feminist projects but also rebuff the few men who do undertake feminist projects On the other hand some women feminists have unequivocally welcomed men as allies in political business religious and academic contexts The essays in *Men Doing Feminism* reveal that there is justification for both views the skeptical and the enthusiastic because feminist men are as diverse as feminist women Many of the eighteen contributors to this book women men blacks whites gays straights transsexuals use personal narrative to show ways that men's lives can shape their approaches to doing feminism and to convey the opportunities and challenges involved in integrating feminism into a man's life Some authors argue that men's experiences prepare them to make contributions that are of crucial importance to feminist theory Others argue that men must radically reform or even abandon manhood and masculinity if they are to be feminists In *Men Doing Feminism* feminist theory is used to illuminate men's lives and men's lives serve as a basis for feminist theory Contributors Michael Awkward Susan Bordo Harry Brod Tom Digby Judith K Gardiner C Jacob Hale Sandra Harding Patrick Hopkins Joy James David Kahane Michael Kimmel Gary Lemons Larry May Brian Pronger Henry Rubin Richard Schmitt James P Sterba Laurence Mordekhai Thomas and Thomas E Wartenberg
