Coloniality of Animal Monstrous Othering in Children's Books, Films, and Toys Donna Varga, 2024-08-19 The Coloniality of Animal Monstrous Othering in Children's Books Films and Toys examines how the portrayal of animals as physically distorted behaviorally depraved and intellectually defective serves to justify their debasement violation and destruction in materials directed toward young consumers The author argues that this animal monstrous Othering arises from the Eurocentric belief in humans natural superiority over animals and the right to categorize animals in accordance with a scale of worthiness that parallels the subjugation of racialized persons The chapters examine a variety of canonical figures like the dissolute wolf of Red Riding Hood stories and the disfigured titular character of the Wonky Donkey picture book alongside non canonical animals including reprobate pigs degenerate sharks self centered flamingos and wicked piranhas To counter this animal debasement Varga juxtaposes these readings with an examination of materials that articulate harmonious animal human interrelationships without dependence on styles of anthropomorphism that diminish animality

Mel and Sue - The Biography Tina Campanella, 2014-10-12 With their silly puns down to earth style and obvious affection for each other Mel Giedroyc and Sue Perkins were a defining part of 1990s popular culture For two years their hit show Light Lunch was staple viewing for housewives and students up and down the country and with lucrative advertising deals and endless panel show invitations it seemed like the duo were destined for superstardom Comedy queens French and Saunders were even ready to hand over their crowns to the young stars who they saw as their natural successors But just a

few short years later Mel and Sue had gone their separate ways leaving their loyal fans in mourning over the loss of the light hearted double act While Sue s career progressed steadily over the years Mel s stalled and with two young kids and a large mortgage she and her husband were left on the verge of bankruptcy And although Sue was so popular she was hardly off our screens her personal life wasn t always so uncomplicated It would take ten years of hard work and setbacks before the revival of their old partnership would shoot them once more to the top and cement their place in the nation s heart In this the first biography of the cake loving stars award winning journalist and author Tina Campanella gives you a candid insight into Mel and Sue s bumpy journey from funny best friends to much loved presenters of the BAFTA nominated surprise hit show
