Make It Im The Mother:

Just As I Am E. Lynn Harris, 1995-02-15 E Lynn Harris's blend of rich romantic storytelling and controversial contemporary issues like race and bisexuality have found an enthusiastic and diverse audience across America. Readers celebrate the arrival in paperback of his second novel *Just As I Am* which picks up where *Invisible Life* left off introducing Harris's appealing and authentic characters to a new set of joys, conflicts and choices. Raymond, a young black lawyer from the South, struggles to come to terms with his sexuality and with the grim reality of AIDS. Nicole, an aspiring singer/actress, experiences frustration in both her career and in her attempts to find a genuine love relationship. Both characters share an eclectic group of friends who challenge them and the reader to look at themselves and the world around them through different eyes. By portraying Nicole's and Raymond's joys as well as their pain, Harris never ceases to remind us that life like love is about self-acceptance. In this vivid portrait of contemporary black life with all its pressures and the complications of bisexuality, AIDS and racism, Harris confirms a faith in the power of love, love of all kinds, to thrill and to heal, which will warm the hearts of readers everywhere.

The Broadview Anthology of Poetry - Second Edition Amanda Goldrick-Jones, Herbert Rosengarten, 2008-09-30 Among the poets new to this edition are such leading names as Americans Robert Pinsky, Louise Erdrich and Louise Glück, Britons James Fenton and Carol Ann Duffy and Canadians Anne Carson, Robert Brinkhurst and Christian Bok. A number of names who may be new to many readers of poetry are also included among them: Ohioan Debra Allberry, Vancouverite Elise Partridge and the Cree poet Connie Fife, as with the first edition the editors have endeavored to include much that is fresh as well as much that is familiar. There are many additions to the selections from poets who appeared in the first edition, including selections from the recent work of Leonard Cohen, Les Murray and Margaret Atwood. As before, the anthology includes work from English language poets throughout the world from India, Africa and the Caribbean as well as from Britain, North America and Australia. Although the selections from the work of poets of earlier eras are largely unchanged from the first edition, there have been some changes among poems added for this edition: Milton's *L'Allegro* and *Il Penseroso*, Bradstreet's *Employment*, Dickinson's *I cannot live without You*, Frost's *Once by the Pacific* and Auden's *Funeral Blues*. As before, the text emphasizes work of the past century; poems from 1900 or later take up more than half of the anthology's pages. In its first edition, *The Broadview Anthology of Poetry* included biographical information about the poets at the back of the anthology; for the new edition, biographical material appears in a headnote to each poet. Two other features are also new to this edition: the date of first publication is appended after each poem and line numbering is used throughout. The numbers have been kept unobtrusive, however, as with the first edition, the designers have endeavored to give a clean look to the pages of the anthology. A substantial section on prosody, figures of speech and so on is included as an appendix.
