Major Problems In American Urban And Suburban History:

Major Problems in American Urban and Suburban History Howard P. Chudacoff, Peter C. Baldwin, 2005 This volume offers an examination of the nation's urban development and reflects the city's pivotal role in the unfolding of American history The Second Edition has been significantly revised to include more than 75% new content and a greater emphasis on suburbanization and historically marginalized groups Chapters included in this edition focus on the lower classes and class relations and conditions the evolution of technology race relations and redevelopment in the postwar era and significant changes in urbanization In order to address the current urban climate the final chapter focuses on violence and the search for security in a post September 11th America

African American Urban History since World War II Kenneth L. Kusmer, Joe W. Trotter, 2009-08-01 Historians have devoted surprisingly little attention to African American urban history of the postwar period especially compared with earlier decades Correcting this imbalance African American Urban History since World War II features an exciting mix of seasoned scholars and fresh new voices whose combined efforts provide the first comprehensive assessment of this important subject The first of this volume's five groundbreaking sections focuses on black migration and Latino immigration examining tensions and alliances that emerged between African Americans and other groups Exploring the challenges of residential segregation and deindustrialization later sections tackle such topics as the real estate industry's discriminatory practices the movement of middle class blacks to the suburbs and the influence of black urban activists on national employment and social welfare policies Another group of contributors examines these themes through the lens of gender chronicling deindustrialization's disproportionate impact on women and women's leading roles in movements for social change Concluding with a set of essays on black culture and consumption this volume fully realizes its goal of linking local transformations with the national and global processes that affect urban class and race relations

Major Problems in American Women's History Mary Beth Norton, Ruth M. Alexander, 2007 Designed to encourage critical thinking about history the Major Problems series introduces students to both primary sources and analytical essays on important topics in U S history Major Problems in American Women's History is the leading reader for courses on the history of American women covering the subject's entire chronological span While attentive to the roles of women and the details of women's lives the authors are especially concerned with issues of historical interpretation and historiography The Fourth Edition features greater coverage of the experiences of women in the Midwest and the West immigrant women and more voices of women of color Key pedagogical elements of the Major Problems format have been retained 14 to 15 chapters per volume chapter introductions headnotes and suggested readings New In Chapter 1 an exclusive essay by Kate Haulman examines the evolution of the field of women's history and the state of women's history today New Chapter 2 now focuses on Native American women while a new Chapter 3 covers witches and their accusers in New England and the Salem witch trials New Chapter 6 draws on recent scholarship on the roles of ordinary and elite women in the numerous reform movements of

the Early Republic Revised Chapter 7 rethinks and refocuses the text's coverage of women's roles in slavery and the Civil War and more directly addresses the lives of African American women during and after slavery New Post 1960 coverage in Chapters 15-16 has been thoroughly revised to highlight the women's movement women's health recent immigration and economic changes affecting women

Inf fortunate Susan E. Klepp, Billy G. Smith, 2010-11-01 First published by Penn State Press in 1992 The Inf fortunate has become a staple for teachers and students of American history William Moraley's firsthand account of bound servitude provides a rare glimpse of life among the lower classes in England and the American colonies during the eighteenth century In the decade since its original publication Susan Klepp and Billy Smith have unearthed new information on Moraley's life both before his ill-fated venture as an indentured servant from England to the American Plantations and after his return to England This revised edition features this additional information while presenting the autobiography in a new way offering more explicit emphasis for students and teachers in college university and high school about how to read and interpret Moraley's autobiography

Major Problems in the History of American Families and Children Anya Jabour, 2005 Part of the Major Problems in American History series this text for courses in family history or history of childhood balances its discussion of marriage and gender relations with coverage on children and childhood Offering a thorough treatment of race ethnicity and class from colonial times to the present this edition grants sustained attention to Native Americans and Latinos Relating history to larger political events the text narrative balances coverage of public policy toward families with coverage of the experiences of family life
