Making Of Moral Theology A Study Of The Roman Catholic Tradition

Paul J. Wadell

Making Of Moral Theology A Study Of The Roman Catholic Tradition:

The Making of Moral Theology John Mahoney, 1987 Distinguished Jesuit moral theologian John Mahoney examines the events personalities and conflicts that have contributed from New Testament times to the present to the Roman Catholic moral tradition and its contemporary crisis and interprets the fundamental changes taking place in the subject today Of central significance is the author's critical study of the claim to papal infallibility in matters of faith and morals

The Making of Moral Theology John Mahoney, 1989 **The Making of Moral Theology** John P. Mahoney, 1987 **The Origins of Anglican Moral Theology** Peter H. Sedgwick, 2018-11-05 In *The Origins of Anglican Moral Theology* Peter H Sedgwick shows how Anglican moral theology has a distinctive ethos drawing on Scripture Augustine the medieval theologians Abelard Aquinas and Scotus and the great theologians of the Reformation such as Luther and Calvin A series of studies of Tyndale Perkins Hooker Sanderson and Taylor shows the flourishing of this discipline from 1530 to 1670 Anglican moral theology has a coherence which enables it to engage in dialogue with other Christian theological traditions and to present a deeply pastoral but intellectually rigorous theological position This book is unique because the origins of Anglican moral theology have never been studied in depth before

The Oxford Handbook of Theological Ethics Gilbert Meilaender, William Werpehowski, 2007-08-09 Annotation What are the practical and theoretical issues that concern and shape theological ethics This handbook offers a guide to the discipline Written by an international group of 30 scholars the book is aimed at all students and academics who want to explore more fully essential topics in Christian ethics

Voting and Holiness Nicholas P. Cafardi, 2012 A collection of essays by noted Catholic scholars on how Catholics should participate in the political process

Law's Virtues Cathleen Kaveny, 2012-09-20 Can the law promote moral values even in pluralistic societies such as the United States Drawing upon important federal legislation such as the Americans with Disabilities Act legal scholar and moral theologian Cathleen Kaveny argues that it can In conversation with thinkers as diverse as Thomas Aquinas Pope John Paul II and Joseph Raz she argues that the law rightly promotes the values of autonomy and solidarity At the same time she cautions that wise lawmakers will not enact mandates that are too far out of step with the lived moral values of the actual community According to Kaveny the law is best understood as a moral teacher encouraging people to act virtuously rather than a police officer requiring them to do so In *Law's Virtues* Kaveny expertly applies this theoretical framework to the controversial moral legal issues of abortion genetics and euthanasia In addition she proposes a moral analysis of the act of voting in dialogue with the election guides issued by the US bishops Moving beyond the culture wars this bold and provocative volume proposes a vision of the relationship of law and morality that is realistic without being relativistic and optimistic without being utopian

From Ignatius to Francis Michael Walsh, 2022-10-09 2023 Catholic Media Association Honorable Mention History Pope Francis is the first member of the Society of Jesus the Catholic Church's largest religious order of men to be elected to the papacy in its nearly five hundred year existence even though the Society is known for the special vow of obedience to the

papacy taken by its leading members Yet despite that oath of loyalty Jesuits and popes have frequently been at loggerheads eventually leading to one pope imprisoning the Jesuit superior general and entirely abolishing the Society While recounting the more significant events in the history of the Jesuit order this book pays particular attention to the controversies that have surrounded it especially those concerning human freedom Religious Morality in John Henry Newman Gerard

Magill,2014-09-24 This book is a systematic study of religious morality in the works of John Henry Newman 1801 1890 The work considers Newman s widely discussed views on conscience and assent analyzing his understanding of moral law and its relation to the development of moral doctrine in Church tradition By integrating Newman s religious epistemology and theological method the author explores the hermeneutics of the imagination in moral decision making the imagination enables us to interpret complex reality in a practical manner to relate belief with action The analysis bridges philosophical and religious discourse discussing three related categories The first deals with Newman s commitment to truth and holiness whereby he connects the realm of doctrine with the realm of salvation The second category considers theoretical foundations of religious morality and the third category explores Newman s hermeneutics of the imagination to clarify his view of moral law moral conscience and Church tradition as practical foundations of religious morality The author explains how secular reason in moral discernment can elicit religious significance As a result Church tradition should develop doctrine and foster holiness by being receptive to emerging experiences and cultural change John Henry Newman was a highly controversial figure and his insightful writings continue to challenge and influence scholarship today This book is a significant contribution to that scholarship and the analysis and literature comprise a detailed research guide for graduates and scholars

Happiness and the Christian Moral Life Paul J. Wadell,2024-10-29 As one of the most widely adopted textbooks in the field Happiness and the Christian Moral Life introduces students to Christian ethics through the lens of happiness Drawing on classical and contemporary Christian sources Paul Wadell proposes that the heart of the moral life is not rules and obligations but our deep desire for happiness and fulfillment The fourth edition of this accessible and student friendly text has been revised and updated throughout It introduces Christian ethics with sensitivity towards readers who may not be Christian themselves After setting out the principal argument of the book in the opening chapter subsequent chapters explore the importance of narrative or story for Christian ethics a Christian understanding of the person and vocation the role of the virtues in our quest for happiness the centrality of justice in the moral life the place of friendship and community in a good and flourishing life a Christian theology of freedom how sin hinders one s growth in happiness the meaning and importance of conscience and a Christian understanding of love The fourth addition also includes new sections on several topics such as the Beatitudes forgiveness and reconciliation the social thought of Pope Francis the challenges of climate change and global warming recent thinking on gender and sexual ethics by theologian Bridget Burke Ravizza a politics of charity and racism and ongoing racial conflict This edition also features fresh global examples revised introductions to key

thinkers and figures expanded treatment of the theological virtues and a list of key terms at the end of every chapter

As recognized, adventure as capably as experience virtually lesson, amusement, as with ease as pact can be gotten by just checking out a ebook **Making Of Moral Theology A Study Of The Roman Catholic Tradition** in addition to it is not directly done, you could tolerate even more on this life, concerning the world.
