I've Been through Hell Trying to Make It Up to Heaven Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted Well in this book you will see what my uncle did He was a major coach What is a major coach Well that is where you coach literally everything basketball baseball track football martial arts swimming golf and dancing lessons He tutored adults and children and worked a regular job Lazy wasn t a word he knew What better way than to go out the way you lived your life I personally thought it was very cool My uncle s funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life Lord Jesus help us If only Erica from Mary Mary would have just given my father a solo at their church My beautiful great aunt had us join a procession at the funeral as if it was a wedding We sat in white chairs on the football field as if we were holding a presidential election He was just that special My uncle s only daughter s wedding colors were purple and white And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle My father felt like this was his time to shine He didn t have to

shine that much to make us go viral We were embarrassed We had just seen Kobe and his daughter buried the day before I was grateful for the tribute they gave to all nine lives that were lost Everyone was watching at the airport We were delayed due to the fog After watching the funeral no one complained about the fog again I flew all the way from St Louis I couldn't miss my uncle's funeral Who would have thought the world would shut down five weeks later I say God is trying to tell us all something With me being six months pregnant and bleeding for five of those six months I believed it would be a double funeral God said You both shall live yet the devil was trying to take me out I believe in my heart that this book will show you that no matter your skin color we are the same Even if your faith is paper thin this book is for you Religion shouldn't be anyone's cup of tea Even in the COVID pandemic Jesus has never left us nor forsaken us His blood is why we breathe Now that's love That should be our cup of tea Not religion Altered Perceptions Yvonne Stewart Williams,2010-02-09

Tatiana Whigham,2025-02-21 It s a known fact that most butterflies struggle getting their wings It seems as if the pain of leaving the cocoon is often times just too much to bear However without this experience the butterfly will never gain the strength to fly So even in the midst of all of the pain and strife the butterfly presses on anyway But what happens to the butterflies that don t leave the cocoon Do they just go back to being plain old caterpillars Or due to the absence of their wings do they become crippled for life If truth be told most people float through life just like this With the pain of the past just harboring too close to home many people stumble through life too afraid to step over their failures to cut ties with their pain or even to fly by their heartaches But no matter how hard they try to avoid confronting these issues they can never grow into the person that God has called them to be without it As I turned this truth into reality I begin to write this piece This book deals with the lives of two young ladies Taja and Nicki who come from very different backgrounds Just as butterflies struggle to leave the cocoon both of these young ladies are struggling to press their way through life They ve allowed their past situations to cripple them in their growth emotionally and in their walk with God spiritually Through an unusual twist of events both Taja and Nicki will learn that both redemption and love are possible for those who believe As the story unfolds they ll finally learn how it feels to spread their wings and fly The Love from Just One Michael Williams,2012-10-31
