Activities for Teaching Gender and Sexuality in the University Classroom Michael Murphy, Elizabeth Ribarsky, 2013-04-26 Activities for Teaching Gender and Sexuality in the University Classroom is the first interdisciplinary collection of activities devoted entirely to teaching about gender and sexuality It offers both new and seasoned instructors a range of exciting exercises that can be immediately adapted for their own classes at various levels and across a range of disciplines Activities are self contained classroom tested and edited for ease of use and potential to remain current Each activity is thoroughly described with a comprehensive rationale that allows even those unfamiliar with the material concepts to quickly understand and access the material learning objectives required time and materials directions for facilitation debriefing questions cautionary advice and other applications For the reader's benefit each activity is briefly summarized in the table of contents and organized according to themes common to most social science classrooms Work Media Sexuality Body etc Many activities also include handouts that can be photocopied and used immediately in the classroom Activities for Teaching Gender and Sexuality in the University Classroom will be the standard desk reference on this topic for years to come and will be indispensable to those who regularly teach on these topics

Engendering Psychology Florence Denmark, Vita Carulli Rabinowitz, Jeri A. Sechzer, 2016-01-08 Engendering Psychology's treatment of issues is based solidly on scientific evidence and presented in a balanced manner The text combines a developmental and topical approach Denmark Rabinowitz and Sechzer explore the concept of gender as a social construction across the lines of race ethnicity class age and sexual orientation pulling from the exciting new scholarship that has emerged over the last few years Thoughtful discussion questions emphasize critical thinking skills as well as encourage students to open a dialogue with both their professors and their peers This text will help readers understand the concept of gender as a social construct in contrast to the concept of sex which denotes biological differences Upon completing this text readers will have a deeper understanding of women and the knowledge that woman is a diverse and multifaceted category

Taking Sides Elizabeth L. Paul, 2002 This debate style reader is designed to introduce students to controversies in gender studies The readings which represent the arguments of leading sociologists and social commentators reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework Taking Sides actively develops critical thinking skills by requiring students to analyze opposing viewpoints and reach considered judgements

Lectures on the Psychology of Women Joan C.
