Lordship And The Urban Community Durham And Its Overlords 1250 154:

Lordship and the Urban Community Margaret Bonney, 2005-11-17 The book examines the subsequent developments in religious and military building work on the peninsula which accompanied the growth of a successful urban community in the eleventh and twelfth centuries

Urban Bodies Carole Rawcliffe, 2013 This first full length study of public health in pre Reformation England challenges a number of entrenched assumptions about the insanitary nature of urban life during the golden age of bacteria Adopting an interdisciplinary approach that draws on material remains as well as archives it examines the medical cultural and religious contexts in which ideas about the welfare of the communal body developed Far from demonstrating indifference ignorance or mute acceptance in the face of repeated onslaughts of epidemic disease the rulers and residents of English towns devised sophisticated and coherent strategies for the creation of a more salubrious environment among the plethora of initiatives whose origins often predated the Black Death can also be found measures for the improvement of the water supply for better food standards and for the care of the sick both rich and poor Provided by publisher

Medieval British Towns Heather Swanson, 1999-06-30 Medieval British Towns sets out to explain the reasons for the explosion of town foundation throughout the British Isles from the twelfth century onwards and charts the subsequent development of towns through to the early sixteenth century The raison d'etre of towns throughout the British Isles was as market places and centres of trade in an increasingly commercialised society The comparative approach adopted here illuminates the diverging experiences of towns in the four different countries of the British Isles but sets them within the overall context of a shared value system where social cohesion was provided by the church It offers a guide to students and general readers first venturing into the study of medieval urban history and provides comparative material for more experienced students of both history and the related disciplines of archaeology and historical geography

Daily Life in the Late Middle Ages R. H. Britnell, 1998 What was life like in the towns and villages of medieval England The full range of medieval life is covered from the town life of medieval York and London to the life of peasants in the Durham and Warwickshire countryside Drawing on newly discovered firsthand accounts the book tells of leisure pursuits religious practices fashions life at home and in the workshop or field with sections on women in late medieval households the peasant economy the role of money in rent payments and changing features of parish religion before the Reformation

Intelligence, Statecraft and International Power Eunan O'Hallpin, Robert Matthew Armstrong, Jane H. Ohlmeyer, 2006 Addresses questions arising from the development and use by rulers and states of military diplomatic economic and political intelligence from ancient times This book takes a view of intelligence as an element in state and international affairs

Historical Studies, 2006 Vol 1 includes papers before the 1st 2d conferences 1955 56 Northern English Books, Owners and Makers in the Late Middle Ages John Block Friedman, 1995-08 Using over 200 relatively unknown manuscripts from Northern England Friedman reveals an active northern book trade at York and Durham serving a range of gentry urban

bourgeoisie and ecclesiastical users He discusses ownership readership and the physical characteristics of the books
