Seven Deadly Sins Kevin Vost, 2015-06-15 The seven deadly sins are generals leading a vast and deadly army The soldiers are a variety of sins and misdeeds and the capital sins are the officers who sent them on their nefarious tasks With the writings of St Thomas Aquinas as his guide best selling author Kevin Vost tackles the deadly sins one by one showing how they take root in our soul and give birth to offspring other sinful thoughts and deeds that help it

reach its sinful goals You ll learn how they attacks us and how they become ingrained habits that prevent virtue from raising us to heaven Indeed these sins hold us down to earth and possibly ultimately even much lower The deadly sins can be conquered and in these pages you ll learn the methods employed by saints to vanquish vicious habits and replace them with virtuous ones Follow the advice in this book and you ll soon strike at the head of sin and walk more positively in the light and love of Christ You ll also learn Which sin can truly be called the deadliest in the world Why there are only seven deadly sins What takes place within our souls when we grapple with sin The relationship between vices and sins and how to sever their bonds How each and every deadly sin is outnumbered by several opposite virtues Six deadly dominoes Do you know the sins that almost always cause us to commit additional sins How the mother of the virtues dethrones the queen of the vices Seven sacramental and saint sanctioned strategies to call forth God s graces to grapple with each deadly sin **The Seven Deadly**

Sins Richard Newhauser,2007 These essays examine the seven deadly sins as cultural constructions in the Middle Ages and beyond focusing on the way concepts of the sins are used in medieval communities the institution of the Church and by secular artists and authors **Seven** Jeff V. Cook,2008-10-21 Our world is charged with both the grandeur of God and the void of his absence The seven deadly sins are the force causing that hole They are at work in each of us They decimate our relationships our souls and our world These deadly sins often seem pleasing and good for gaining what we desire but they are thoroughly poisonous Conversely the Beatitudes are Jesus pictures of a restored creation The Beatitudes introduced what Jesus said to his earliest followers about a life strong and fruitful In fact the Beatitudes give us a glimpse of a world empty of evil and filled to the edges with God s life Looking at the Beatitudes and the seven deadly sins in turn we see two paths two sets of invitations Both call to deep places within us to come and taste Both invite us to take up residence Both present themselves as life as it actually is But only one will draw us further into reality And only one will make us happy Of the many many books about the Gospels or about Jesus or about Christian morality only one in a thousand gives us a real breakthrough a new big picture Most are just nice little candles on the cake Seven is a bonfire It s not just good it s striking It doesn t just say all the things you ve heard a thousand times before And yet it s totally in sync with both the saints and the scholars Peter Kreeft professor of philosophy at Boston College and author of over forty five books including Fundamentals of the Faith
