Prayer, Peace and the Presence of God Dr. David Butts, 2017-08-15 I'm sorry Mr Butts but you have lymphoma and you are already in stage four Those words would rattle anyone Those are the words Dave and Kim Butts heard just 10 days into Dave's beginning to write this book on prayer and peace God literally put Dave into a situation where Dave would have to live out what he was planning to teach others in his book As believers we know that we are supposed to walk in Christ's peace day by day But when the trials struggles and stresses of life come upon us many of us do not appropriate or experience that peace Instead we look at our circumstances and worry In the pages of this 30 day devotional you will find the shalom the peace of Jesus Each day you will be encouraged by a verse on peace gently be taught how to live that verse out and then be guided in praying that peace into your life This book is for every believer who wants to experience and walk in the peace of Christ no matter what life throws at him or her

Kindelberger,2018-10-05 Sharing in God s Presence means far more than getting saved and experiencing God s blessing in our lives As believers his presence becomes a very personal part of who we are and what we do God actually shares himself with us The language that we use often fails to capture the depths of God s nature penetrating ours the fullness of his Spirit permeating our hearts and the innermost infusion of his presence in our lives But the truth couldn t

be more intimate The person who is joined to the Lord is one spirit with him 1 Corinthians 6:17 This book is an invitation to share in God's presence by allowing God to share himself with you God wants everyone to share in his embrace As we accept our responsibility for prayer ministry and even revival we share in the very precious dynamic of give and response that's involved in an intimate walk with Jesus Christ For a general readership this book is a reworking of material from the second half of the author's academic work *God's Absence and the Charismatic Presence* **The Secret to Experiencing God's**

Sacred Questions Kellye Fabian,2018-11-06 As Christians we believe that Jesus has invited us into a new kind of life with him one that is full free and for others And yet many of us don t actually experience this promised life We continue to act out of fear withhold grace refuse forgiveness drown in worry return to old habits tolerate distraction and harbor a desire to be right While inspirational stories abound in our world and fill the devotional books on our shelves and apps on our phones inspiration does not equal transformation Transformation only happens when we open ourselves in God s presence and align with His work in us and the world But many of us just don t know how to do this or where to begin This book provides a way Sacred Questions invites readers into a daily personal practice of reading Scripture and responding to questions arising from the text about God themselves and others Guiding readers over a yearlong journey into an open posture and daily heart examination and reflection the book helps them see themselves more clearly understand more about who God is break patterns of sin and grow in forgiveness and love One day at a time readers learn how to partner with God in their transformation into Christlikeness and live the full free and others centered life Jesus offers
