Making Of C S Forester's Horatio Hornblower:

The Making of C S Forester's Horatio Hornblower Tom McGregor, 1999-02-03 Horatio Hornblower young midshipman and gallant hero of C S Forester's epic novels arrives as a raw recruit in Nelson's navy but is destined to rise through the ranks. Amidst a wealth of bloody sea battles he proves himself courageous in danger and resilient in times of trouble. The Making of C S Forester's Horatio Hornblower is a fascinating account of how Forester's much-loved fictional hero was brought to the screen to create one of the most ambitious and lavish productions on TV. Filled with in-depth interviews with the stars and crew, The Making of C S Forester's Horatio Hornblower captures the excitement and complexities of filming in its two foreign locations, the Crimea and Portugal. It contains more than 100 full-color photographs and illustrations charting all stages of production and shows exactly how navy life in the Napoleonic era was re-created through authentic costumes, makeup, sets, naval design, and special effects. It also gives an exclusive insight into the building of the HMS Indefatigable, a 125-foot, 22-cannon replica of a 1750s vessel and the first British frigate to be handcrafted from wood in the last 140 years. Containing background historical information as well as on-set anecdotes and a behind-the-scenes look at key action sequences, The Making of C S Forester's Horatio Hornblower is essential reading for all of Forester's Hornblower fans.

C. S. Forester and the Hornblower Saga Sanford Sternlicht, 1999-11-01 Sternlicht includes little-known facts about Forester's background, his days in Hollywood as a screenwriter, and the genesis of the models for the major characters in the Saga, many of whom were friends and acquaintances of Forester's. Sternlicht discusses extensively the research and writing techniques Forester used in his depiction of naval warfare and specific campaigns and actions of the Napoleonic period with actual procedures, events, and outcomes. In addition, Sternlicht offers readings and historical background to Forester's two other great historical novels, *The African Queen* and *The General*. *Of Sex and Faerie: further essays on Genre Fiction* John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off, these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades, including work by Bill James, Walter Mosley, Lois McMaster Bujold, and Ursula K. Le Guin. There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space, while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world. There is an extensive bibliography of genre and critical work with eight illustrations. John Lennard is Director of Studies at Hughes Hall, Cambridge, and has also taught for the Universities of London, Notre Dame, and for the Open University, and was Professor of British American Literature at the University of the West Indies, Mona, 2004-09. *Of Modern Dragons* and other essays on genre fiction 2007 is also available from Lulu.
