Making It Together As A Two Career Couple:

Making it Together as a Two-career Couple Marjorie Hansen Shaevitz, Morton H. Shaevitz, 1980 **Monthly Labor Review**, 1980 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Men in Dual-career Families Lucia Albino Gilbert, 2014-04-04 First published in 1985 The dual career family is emerging as the modal family form in the United States Yet despite its prevalence traditional orientations and social institutions have not adapted to this pattern This volume reports the results of a pioneering investigation of men in dual career families and considers interventions at the societal and individual level that will ease the difficulties associated with the transition to this new family form

Dual Army Career Couples Martha L. Teplitzky, 1988 Family Therapy Techniques Jon Carlson, Len Sperry, Judith A. Lewis, 2013-01-11 Family Therapy Techniques briefly reviews the basic theories of marriage and family therapy It then goes into treatment models designed to facilitate the tailoring of therapy to specific populations and the integration of techniques from what often seems like disparate theories Based on the assumption that no single approach is the definitive approach for every situation the book leads students through multiple perspectives In teaching students to integrate and tailor techniques this book asks them to take functional methods and approaches from a variety of theoretical approaches without attempting to reiterate the theoretical issues and research covered in theories courses

The Two-career Couple Francine S. Hall, Douglas T. Hall, 1979 **A Guide for Dual-Career Couples** Eve Sprunt Ph.D., 2016-05-02 This book discusses the major challenges facing dual career couples a substantial proportion of modern society and suggests ways for both individuals to achieve career success by re evaluating traditional styles of working and focusing on productivity flexibility and negotiating win win solutions Women are becoming increasingly influential in the workforce the era of men being the primary or only income earner in a partnership is all but gone Today people tend to meet their spouse or domestic partner at school or at work High achievers tend to pair with other high achievers often in similar fields This leads to couples in which both individuals are strongly motivated to have successful careers What happens when they become parents or when one or both individuals need to consider relocating for their job Many mid career college educated people especially women as well as undergraduate and graduate students are concerned about developing a plan to mesh their career with a partner and are seeking guidance This book offers a gender neutral guide for 21st century couples that will benefit men as much as women The author provides career management guidance for people in dual career relationships in which both parties are ambitiously attempting to pursue equally important high powered careers presenting examples of alternative solutions and arguing that many women s issues including parenting and limited geographic mobility are more appropriately managed in a gender neutral way as dual career couple issues Readers will understand how to make better decisions regarding difficult situations such as whether to accept an opportunity that adversely impacts their personal lives choosing to take a leave of absence or to quit investing a large amount of one person s

salary for domestic assistance and childcare taking paternity leave and leveraging flexible work arrangements for example telecommuting **Couple Therapy with Gay Men** David E. Greenan, Gil Tunnell, 2003-01-01 Written in an accessible empathic style and filled with evocative case material this book belongs on the desks of family therapists clinical and counseling psychologists psychiatrists and clinical social workers Graduate level students and residents in these areas will find it a timely and informative text **BOOK JACKET US Black Engineer & IT**, 1986 **HBR Working Parents Series**

Collection (3 Books) (HBR Working Parents Series) Harvard Business Review, Daisy Dowling, Stewart D. Friedman, Whitney Johnson, Bruce Feiler, 2020-12-29 Tips stories and strategies for the job that never ends When it comes to being a working parent there are no right answers to the tough questions you grapple with from how to get your toddler out the door to supporting your teen through struggles with their peers to whether or not to accept that big promotion and the extensive travel and long hours that come with it But there are answers that are right for you and your family The HBR Working Parents Series Collection assembles the ideas and strategies you need to help you get ahead and get through the day Included in this set are Managing Your Career Getting It All Done and Taking Care of Yourself This compilation offers insights and practical advice from world class experts on the topics that matter most to working parents including making decisions at home and at work that align with your priorities navigating tradeoffs and managing the feelings that come with them developing strategies for managing both the details of your day and the long term view of your career finding time for personal development and making career choices that work for you and your family The HBR Working Parents Series with Daisy Dowling Series Editor supports readers as you anticipate challenges learn how to advocate for yourself more effectively juggle your impossible schedule and find fulfillment at home and at work Whether you re up with a newborn or planning the future with your teen you ll find the practical tips strategies and research you need to make working parenthood work for you

Real Life Marriage Dennis Guernsey, 2006-03 **The Happy Couple's Handbook** Andrew G. Marshall, 2019-04-30 If you re about to walk down the aisle you want every day to be as happy as your special day However while there is lots of advice on planning a wedding there s precious little to prepare you for the rest of your life together If you re lucky your mother will offer a few tips and your father will makes some jokes but otherwise you re on your own Perhaps it s some years since you promised to love and cherish each other and the pressures of everyday life have taken the shine off things Throw in the sort of crises that everyone faces at some point like financial problems losing a parent family rows and infidelity and it s easy for the love between the two of you to be seriously damaged So what are the secrets of happy couples that stay strong rather than grow apart In this groundbreaking book marital therapist Andrew G Marshall explains that it s not chemistry that keeps partners connected but skills It s likely that you didn t learn these skills as a child because your parents didn t know them or couldn t explain them Maybe they avoided conflict fought like cat or dog or split up when you were young so never showed you to fall out safely make up and resolve differences Fortunately it s never too late to learn how to communicate

better and repair your relationship even if you re on the verge of splitting up Marshall draws on thirty plus years working with over three thousand clients to give you his tried and test tool kit for a happy marriage It includes The rules for constructive arguments How to be a better listener Use carrots rather than sticks How to forgive and move on **Make It Happen** ,2009-01-01 A one stop shop for anyone wanting to improve their life at work Make It Happen is the ultimate guide to making the best of your talents and building the career you want We spend over 70 per cent of our week at work so being happy while we re there is a major priority With practical and easy to read advice on how to deal with over 60 common career challenges Make It Happen will help you to Go to work with confidence get the best from yourself Achieve your full potential get the best from your career Manage successful teams get the best from others Make It Happen also features an exclusive introduction by Dena Michelli bestselling author of Assertiveness in a Week unique interviews with people who ve survived the career mill and essential Web links **Two-Career Families (HBR Working Parents Series)** Harvard Business Review,Daisy Dowling,Jennifer Petriglieri,Amy Jen Su,Stewart D. Friedman,2022-03-08 Build your careers your family and your life together When you re part of a two career family you manage the competing demands of your careers child rearing and household chores along with your relationship with each other Can you both chase your dreams raise good citizens make time for your hobbies and your health and maintain a strong relationship Two Career Families provides the expert advice and practical solutions you need to address the challenges you face as working parent partners from negotiating responsibilities at home to making career decisions to supporting each other s growth You ll learn to Build and maintain a team mindset Tackle daily demands while tracking long term goals Make fair trade offs Deal with crises and setbacks Balance it all or most of it The HBR Working Parents Series provides support as you anticipate challenges learn how to advocate for yourself more effectively juggle your impossible schedule and find fulfillment at home and at work Whether you re up with a newborn or planning the future with your teen you ll find the practical tips strategies and research you need to make working parenthood work for you *I Love You but I'm Not in Love with You* Andrew G Marshall,2010-02-15 How do you fall back in love This was the underlying problem of one in four couples seeking help from relationship therapist Andrew G Marshall They described their problem as I love you but I m not in love with you Noticing how widespread the phenomenon had become he decided to look more closely Why were these relationships becoming defined more by companionship than by passion and why was companionship no longer enough From his research Andrew has devised his own unique programme By looking at how a couple communicate argue share love take responsibility give and learn he offers in seven steps a reassuring and empowering map for how two individuals can better understand themselves strengthen their bond and recover that lost magic **Gender, Migration and the Dual Career Household** Irene Hardill,2002-11 This book explores the gender issues associated with international migration in dual career households Adopting a feminist approach the author explores post industrial managerial and professional careers *Congressional Record* United States.

Congress, 1998 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789-1824, the Register of Debates in Congress 1824-1837, and the Congressional Globe 1833-1873. **Women's Conflicts About Eating and**

Sexuality Ellen Cole, Esther D Rothblum, Lillie Weiss, Rosalyn Meadow, 2014-06-03 Women's Conflicts About Eating and Sexuality explores the strong relationships food and sex have represented to women over the years. No other book has spelled out so clearly the parallels between sex and eating nor integrated the relationship of these to women's basic need to be loved. Today's dilemma for women: be fat or go hungry and the endless variations and unsatisfying solutions to this problem have contributed to the incidence of anorexia, bulimia, and obesity. The pursuit of slimness, the obsession with having the perfect body, excessive aerobicizing, and diet books and nausea are all part of this phenomenon. Authors in Women's Conflicts About Eating and Sexuality skillfully discuss the parallel between women's obsession with sex and romance in the fifties and their obsession with food today. An important book for all women, it sheds light on the complex issues facing women and devotes special attention to the career woman and the additional pressures to be slim and stay slim. The woman who reads this potentially life-changing book can examine, question, and change her behavior using the specific step-by-step program aid included in the book. This book is for every woman who has ever worried about being too fat or too sexual. Women's Conflicts About Eating and Sexuality will appeal to women of all ages; young women and their mothers will be fascinated by the parallels between sexual obsessions of thirty years ago and the eating obsessions of today. This healing book will particularly attract single career women for whom sex and relationships are fraught with complications. Counselors and therapists will find this book an excellent resource in their work with helping women. It is also a good auxiliary text for courses in Women's Studies focusing on psychology and history of women and the sociology of women and eating disorders. National Union Catalog, Includes entries for maps and atlases. **Couples That Work** Jennifer Petriglieri, 2019-10-08 Finding fulfillment in

both love and work isn't easy, but it's possible. The majority of couples today are dual career couples. As anyone who's part of such a relationship knows, this presents big challenges: trying to raise kids and achieve career goals while caring for and supporting your partner can seem impossible. Yet most advice for dual career couples fails, framing the challenges as a zero-sum game in which one partner's gain is the other's loss, and solutions feel like sacrifices or unsatisfactory trade-offs. This book is different. In *Couples That Work*, INSEAD professor Jennifer Petriglieri rejects conventional one-size-fits-all solutions and instead focuses on how dual career couples can tackle and resolve the challenges they face throughout their lives together. She identifies three key phases of exploration and personal growth in every couple's work-life journey, showing how partners must navigate these together to strengthen their bond. Each phase is crystallized with a question: How can we make this work? The first phase focuses on the logistics of combining two busy lives and often involves the demands of young

children What do we really want In the second phase couples learn to navigate their midlife crises in ways that allow each partner to continue to feel happy and fulfilled Who are we now With careers winding down and kids grown up this last phase offers new freedoms and uncertainties Based on a five year research project the book includes interviews with couples from over thirty countries from executives to entrepreneurs and from twentysomething newlyweds to dual career grandparents Filled with vivid real life stories keen insights and engaging exercises Couples That Work will help couples develop their own unique answers to that most pressing question How can we successfully combine love and work

Getting the books **Making It Together As A Two Career Couple** now is not type of challenging means.
