Lore Of Trout Fishing:

The Lure and Lore of Trout Fishing Alvin R. Grove, Jr., 2017-09-15 Every trout fisherman will find *The Lure and Lore of Trout Fishing* a most valuable addition to his angling library. It is the first book on trout fishing which contributes here in America much that the works of Skues, Halford, Ronalds and Mosely have contributed to the famous fly fishing literature of England. For the first time the similarity of American and English insects and their imitations is brought out in significant detail. This book is filled with information which will be a constant source of enjoyable reading and re-reading. It is not a book to be discarded but rather one that the successful fly fisherman will refer to constantly each time finding something of new value and interest.
