Make The Bible Your Own:

Making the Bible Your Book Duncan S. Ferguson, 2016-11-28 Making the Bible Your Book provides an informative guide to the people places events and content of the books of Bible It asks the fundamental questions as one approaches the study of scripture who what where when and why It also provides initial guidance on how to interpret the Bible The author does not assume that the reader has a great deal of knowledge about the Bible and therefore the book is an excellent starting resource for basic knowledge It can assist the beginning Bible student as well as those who need to refresh their knowledge and understanding It is an ideal resource for individuals study groups seminarians and even pastors and priests who desire to address the problem of biblical illiteracy in their churches

Create Your Own Religion Daniele Bolelli, 2013-01-01 Create Your Own Religion is a call to arms an open invitation to question all the values beliefs and worldviews that humanity has so far held as sacred in order to find the answers we need to the very practical problems facing us Writer philosopher and professor of comparative religion Daniele Bolelli leads the reader through three thousand years of mythology misogyny misinformation and the flat out lies about revealed truth that continue to muddle our ability to live a peaceful life free of guilt and shame and the ultimate fear of death Our worldviews are in desperate need of some housecleaning says Bolelli We enter the 21st century still carrying on our backs the prejudices and ways of thinking of countless past generations What worked for them may or may not still be of use so it is our job to make sure to save the tools that can help us and let go of the dead weight

Create a Desired Future by Working on Your Own Dream Idowu Kotila, 2022-08-01 The book Create a Better Future by Working on Your Personal Dream is to define dreams and elaborate on what the dreams are and what dreaming is not It is a wake up call book for many people who are suffering in the midst of plenty simply because they actually have dreams and talents that can shift them to a better stage of their lives but the fear of the unknown is preventing them from making any move or use their talents to their own advantage and to the benefit of their communities and the world at large The book is also written to let many people who are talented but haven't discovered their talents to discover their talents through examples and advice given in the body of this book and to remind readers that relying on their fathers wealth or their uncles or aunties abroad cannot help their dream Possible channels for fulfilling dreams are touched in the book for as many that are on the crossroads on their way to success to study and be encouraged to put into practice This book is to remind the readers that people are poor not because they don't have money in their bank accounts but because they lack dreams vision and purpose and by exhibiting fear of unknown in their mind Among the aim of this book is to remind the readers that borrowers are slaves to the lenders and to remind them that he who controls your time has control on your destiny and has a great influence on your life That is the case of employers to employees regardless of your position in your present jobs as employee Reasons why many university and college degree certificate holders are poor and serving as slaves to people in authority and the few rich who can take risks and work on their dreams even though they don't bag as much university degree is emphasized on in this book More also one of the major purposes of this book is to remind the brilliant students that school rewards people for their memory Life rewards people for their creativity and ability to solve problems Your degree or certificate is not the cure to poverty the cure to poverty is your ability to see and seize opportunities Possible advice to the common problems facing the university and college graduates that are struggling to make ends meet and those that are making it but want to shift to the next level of their greatness are included in chapters of this book The power of simple things is described in the chapter of this book by showing examples of simple thing that are easy for people to do to transform their lives but they keep failing to do at every point of their lives daily This is among the reasons why this book is

published The constant law of wealth creation is mentioned in this book Possible and simple ways of starting and establishing businesses with possible steps to take in transiting from your regular jobs to your own business without becoming jobless in between the transit is in this book The ways to see your future are in the book Reading this book will allow employees to know that by working for people they will make a living While working on their businesses will make them a fortune The daily habits of the few rich and what they are doing daily to stay on top of the ladder and keep making people serve them and their generations are in this book The ability to turn challenges into opportunities and to diffuse the fear of the unknown in the mind of those who don't have hope in their future by letting them know that they are unstoppable by showing them how will be read in this book The way you think has a great role to play concerning what you will become in life Your thought is what you become If you cannot change your thought you cannot change your life This book was written to encourage the readers on the need to think progressively and the positive effects of progressive thinking Inclusive in this book is the need for the reader to be well informed in whatever areas in business career or community they find themselves The sure path to failure is when a man is ignorant and yet rejects every opportunity to obtain relevant knowledge If you know your assignment you will know what your needs are Where you will get to in life is determined by your assignment Reading this book will open ways for readers on how to recognize individual assignments and how to work in fulfilling the assignment rather than wasting time in doing what they were not called to do Time is such a commodity that when spent can never be recovered This book encourages readers to rise to their various challenges and reminds the readers of the importance of time management Overall this book serves as the GPS to navigate through the basic challenges of life and as a daily life devotional and motivational tool that encourages people to face and overcome the daily life challenges Many of these reasons and more to be discovered as you read on the book are inclusive I strongly believe the confidence needed to believe in yourself and instinct to work on your personal dream will be developed as you read the book

A Faith of Your Own Ronald J. Allen, 2010-01-25 A faith should be a living thing What we believe necessarily evolves in response to insights into the Bible to questions or doubts we face to changes in life circumstances or to things that happen in the larger world Nevertheless Christians often find it helpful to identify what they can most fully believe at a given moment Such clarity empowers the present and leads us toward the future Such moments can also be mile markers by which we measure our faith journey In each chapter the first section lists the most common ways a certain topic is understood in the Bible The second section identifies important ways the church has interpreted that topic since the Bible's inception The third section introduces contemporary perspectives With that foundational knowledge readers can make a judgment as to which viewpoints seem more or less persuasive to them personally Finally each chapter ends with questions for reflection for individuals or small groups

Permission Granted--Take the Bible into Your Own Hands Jennifer Bird, 2015-04-07 Millions of people around the world look to the Bible as a source of encouragement and faith formation a reminder that God is love and is in control and a guide to living one

s life the way God desires But this treasured book has also been misused and manipulated by many placed on a pedestal of untouchability and protected from questioning and honest engagement In Permission Granted Jennifer Grace Bird encourages people of faith to explore the texts on their own freed from long held myths and misconceptions experience the Bible anew and appreciate this holy book for what it is not what we think it should be With the sensitivity of one who has discovered this freedom herself Bird invites readers to engage what the Bible really says about twelve key issues including sin sex and the role of women **Our Own Minds Can Deceive Us... People Do Too** Tanya Carpenter,2020-10-12 When the earth was dark God said Let there be light Man was created in His own image and to rule the earth But what happened It was blamed all on a woman that we shall live but die While we have life God said live life more abundantly on this earth Some people do not know how to or will never try due to straying away from the Father who created us He has all of our needs to live in peace joy and happiness Love one another as He loves us Each day that is given to us is a better chance at growing in wisdom knowledge and understanding Beware of the enemy who comes to steal kill and destroy But if you know God you know the enemy is already defeated So let s live our best lives receiving all that God has for us No need of living our lives with a smile upside down *How Do We Know the Bible Is True Volume 2* Ken Ham,Bodie Hodge,2013-01-04 Unless otherwise noted Scripture quotations are from the New King James Version of the Bible T p verso

Adopting the Beat of Appearance: An Psychological Symphony within **Make The Bible Your Own**

In a world consumed by monitors and the ceaseless chatter of fast connection, the melodic splendor and emotional symphony created by the written term frequently disappear into the back ground, eclipsed by the constant noise and disturbances that permeate our lives. But, nestled within the pages of **Make The Bible Your Own** a charming fictional prize overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this fascinating masterpiece conducts viewers on an emotional trip, well unraveling the concealed melodies and profound impact resonating within each cautiously crafted phrase. Within the depths with this touching examination, we shall investigate the book is central harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
