Jacobson, 2018-11-01 The Old Testament bears witness to an in your face holy God a God who gets down and dirty with creation and history a God who gets in people s face with love and law with power and purpose Yet Israel s in your face God is also holy too other too raw too intense to be handled without oven mitts Rolf Jacobson wrestles with this in your face God The Old Testament starts at the beginning where God digs in the dirt to create humanity and then gets in the dustlings faces when they sin God smiles on Abraham and Sarah electing their descendants as the chosen people but has to get in Pharaoh s face when he tries to enslave the people Mostly God gets in Israel s face with laws about what it looks like to be God s people and through the prophets who have to get in the faces of those who turn away from the Holy One Jacobson also explores the psalms poetry in which God often hides his face He closes by exploring how the Old Testament points us ahead to Jesus when God took on a human face and offered us the most intimate picture of God we ll ever get The Making of a Battle Royal Jeffrey Paul Straub, 2018-04-17 American Baptists emerged from the Civil War as a divided group Slavery landmarkism and other issues sundered Baptists into regional clusters who held more or less to the same larger doctrinal sentiments As the century progressed influences from Europe further altered the landscape A new way to view the Bible more human less divine began to shape Baptist thought Moreover Darwinian evolutionism altered the way religion was studied Religion like humanity itself was progressing Conservative Baptists proto fundamentalists objected to these alterations Baptist bodies had a new enemy theological liberalism The schools were at the center of the story in the earliest days as professors many of whom studied abroad returned to the United States with progressive ideas that were passed on to their students Soon these ideas were being presented at denominational gatherings or published in denomination papers and books Baptists agitated over the new views with some professors losing their jobs when they strayed too far from historic Baptists commitments By 1920 the Northern Baptists in particular broke out into an all out war over theology that came to be called The Fundamentalist Modernist controversy This is the fifty year history behind that controversy **Subject Catalog** Library of Congress, 1978 *Library of Congress Catalogs* Library of Congress, 1976 *Southern Baptist Theological Seminary, 1859-2009* Gregory Wills, 2009-07-27 With 16 3 million members and 44 000 churches the Southern Baptist Convention is the largest Baptist group in the world and the largest Protestant denomination in the United States Unlike the so called mainstream Protestant denominations Southern Baptists have remained stubbornly conservative refusing to adapt their beliefs and practices to modernity s individualist and populist values Instead they have held fast to traditional orthodoxy in such fundamental areas

as biblical inspiration creation conversion and miracles Gregory Wills argues that Southern Baptist Theological Seminary has played a fundamental role in the persistence of conservatism not entirely intentionally Tracing the history of the seminary from the beginning to the present Wills shows how its foundational commitment to preserving orthodoxy was implanted in denominational memory in ways that strengthened the denomination s conservatism and limited the seminary s ability to stray from it In a set of circumstances in which the seminary played a central part Southern Baptists populist values bolstered traditional orthodoxy rather than diminishing it In the end says Wills their populism privileged orthodoxy over individualism The story of Southern Seminary is fundamental to understanding Southern Baptist controversy and identity Wills s study sheds important new light on the denomination that has played and continues to play such a central role in our national history The Independent William Livingston,1913 *The Independent* ,1884 **Paul, the Apostle of Christ** Ferdinand Christian Baur,2023-04-27 F C Baur s monumental study Paul the Apostle of Jesus Christ 1845 is one of the greatest works of all time on the Apostle to the Gentiles Laying the basis for modern Pauline scholarship its three sections in turn thoroughly deconstruct the account of Paul found in Acts examine the authentic deuteron Pauline and Pastoral Epistles and draw the various strands of Paul s thought into a cohesive whole In the first two parts Baur s historical critical skills are at their finest while in the third the influence of Hegel and Schleiermacher can be seen as Baur presents a comprehensive synthesis of Pauline theology Since the original nineteenth century English translation of Baur s masterpiece is no longer adequate Hodgson and Brown s new edition will serve as the definitive resource for future scholarship They not only present a new translation of the German but also provide critical annotations and translations of all the scriptural passages originally quoted in Greek Baur on Paul becomes truly available in English for the first time **Paul, the Apostle of Jesus Christ** Ferdinand Christian Baur,2021-05-28 Baur s Paul the Apostle of Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul It lays the basis for modern Pauline scholarship The first part The Life and Activity of the Apostle Paul consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles While the author of Acts passed on historical traditions about Paul he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul The second part The Epistles of the Apostle Paul is divided into three main sections the authentic epistles of Paul Galatians 1 and 2 Corinthians Romans the deutero Pauline epistles Ephesians Colossians Philippians Thessalonians Philemon and the Pastoral Epistles 1 and 2 Timothy Titus In the first two parts Baur s historical critical skills are at their finest The third part The Apostle s Theological Framework draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident The earlier English translation is no longer adequate Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek Baur on Paul truly becomes available in English for the first time **Unitarian Review and**
