*Locating Migrating Media* Greg Elmer, Charles H. Davis, Janine Marchessault, John McCullough, 2012-07-10 *Locating Migrating Media* details the extent to which media productions both televisual and cinematic have sought out new and cheaper shot locations creative staff and financing around the world The book contributes to debates about media globalization focusing on the local impact of new sites of media production The book's chapters also question the role that film and television industries and local and regional governments play in broader economic develop and tax incentive schemes While metaphors of transportation mobility fluidity and change continue to serve as key concepts and frames for understanding contemporary media industries products and processes the essays in this book look to local spaces neighborhoods cultural workers and stories to ground the global that is to interrogate the effect of media globalization before during and after film and television shooting and onsite production By locating migrating media these chapters seek to determine the political economic and cultural conditions that produce contemporary forms of televisual and cinematic storytelling and how these processes affect the inhabitants the look and the very geopolitical future of local communities neighborhoods cities and regions The focus on relocated screen production highlights the act of film and television making both aesthetically and economically To locate migrating media is therefore to determine the political and cultural economies of globalized sets and stages be they in new studios or on city streets or perhaps most importantly in our imaginations

*Artificial Culture* Tama Leaver, 2011-12-22 *Artificial Culture* is an examination of the articulation construction and representation of the artificial in contemporary popular cultural texts especially science fiction films and novels The book argues that today we live in an artificial culture due to the deep and inextricable relationship between people our bodies and technology at large While the artificial is often imagined as outside of the natural order and thus also beyond the realm of humanity paradoxically artificial concepts are simultaneously produced and constructed by human ideas and labor The artificial can thus act as a boundary point against which we as a culture can measure what it means to be human Science fiction feature films and novels and other related media frequently

and provocatively deploy ideas of the artificial in ways which the lines between people our bodies spaces and culture more broadly blur and at times dissolve Building on the rich foundational work on the figures of the cyborg and posthuman this book situates the artificial in similar terms but from a nevertheless distinctly different viewpoint After examining ideas of the artificial as deployed in film novels and other digital contexts this study concludes that we are now part of an artificial culture entailing a matrix which rather than separating minds and bodies or humanity and the digital reinforces the symbiotic connection between identities bodies and technologies *Issues in Cultural Tourism Studies* Melanie K. Smith,2015-10-14

The third edition of *Issues in Cultural Tourism Studies* provides a vital framework for analysing the complexity of cultural tourism and its increasing globalization in existing as well as emergent destinations of the world It focuses in particular on the need for even more creative tourism strategies to differentiate destinations from each other using a blend of localized cultural products and innovative global attractions The book explores many of the most pertinent issues in heritage arts festivals indigenous ethnic and experiential cultural tourism in urban and rural environments alike Since the second edition of this book there have been many important developments in this field and this third edition has been completely revised and updated to include New content on demand and motivation for cultural tourism sustainable cultural tourism and ethnic cultural tourism New and updated case studies from an even wider global perspective A revised up to date framework for global cultural tourism studies in the light of recent research publications and industry developments New pedagogical features within the text to aid understanding and critical thinking including questions at the end of case studies and a further reading section At the interface between the global and the local a sustainable and people centred approach to cultural tourism planning and development is advocated to ensure that benefits are maximized for local areas a sense of place and identity are retained and the tourist experience is enhanced to the full The text is unique in that it provides a summary and a synthesis of all of the major issues in global cultural tourism which are presented in an accessible way using a diverse range of international case studies It is essential and valuable reading for all tourism students **The Frodo Franchise** Kristin

Thompson,2007-08-27 In this study of Peter Jacksons film adaptation of J R R Tolkiens *The Lord of the Rings* trilogy Kristin Thompson demonstrates the impact the trilogy has had on the companies that made it on the fantasy genre on New Zealand and on independent cinema and looks at how the trilogy is regarded as one the most important films ever made

