Schanke,2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time *That Furious Lesbian* Robert A Schanke,2016-09-06 In this first book length biography of Mercedes de Acosta theatre historian Robert A Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta s intimates to correct established myths and at last construct an accurate detailed and vibrant

portrait of the flamboyantly uninhibited early twentieth century author poet and playwright Born to wealthy Spanish immigrants Mercedes de Acosta 1893 1968 lived in opulence and traveled in the same social circles as the Astors and Vanderbilts Introduced to the New York theater scene at an early age her dual loves of performance and of women informed every aspect of her life thereafter Alice B Toklas s observation Say what you will about Mercedes she s had the most important women in the twentieth century was well justified as her romantic conquests included such internationally renowned beauties as Greta Garbo Marlene Dietrich Isadora Duncan and Eva Le Gallienne as well as Alla Nazimova Tamara Karsavina Pola Negri and Ona Munson More than a record of her personal life and infamous romances this account offers the first analysis of the complete oeuvre of de Acosta s literary works including three volumes of poetry two novels two film scripts and a dozen plays Although only two of her plays were ever published during her lifetime four of them were produced featuring such stage luminaries as John Gielgud Ralph Richardson and Eva Le Gallienne Critics praised her first volume of poetry Moods in 1919 and predicted her rise to literary fame but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny Failing to achieve any lasting fame she died in relative poverty at the age of seventy five De Acosta lived her desires publicly with verve and vigor at a time when few others would dare and for that she paid the price of marginalized obscurity Until now With That Furious Lesbian Schanke at last establishes Mercedes de Acosta s rightful place as a pioneer and indeed a champion in the early struggle for lesbian rights in this country Robert A Schanke has edited a companion to this biography Women in Turmoil Six Plays by Mercedes de Acosta also available from Southern Illinois University Press [Get Happy](#) Gerald Clarke,2009-11-11 She lived at full throttle on stage screen and in real life with highs that made history and lows that finally brought down the curtain at age forty seven Judy Garland died over thirty years ago but no biography has so completely captured her spirit and demons until now From her tumultuous early years as a child performer to her tragic last days Gerald Clarke reveals the authentic Judy in a biography rich in new detail and unprecedented revelations Based on hundreds of interviews and drawing on her own unfinished and unpublished autobiography Get Happy presents the real Judy Garland in all her flawed glory With the same skill style and storytelling flair that made his bestselling Capote a landmark literary biography Gerald Clarke sorts through the secrets and the scandals the legends and the lies to create a portrait of Judy Garland as candid as it is compassionate Here are her early years during which her parents sowed the seeds of heartbreak and self destruction that would plague her for decades the golden age of Hollywood brought into sharp focus with cinematic urgency from the hidden private lives of the movie world s biggest stars to the cold eyed businessmen who controlled the machine and a parade of brilliant and gifted men lovers and artists impresarios and crooks who helped her reach so many creative pinnacles yet left her hopeless and alone after each seemingly inevitable fall Here then is Judy Garland in all her magic and despair the woman the star the legend in a riveting saga of tragedy resurrection and genius **Self Definition** Teodros Kiros,2019-10-10 Self Definition argues that sex gender

and race are constructions by the ineffable self as it seeks to define its possibilities free of domination The self's embodiments are themselves performances of self definition Teodros Kiros supports his argument by a careful reading of the literature from both the Global South and Global North that spans figures works and eras from antiquity to our late modern present These readings demonstrate that race gender and sex are performed in the Global South radically differently from in the Global North These three notions as markers of identity are fluid open and expansive and Kiros brilliantly shows this through inquiry into thought rooted in Egypt Ethiopia India and China By the time that the Global North forges possibilities of the self in the modern period race gender and sex become fixed Biology and anatomy become understood as destinies and the possibilities of the self are deeply constrained This book approaches case studies of key figures and movements chronologically and thematically and in doing so Kiros highlights the tensions between the openness of the Global South and the rigidity of the Global North through which human possibilities as exercises of self definition become clear under conditions of freedom Our views of self definition will forever be transformed after reading this important text
