Silence On The Bridge:

Silence on the Bridge Leda Darlington, 2018-11-15 SILENCE ON THE BRIDGE second edition is Leda Stegel Darlington's moving account of her childhood years in the Italian countryside before and during World War II. In a tragic story of a family caught up in the rising tide of Fascism and the struggle against Nazi rule, the author pieces together the events of her youth through early memories and information gathered from her parents and other relatives. This new edition includes additional content and photographs. The author lives in the Pacific Northwest which she finds similar in many ways to her childhood home in what used to be northern Italy. **Silence on the Bridge** Leda Stegel, 2005 *Bridge Between*

Minds *Intercultural Communication* 2018-05-01 The Silent Bridge Gail Leichter, 2022-04-04 As a very sensitive girl, moments in my life which touched me deeply were sometimes difficult for me to understand and even more difficult to express. To cope with the feelings, I found consolation and healing in printing my deepest feelings on paper which helped me make sense of the confusion or heartache or would allow me to rejoice in the celebration and good times. My coping technique began in high school and helped me through many years of friendships, loves, marriage, divorce, and significant life events. Putting my feelings on paper often allowed me to let go of the pain or heartache or would lift me up and truly give me strength to carry on. My poetry is what helped me move through all of my early life's experiences.
