honeymoon and travel planning tools and Internet price comparisons There are even handy time saver sites such as a nationwide marriage license finder site and sites that can print out a free map of your wedding reception in just seconds While the Internet can save wedding planners a vast amount of time energy and even money 14 Day Wedding Planner With Internet Guide features a unique theme planning system that makes planning easier even without using the Internet What really makes the book special says Altman is the approach that gives each chapter or planning stage a central theme So instead of organizing a number of disconnected items you can focus on related things For example we have a chapter for planning all the mood setting elements such as crafting the ceremony and choosing the music and invitations Working on all these things together gives you a better idea of the big picture of what you re trying to create That s a big benefit One chapter you put on your creative hat another chapter your shopping hat and so on Not only is this more fun but it makes sense and it helps you focus and accomplish your goals with greater purpose productivity creativity and vision There s no other wedding planner like it The authors used it to plan their own wedding a complete event for nearly 100 guests that included separate ceremony and reception sites with extensive floral arrangements and live music photography videography a three tiered cake a candle light ceremony and reception a stretch white limo and more Altman points out that his entire wedding was put together in no more than a total of 14 days unconsecutively Still he advises that planners think in terms of planning stages rather than days which can stretched over a period of months or even a year Either way you ll save on stress and time he says Did his own wedding go off without a hitch Well almost says Altman until the photographer got totally lost and nearly didn t make it to the ceremony [Return to Me](#) Yuwanda Black, PROLOGUE I lost it I lost the baby Zeke Brooke croaked No No No was all Zeke could say as he cradled Brooke s head against his shoulder They d been through so much and it finally seemed that everything was coming together Their wedding was less than three months away Both of their careers were booming And they were expecting their first child together Brooke s pregnancy had been a surprise a welcome one Nothing could touch them They were the golden couple again Brooke and Zeke as perfect in the circle of their love as it appeared from the outside Were you really ready for fatherhood Zeke Brooke asked How could you ask me that he said I wanted our baby more than anything It s just that you ve seemed so I don t know carefree since since it happened she finished Brooke couldn t bring herself to say the word miscarriage She just couldn t Don t do this Brooke Don t tear us apart I couldn t stand to lose you again Zeke said But would he feel the same way if she couldn t give him the one thing he wanted a child After two miscarriages Brooke was afraid that she may never be able to give him his own child And after he d lost his first son to another man Brooke knew adoption wasn t high on Zeke s list of options for fatherhood Would she alone be enough for him Could he be happy in a childless marriage or would it rip them apart if not now then later I can t live in constant fear of losing him she whispered to herself I just can t Relevant Search Terms interracial romance multicultural romance african american romance steamy romance short story romance womens fiction chicklit kindle romance short fiction
