Judaic mysteries who strove to reinstate the tradition of the bridechamber sacrament in his time Shows that Jesus sought to
establish equity of masculine and feminine in both spiritual practice and social traditions particularly in the sacrament of
marriage Reinterprets Jesus key teachings in light of the ancient tradition of sacred consortship Reveals what happened to
the gnostic heart of Christianity that Jesus embodied Jesus was a high initiate and master adept of the ancient Judaic
mysteries who strove to free people from the dead hand of the ritualists He was trained in a dissident Jewish brotherhood
that arose in Egypt before he was born which sought to bring back the ancient Judaic mysteries outlawed by the Jerusalem
temple At the heart of this movement was a yogic based practice known in the apocrypha as the Gnosis of the Heart which
espoused the union of both sexes in a secret initiatic teaching As a fearless social reformer Jesus wanted to restore the
authority of the feminine principle including asserting the equality of man and woman in the social contract of marriage He
reinstated in his own life the tradition of sacred consortship a rite known to early Church fathers as the bridechamber
sacrament whereby the marriage of the masculine and feminine energies was effected This rite Victoria LePage suggests was
the primary focus of Jesus teachings the very heart of his exhortations to love thy neighbor and the source of his healing
power Mysteries of the Bridechamber explains how as a master adept of the Temple of Solomon Jesus derived these
teachings directly from ancient Judaic mystery traditions revealing both a life story for Jesus that differs markedly from the
version the Church has offered as well as a spiritual practice based on a mystical wisdom tradition of self initiation and
transformation **The Bible in Folklore Worldwide** Eric Ziolkowski,2023-12-31 The Bible in Folklore Worldwide a two

A Studied Impression of That Which Is R. Garner Brasseur, 2006-09. *The Mysteries of the Great Cross of Hendaye* Jay Weidner, Vincent Bridges, 2003-12-10. Decodes the message inscribed on the Great Cross of Hendaye in France. Uses the work of 20th century alchemist Fulcanelli to predict the date of the fatal season of the apocalypse. Shows how periodic galactic alignments may cause catastrophes on Earth. Examines how the secret of the center of the galaxy reveals the true location of the lost civilization of Atlantis. Reveals the alchemical secret of the imperishable Light Body of ancient Egypt deep within our DNA. The Mysteries of the Great Cross of Hendaye reveals one of Western occultism's deepest secrets. The alchemical transformation of base metal into gold is also the transformation of the current Iron Age into the Golden Age. Based on the work of the enigmatic 20th century alchemist Fulcanelli, authors Weidner and Bridges show how the greatest alchemical secret is that of time itself and that coded into an obscure monument in southwestern France, the cross in the town square of Hendaye is the imminent date of the apocalypse. The authors' explorations of this symbolism lead them from the cross of Hendaye to the western facade of the cathedral of Notre Dame in Paris, the Pyrenees, ancient Egypt, and the secret origins of Atlantis in Peru to reveal that we are indeed living in a fatal season and that this season is intimately connected to our solar system's alignment with the galactic center. The authors' in-depth examination of alchemy's connection with the coming end days also reveals that this astro-alchemical knowledge was part of the sacred science of the Egyptians and the Atlanteans whose coded messages are at last deciphered to guide humanity to its future destiny.

Nicholas Roerich John McCannon, 2022-11-15. Russian painter, explorer, and mystic. Nicholas Roerich (1874-1947) ranks as one of the twentieth century's great enigmas. Despite mystery and scandal, he left a deep if understudied cultural imprint on Russia, Europe, India, and America. As a painter and set designer, Roerich was a key figure in Russian art. He became a major player in Diaghilev's Ballets Russes and with Igor Stravinsky, he cocreated *The Rite of Spring*, a landmark work in the emergence of artistic modernity. His art, his adventures, and his peace activism earned the friendship and admiration of such diverse luminaries as Albert Einstein, Eleanor Roosevelt, H. G. Wells, Jawaharlal Nehru, Raisa Gorbacheva, and H. P. Lovecraft. But the artist also had a darker side. Stravinsky once said of Roerich that he ought to have been a mystic or a spy. He was certainly the former and close enough to the latter to blur any distinction. His travels to Asia, supposedly motivated by artistic interests and archaeological research, were in fact covert attempts to create a pan-Buddhist state encompassing Siberia, Mongolia, and Tibet. His activities in America touched Franklin Delano Roosevelt's cabinet with scandal and behind the scenes affected the course of three US presidential elections. In his lifetime, Roerich baffled foreign

affairs ministries and intelligence services in half a dozen countries He persuaded thousands that he was a humanitarian and divinely inspired thinker but convinced just as many that he was a fraud or a madman His story reads like an epic work of fiction and is all the more remarkable for being true John McCannon s engaging and scrupulously researched narrative moves beyond traditional perceptions of Roerich as a saint or a villain to show that he was in many ways both in equal measure

The Story of Jesus William H. Kautz,2012-04-10 THE STORY OF JESUS AN INTUITIVE ANTHOLOGY Many contemporary Christians suspect that there is more to Jesus and his enduring message than the little that has survived in historical writings and the legendary Christian tradition This book offers a narrative account of Jesus life from the perspective of twenty contemporary writers who have developed their natural intuitive abilities to an unusually high level They are therefore able to bring forth new and detailed information not ordinarily accessible by historical or literary means Some of them had demonstrated their unusual skill by probing deeply into the personal lives and minds of historical individuals other than Jesus while some had provided important and detailed technical information which was then verified scientifically They apply their intuitive skills here to uncover fresh information about the man Jesus his contemporaries and his extensive teachings which never found their way into the New Testament Gospels and related historical documents These new findings offer a much richer view of the man himself than that available from traditional Christian sources They also provide illuminating insights and a deep spiritual understanding of Jesus original and hidden teachings The Story of Jesus is essential reading for all inquirers and seekers into these hidden and previously lost portions of Christian spiritual history

Hidden Truth Kenneth R. Taylor,2022-09-07 Hidden Truth by Kenneth R Taylor _____

One Religion, One Faith in Christ's Crucifixion and the Prophecy of Mohammed Imad Barake,2014-10-31 This book explains my simple theory on monotheism and that God revealed only on religion to entire humanity and its first message of that one religion started with Noah and ended with Mohammed God revealed to each prophet one aspect of that religion as humans evolved and developed over thousands of years until we got into Jesus Christ as a special messenger that has power and authority more than normal and simple prophets I am also arguing as a Muslim writer that the understanding of Quran by Muslim that Jesus was not crucified is simply wrong and the proof that I am offering is in Quran the holy book of Muslims Then in the book I am arguing that the current teaching of Islam as has been widely used and broadcasted through Muslim libraries TV shows etc is all outdated and caused complete departure from the true teaching of Quran In the final part of the book I am demonstrating that there are great areas of common values and teaching between the Bible and Quran and the differences are so little that Muslim should be encouraged to engage with Christians as they both share one religion
