Make A Calendar Early Learning Workbook:

Make a Calendar Peter M. Spizzirri, 1997-03 *The First Book of Festivals* Anita Ganeri, Mary Saunders, 2005 This title from Anita Ganeri brings together between one and two festivals from each of the six main world faiths Christianity Islam Judaism Sikhism Buddhism and Hinduism explaining their origins and how they are celebrated today Highly illustrated with color photographs the book includes photocopiable activities and further activity suggestions at the back which have been compiled by a qualified nursery teacher An ideal introduction to different faiths their beliefs and their origins for young children

The Early Childhood Curriculum Suzanne L. Krogh, Pamela Morehouse, 2020-05-27 Now in a fully updated third edition *The Early Childhood Curriculum* demonstrates how to confidently teach using inquiry based methods that address the whole child while also meeting and exceeding academic standards Based on current research showing the powerful advantages of integrating the curriculum while providing inquiry opportunities this text explores how to make such an approach work for all children preschool through the primary grades Since each curricular subject has its own integrity there is a chapter for each discipline grounding the reader in the essentials of the subject in order to foster knowledgeable and effective integration Filled with real life vignettes and activities this third edition provides comprehensive information on the most recent trends in national curriculum standards and classroom technology alongside a new section exploring the outdoors as a welcome learning environment Offering a foundation in early childhood theory philosophy research and development this unique textbook helps future teachers as well as current educators understand the why of curriculum in early childhood and invests them with the skills they need to move from simply following a script to knowledgeably creating curricula on their own

Make Your Own Calendar Coloring Book Anna Pomaska, 1981-01-01 Teach your child a better understanding of numbers the days of the week months dates holidays and seasons with this unique make it yourself calendar that may be started on any date used for any year

Teaching Social Studies in the Early Childhood Classroom Jean Kirshner, Jenny Pettit, 2025-01-23 This textbook develops early childhood teachers capacity to effectively instruct democratic principles to our youngest citizens As our world experiences political polarization pandemics heightened racial tension and the evolving awareness of gender and LGBTQ issues this textbook addresses those topics as they show up in the early childhood classroom offering research informed practical guidance for pre and in service teachers The book is organized around 12 themes 10 of which are based on the National Council for Social Studies NCSS themes in addition to the anti racist anti bias curriculum and gender expansive principals from the National Association for the Education of Young Children NAEYC closely following social studies content standards from across the United States The themes covered are culture and cultural diversity history geography identity gender roles and gender identity institutions power and authority economics science and technology global citizenship and civic ideals and practice Throughout each chapter you will come to know 5 early childhood classrooms and including profiles of the teachers students communities These five spaces represent a

variety of early childhood teachers different age groups of students and diverse communities and show how the lesson learned in each chapter can be applied in classroom settings This book provides developmentally appropriate ways to teach relevant and current social studies content to our very youngest learners emphasizing the fact that these very children will grow to be the next stewards of our global community **Early Childhood Curriculum for All Learners** Ann M.

Selmi,Raymond J. Gallagher,Eugenia R. Mora-Flores,2014-08-12 Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills The authors link solid play based research to specific developmentally appropriate practices By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms
