Roderic Ai Camp

Making Of A Government Political Leaders In Modern Mexico:

The Making of a Government Roderic A. Camp, 1984 The Metamorphosis of Leadership in a Democratic Mexico
Roderic A. Camp, 2010-11-11 The Metamorphosis of Leadership in a Democratic Mexico is a broad analysis of Mexico's changing leadership over the past eight decades stretching from its pre-democratic era 1935-1988 to its democratic transition 1988-2000 to its democratic period 2000 to the present. In it, Roderic Camp, one of the most distinguished scholars of Mexican politics, seeks to answer two questions: 1. how has Mexican political leadership evolved since the 1930s and in what ways beyond ideology has the shift from a semi-authoritarian one-party system to a democratic electoral system altered the country's leadership and 2. which aspects of Mexican leadership have been most affected by this shift in political models and when and why did the changes in leadership occur. Rather than viewing Mexico's current government as a true democracy, Camp sees it as undergoing a process of consolidation under which the competitive electoral process has resulted in a system of governing institutions supported by the majority of citizens and significant strides toward plurality. Accordingly, he looks at the relationship between the decentralization of political power and the changing characteristics, experiences, and paths to power of national leaders. The book, which represents four decades of Camp's work, is based upon a detailed study of 3000 politicians from the 1930s through the present, incorporating regional media accounts and Camp's own interviews with Mexican presidents, cabinet members, assistant secretaries, senators, governors, and party presidents. *Political Intelligence and the Creation of Modern Mexico, 1938-1954* Aaron W. Navarro, 2010 Analyzes the impact of the opposition candidacies in the Mexican presidential elections of 1940, 1946, and 1952 on the internal discipline and electoral dominance of the ruling Partido de la Revoluci3n Mexicana PRM and its successor, the Partido Revolucionario Institucional PRI. Provided by publisher.

A Companion to Mexican History and Culture William H. Beezley, 2011-03-16 A Companion to Mexican History and Culture features 40 essays contributed by international scholars that incorporate ethnic, gender, environmental, and cultural studies to reveal a richer portrait of the Mexican experience from the earliest peoples to the present. Features the latest scholarship on Mexican history and culture by an array of international scholars. Essays are separated into sections on the four major chronological eras. Discusses recent historical interpretations with critical historiographical sources and is enriched by cultural analysis, ethnic and gender studies, and visual evidence. The first volume to incorporate a discussion of popular music in political analysis. This book is the recipient of the 2013 Michael C. Meyer Special Recognition Award from the Rocky Mountain Conference on Latin American Studies. Mexico's Political Stability Roderic A. Camp, 2019-08-28 Mexico is undergoing its worst economic crisis since the world depression of the 1930s. In this volume, contributors analyze significant patterns that might affect political stability and legitimacy, economic viability, and social change over the next several years, often reaching controversial conclusions. They argue, for example, that the military is not likely to change its present civil-military role, that political opposition rather than political violence or pressure from foreign governments will

have the most profound influence on the changing pattern of political legitimacy and system stability and that decision making in the private sector may have the greatest potential to resolve or exacerbate the current crisis Finally they suggest that because economic conditions have been altered so dramatically in the recent period Mexican policymakers will need to develop a new range of political alternatives to stabilize the economy and redirect the country's future

Corruption & Politics in Contemporary Mexico Stephen D. Morris, 1991 This book addresses the causes effects and dynamics of political corruption in Mexico Systematic analysis of corruption is critical to a better understanding of the politics of Mexico and despite the many conceptual and methodological obstacles the importance of the subject matter demands treatment Morris's work should therefore be seen not as definitive but as an initial step in understanding a central dimension of Mexican politics Corruption as a topic of research invites certain misunderstandings as it is a broad concept conveying a variety of moral connotations This inquiry into political corruption is not intended to depict the Mexican people or society as any less or more moral than others The study draws on extensive content analysis of news reports from the Mexican press a public opinion poll conducted in 1986 and personal interviews The objective is not to expose scandals and wrongdoing by Mexican officials name names or point fingers it is an academic endeavor The author discusses scandals and gives examples of corruption for illustrative purposes but his analysis is more theoretical than anecdotal He questions whether in fact corruption has enhanced or diminished the stability of the Mexican government and examines the reasons for the failure of many anti corruption efforts

Bureaucracy and Politics in Mexico Eduardo Torres Espinosa, 2019-01-15 First published in 1999 the main theme of this book is the relationship between bureaucracy and politics in Mexico This examined though a study of the Secretariat of Programming and Budget which came into existence in 1976 and was abolished in 1992 The book charts the rise and fall of the Secretariat over three presidential terms and gives an explanation of the chain of events that led to its disappearance In doing so it underlines the significant impact that institutional and bureaucratic factors have on group politics in contemporary Mexico

Entrepreneurs and Politics in Twentieth-Century Mexico Roderic Ai Camp, 1989-06-01 Based on six years of research including interviews with leading Mexican entrepreneurial and political leaders and the assessment of hitherto unavailable materials this work focuses on the complex political relationship between the Mexican state and leading businessmen from the 1920s to the present Analyzing nearly 3000 biographies to compare Mexico's two leading competitors for political power the author uses a humanistic approach to test a number of assumptions about the relationship between the business community and the state and provides new insights into the existence of a power elite the exchange between economic and political leaders the self image of Mexican entrepreneurs the position of family controlled firms and the influence of capitalists on the decision making process Camp also provides detailed information on the ownership of Mexico's top 200 firms including names of stockholders board members and managers

Building the Fourth Estate Chappell Lawson, 2002-08-05 Building the Fourth Estate reveals the crucial part played by the Mexican media in the

country's remarkable recent political transformation Based on an in depth examination of Mexico's print and broadcast media over the last twenty five years Chappell Lawson traces the role of the media in that country's move toward democracy demonstrating the reciprocal relationship between changes in the press and changes in the political system In addition to illuminating the nature of political change in Mexico Lawson's findings have broad implications for understanding the role of the mass media in democratization around the world from back cover **Routledge Library Editions: Education**

Mini-Set G Higher & Adult Education 11 vol set Various, 2021-07-14 Mini set G Higher and Adult Education re issues 11 volumes originally published between 1974 and 1992 They discuss and analyze adult education from both theoretical and practical standpoints and look at the challenges facing adult education during the 1970s and 80s as well as examining the history of higher adult education in the UK The mini set includes one volume which although previously available with another publisher and out of print for some years is now available for the first time from Routledge

Making Of A Government Political Leaders In Modern Mexico Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has been much more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Making Of A Government Political Leaders In Modern Mexico**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
