The Sleepwalker's Guide to Dancing Mira Jacob, 2014-07-03 Of all the family gatherings in her childhood one stands out in Amina's memory It is 1979 in Salem India when a visit to her grandmother's house escalates into an explosive encounter pitching brother against brother mother against son In its aftermath Amina's father Thomas rushes his family back to their new home in America And while at first it seems that the intercontinental flight has taken them out of harm's way his decision sets off a chain of events that will forever haunt Thomas and his wife Kamala their intellectually furious son Akhil and the watchful young Amina Now twenty years later Amina receives a phone call from her mother Thomas has been acting strangely and Kamala needs her daughter back Amina returns to the New Mexico of her childhood where her mother has always filled silences with food only to discover that getting to the truth is not as easy as going home Confronted with Thomas's unwillingness to talk Kamala's *Born Again* convictions and the suspicion that not everything is what it seems Amina finds herself at the centre of a mystery so tangled that to make any headway she has to excavate her family's painful past And in doing so she must lay her own ghosts to rest

Sexual Perversions and Paraphilias: An A to Z Mark Griffiths, 2024-12-01 Paraphilias from the Greek beyond usual or typical love are uncommon types of sexual expression often more commonly described as sexual deviations sexual perversions or disorders of

sexual preference They are accompanied by intense sexual arousal and may appear bizarre or at the extreme end of the sexual continuum socially unacceptable For some paraphilic behaviour may be sporadic for others it may be compulsive or addictive This is both an important and timely book Some content is likely to be considered by many as truly shocking and horrendous while other material and case studies simply interesting baffling or perhaps even amusing To learn more you simply must open the book and read and because it s an A to Z you don t have to start at the beginning *Handbook of Adult Psychopathology in Asians* Edward C. Chang, 2012-05-07 The Handbook of Adult Psychopathology in Asians represents a historically remarkable global collaboration among leading experts of psychopathology in Asian adults Chapters provide critical appraisals of existing research and theory as they relate to issues surrounding the diagnosis etiology and treatment of major mental disorders among Asians This volume covers major Axis I disorders as identified by the Diagnostic Statistical Manual of Mental Disorders including mood disorders anxiety disorders substance use disorders somatoform disorders dissociative disorders eating disorders sleep disorders adjustment disorders and schizophrenia and other psychotic disorders In addition the book provides coverage of Axis II personality disorders including antisocial personality disorder Complementing these topics are chapters that take a unique look at psychiatric syndromes that have been identified in Asia and at interventions that have been indigenously developed in Asia for treating mental disorders Additional foundational chapters focus on topics such as the psychology of Asians assessment and research issues in studying Asians and future directions for research and policy in studying and treating Asians with mental disorders With this volume in hand mental health professionals and researchers around the world now have a single and critical resource that they can use to enhance their efforts in studying and treating Asian adults with mental disorders *Chimera* Mira Grant, 2014-07-15 This mid apocalyptic breath of fresh air keeps the reader engaged while undertaking a meaningful exploration of some deep dark questions Publishers Weekly From New York Times bestselling author Mira Grant comes the final book in the terrifying Parasitology series The outbreak has spread tearing apart the foundations of society as implanted tapeworms have turned their human hosts into a seemingly mindless mob Sal and her family are trapped between bad and worse and must find a way to compromise between the two sides of their nature before the battle becomes large enough to destroy humanity and everything that humanity has built including the chimera The broken doors are closing Can Sal make it home Praise for Parasite book one of the Parasitology series A riveting near future medical thriller that reads like the genetically engineered love child of Robin Cook and Michael Crichton John Joseph Adams series editor of The Best American Science Fiction and Fantasy Fans of the Newsflesh series will definitely want to check this new book out But fans of Michael Crichton style technothrillers will be equally enthralled as wild as Grant s premise is the novel is firmly anchored in real world science and technology Booklist Sally is a complex compassionate character well suited to this exploration of trust uncertainty and the price of progress Publishers Weekly It s a well grounded medical wariness that gets at the heart of the what the Parasitology
