet, essayist, filmmaker and creator of a pitching and publishing course to uncover what nobody else will tell you about the business strategy that creates a writing career. With unapologetic honesty earned from years of navigating the publishing world, each chapter in this valuable insider's guide closes with a distinct element of putting your work out into the world, such as: Constructing effective author bios and websites; Leveraging your social media platform; Developing a reliable template for pitches and queries; Cultivating relationships with publishing gatekeepers; Strengthening your self-advocacy skills. **Pitch Craft** is for writers in all genres and of all experience levels, whether you're just getting started, are considering applying to a graduate program or have been in the trenches for decades. After reading and completing the assignments in **Pitch Craft**, you'll hold a finished pitch in hand and the knowledge and skills to navigate your dream literary career.
