specificity of selfish thought More over a greed to live long only belonging to the human being have made mistake to understand natural law by the identity of God which was built up as they want Now truly we have to criticize our civilization have been made for thousands years by ourselves with the wisdom of modern and critical rationalism Our science become developed enough to understand the origin of cosmos materials and lives but we have lived with the mind of state hanging to the thought of decades centuries ago We have live with fixed thought that God is never changing being But if we agree God is the another name of natural itself though its identity is not changed with the point of one of its identity is alternation and so we have to get new idea of our changing will be most adaptable to God With this book you can meet new idea of new Gods identity which is in your heart through cosmos so you can understand you are the most important existence in this cosmos

Brookins,2010-08 Inside the pages of this book Rev Dr Larry A Brookins examines three significant contexts from the Bible that bring to the forefront how God views sin and disobedience whether outside the church among the peoples of the world or within the church among the congregations of the saints It also highlights the heart of the God of both Old and New Testaments as it relates to the life that is lived in submission and conformity to the Will of God In Seven Things that God Hates Seven Letters to Seven Churches and Let Go of Your Neighbor s Throat no camouflage is presented Jesus said ye shall know the truth and the truth shall make you free John 8 32 The God Who is Love has word against the transgressor of His commandments The goal is not condemnation but correction see II Timothy 3 16 The objective of divine admonition is forever repentance see II Peter 3 9 More than anything else God desires to bless but He will curse More than anything else the gates of Heaven invite all but what of the reality of Hell The love of God is unconditional and embraces every sinner with an invitation to salvation regardless of individual sin But don t misinterpret divine love for acceptance of a lifestyle that displeases God and or for absolute salvation without the condition of

 Margaret Barker,2000-05-01 A new and transforming approach to the Book of Revelation Margaret Barker bases her study on a fresh reading of the primary sources As an Old Testament scholar she can read Revelation as Hebrew prophecy ancient temple oracles which inspired Jesus and his own prophecies and influenced the whole Jerusalem Church Jerusalem was waiting for their Great High Priest to return and complete the Atonement at the end of the Tenth Jubilee This expectation fuelled the revolt against Rome Josephus who deserted to Rome was the false prophet John who escaped to Patmos compiled Revelation as a record of the first generation In the future he taught the Lord would return to his people in the Eucharist This work illuminates the formative years of Christianity in the social religious and political situation of mid first century Palestine in a quite remarkable way It will have profound implications for the understanding of Christian origins and the development of Christian liturgy Seven letters on national religion Charles Smith,1833 **The Divinity of ... TALBOT,1846 *All about the Second Coming* Herbert Lockyer,1998 The classic All series books have graced the shelves of pastors students and laypeople alike for decades All about The Second Coming continues in the series tradition of offering a faithful and comprehensive treatment of biblical subjects Herbert Lockyer opens this work with disturbing words The doctrine of the Second Coming is one of the most abused and distorted in the Bible To correct these abuses and distortions he undertakes a detailed study of the book of Revelation Let us he says read what the Bible has to say about Christ s coming taking every reference at its face value Section by section sometimes verse by verse he traces what this mysterious book says about the history of the world from Pentecost to the Rapture of the Church from the Tribulation to the Great White Throne He sheds light on often troubling images and descriptions helping readers feel as if they understand the message of Revelation An appendix describes the rich significance of the many numbers appearing in Revelation and the scripture index aids readers in finding answers to their specific questions דפנה ארבל Daphna Arbel,Andrei A. Hamilton Jr., 2012-01-31 In the book of Revelation God unveils the world as it really is identifying an unseen spiritual war and announcing a very real day of judgment We need to be convinced that Jesus is reigning as the risen King We need to have him speak to the situation in our churches We need to see how God will pulverize wickedness obliterate those who oppose him and set up his kingdom Revelation has exactly what we need Useful for personal study as well as for preaching and teaching Hamilton even includes helpful charts and tables to highlight key themes and literary elements the thirty seven sermons in this volume have a clear structure introduction body and conclusion Hamilton successfully grabs the reader s attention raises awareness of a real need and states the main point of the sermon text In addition to explaining the meaning of each passage Hamilton connects the main ideas to applicable analogies and actionable points Revelation is a prophecy of epic proportions and Hamilton invites readers to love God and his people by expositing this revelation of Jesus and to say along with the apostle John Come Lord Jesus Part of the Preaching the Word series *SCM Core Text: The Book of Revelation* Simon Woodman, 2013-01-25 For most people Revelation is a book that is either largely ignored or it is the object of such fanatical study and fanciful interpretation that it passes from the realm of the interesting and helpful into the realm of fantasy and speculation Much literature has been published in recent years on its interpretation some of which is scholarly and technical and some of which is populist and accessible The problem is that the technical and scholarly material frequently requires careful and detailed

study combined with an advanced level of knowledge whereas much of the populist material tends toward the fanatical and fanciful The aim of this book is to bridge this gap It is written with second and third year university students in mind and would also be helpful for pastors and those in local churches who want to take seriously their study of this often needlessly confusing biblical book