**Antipodean Antiquities** Marguerite Johnson,2019-03-21 Leading and emerging early career scholars in Classical Reception Studies come together in this volume to explore the under represented area of the Australasian Classical Tradition They interrogate the interactions between Mediterranean Antiquity and the antipodean worlds of New Zealand and Australia through the lenses of literature film theatre and fine art Of interest to scholars across the globe who research the influence of antiquity on modern literature film theatre and fine art this volume fills a decisive gap in the literature by bringing antipodean research into the spotlight Following a contextual introduction to the field the six parts of the volume explore the

latest research on subjects that range from the Lord of the Rings and Xena Warrior Princess franchises to important artists such as Sidney Nolan and local authors whose work offers opportunities for cross cultural and interdisciplinary analysis with well known Western authors and artists      Film-Induced Tourism Sue Beeton,2016-09-15 This research based monograph presents an introduction to the concept of film induced tourism building on the work of the seminal first edition Many new case studies exploring the relationship between film and TV and tourism have been added and existing cases have been updated The book incorporates studies on film studio theme parks the impact of film induced tourism on communities and the effect of film on tourists behaviour It introduces new content including film induced tourism in non Western cultures movie tours and contents tourism The book is an essential resource for postgraduate students and researchers in the fields of tourism film and media studies      *Film-induced Tourism* Sue Beeton,2005-01-01 Film induced tourism has the potential to revitalise flagging regional rural communities and increase tourism to urban centres however it carries with it unique problems This book explores the downside of the phenomenon      **Peter Jackson** Alfio Leotta,2015-12-17 The most comprehensive academic examination of Peter Jackson s work and career      New Zealand Medievalism Anna Czarnowus,Janet M. Wilson,2024-04-30 This volume maps the phenomenon of medievalism in Aotearoa initially as an import by the early white settler society and as a form of nation building that would reinforce Britishness and ancestral belonging This colonial narrative underpins the volume s focus on the imperial relationship in chapters on the academic study of the Middle Ages on medievalism in film and music in manuscript and book collections and colonial stained glass and architecture Through the alternative 21st century frameworks of a global Middle Ages and Aotearoa s bicultural nationalism the volume also introduces Maori understandings of the ancestral past that parallel the European epoch and at the opposite end of the spectrum the phenomenon of global right wing medievalism as evidenced in the Alt right extremism underpinning the Christchurch mosque attack of 2019 The 11 chapters trace the transcultural moves and networks that comprise the shift from the 20th century study of the Middle Ages as an historical period to manifestations of medievalism as the reception and interpretation of the medieval past in postmedieval times Collectively these are viewed as indications of the changing public perception about the meaning and practice of the European heritage from the colonial to contemporary era The volume will appeal to educationists scholars and students interested in the academic history of the Middle Ages in New Zealand enthusiasts of film music and performance of the medieval members of the public interested in Aotearoa s history and popular culture and all who enjoy the colourful reinventions of medievalism      Free Man: Around the world on a bicycle Danilo Perrotti Machado,2014-11-11 Three years three months three days This was the exact time that Danilo Perrotti Machado took to travel around the planet on a bicycle Seeking to get to know the world and himself Danilo left his hometown Belo Horizonte and went on a journey through 59 countries covering 50 000 kilometers across Planet Earth This exciting adventure is called Free Man His goal was to get to know the peoples and cultures of the world moved by his own physical

effort discovering at the same time the simple essence of being alive The trip starts in Brazil followed by Europe crossing the Middle East and a stretch of North Africa traversing Asia and its appealing cultural diversity then he goes to Oceania descending the Americas and finally with a lot of pedaling he arrives in the Amazon with a surprising jump in the river that takes him back to Brazil Free Man talks about what can happen when you realize that it is your own mind that dictates the circumstances you live in with many accurate remarks about your existence the way of life of rich and poor countries the awakening of a man with the sun moon and stars most often alone facing imminent death danger and difficulty in communicating with foreign languages A story that makes the reader find the pleasure of traveling very far on a bike in an adventure that ends and starts after each page taking him to travel within himself with an intertwining that only great narratives possesses It will certainly thrill anyone willing to embark on an immersive journey through Planet Earth and at the same time the human soul

The Top Books of the Year Lord Of The Rings Location Guidebook The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Lord Of The Rings Location Guidebook : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
