Nashville Chronicles

Gayle Sherwood Magee

Nashville Chronicles:

The Nashville Chronicles Jan Stuart, 2003 The Nashville Chronicles is a fascinating journalistic tour de force of the movie that legendary film critic Pauline Kael called The funniest epic vision of America ever to reach the screen In writing this book Jan Stuart enjoyed the benefit of full cooperation from Altman who sat for many hours of interviews as well as most of the motley crew of cast and characters Illustrated throughout with behind the scenes photos *Robert Altman's Soundtracks* Gayle Sherwood Magee, 2014-10-01 American director Robert Altman 1925 2006 first came to national attention with the surprise blockbuster M A S H 1970 and he directed more than thirty feature films in the subsequent decades Critics and scholars have noted that music is central to Altman s films and in addition to his feature films Altman worked in theater opera and the emerging field of cable television His treatment of sound is a hallmark of his films alongside overlapping dialogue improvisation and large ensemble casts Several of his best known films integrate musical performances into the central plot including Nashville 1975 Popeye 1980 Short Cuts 1993 Kansas City 1996 The Company 2003 and A Prairie Home Companion 2006 his final film Even such non musicals as McCabe and Mrs Miller 1971 have been described as in fellow director and prot g Paul Thomas Anderson s evocative phrase as musicals without people singing Robert Altman s Soundtracks considers Altman s celebrated innovative uses of music and sound in several of his most acclaimed and lesser known works In so doing these case studies serve as a window not only into Altman s considerable and varied output but also the changing film industry over nearly four decades from the heyday of the New Hollywood in the late 1960s through the Indiewood boom of the 1990s and its bust in the early 2000s As its frame the book considers the continuing attractions of auteurism inside and outside of scholarly discourse by considering Altman s career in terms of the director s own self promotion as a visionary and artist the film industry s promotion of Altman the auteur the emphasis on Altman s individual style including his use of music by the director critics scholars and within the industry and the processes tensions and boundaries of collaboration Southerners on Film Andrew B. Leiter, 2011-08-31 The representation of Southerners on film has been a topic of enduring interest and debate among scholars of both film and Southern studies These 15 essays examine the problem of Southern identity in film since the civil rights era Fresh insights are provided on such familiar topics as the redneck image transitions to modernity and the prevalence of the Southern gothic Other essays reflect the reinvigorated and expanding field of new Southern studies and topics include the transnational South the intersection of ethnicity and environment and the cultural significance of Southern identity outside the South **Altman and After** Peter F. Parshall, 2012-06-21 In American cinema films with multiple plots can be traced back to Grand Hotel in 1932 but the form was used only sporadically in subsequent decades However filmmakers of the 1970s and 80s notably Robert Altman and Woody Allen repeatedly employed complex narratives to weave sprawling stories in their films Later filmmakers such as Quentin Tarantino Paul Thomas Anderson Wong Kar Wai Steven Soderbergh and Paul Haggis embraced multiple plotlines a

device that eventually achieved mainstream respectability in such Oscar winners as *Traffic* and *Crash*. In the past two decades more than 200 films utilizing some variation of this format have appeared worldwide. In *Altman and After: Multiple Narratives in Film*, Peter Parshall carefully examines films that feature various plotlines. Parshall asserts that although this form may lose some of the close psychological identification and forward drive of linear narratives, such films gain a corresponding strength by developing thematic relationships in the various story lines. In each of these chapters, Parshall examines a different example of the multi-plot form, such as network narrative and the multiple draft narrative, demonstrating that the structure of each is central to their artistry. He also argues that these devices open up a variety of creative vistas, a strength that appeals to directors and audiences alike. Films studied in this book include *Nashville*, *Pulp Fiction*, *Amores Perros*, *Code Unknown*, *The Edge of Heaven*, *Virgin Stripped Bare* by *Her*, *Bachelors*, *The Double Life of Veronique*, and *Run Lola Run*. A long overdue examination of this unique cinematic form, *Altman and After* will appeal to scholars, students, and fans eager to learn more about complex narrative films.

The Sound of Musicals, Steven Cohan, 2019-07-25. Despite having had its obituary written many times, the movie musical remains a flourishing twenty-first century form, and as this volume demonstrates, one that exists far beyond the confines of Broadway and Hollywood. *The Sound of Musicals* examines the film's stars, issues, and traditions of the genre from the 1930s to the present day. Featuring sixteen original essays by leading international scholars, this illuminating collection addresses the complex history and global variety of the movie musical and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world. The contributors address key issues for understanding the movie musical: questions of genre and generic traditions, questions of history bringing fresh perspectives to a consideration of Classical Hollywood musicals and the musical beyond Hollywood, looking at alternatives to the Hollywood model from the New Hollywood and American independent cinema to Bollywood and other national musical traditions. Individual chapters consider key musical stars such as Frank Sinatra, Julie Andrews, and Barbra Streisand; film makers including Robert Altman and Christophe Honor; and classic musicals such as *South Pacific* (1958) and *Hairspray* (1988). In his introduction to the volume, Steven Cohan addresses the significance and enduring appeal of this multi-faceted genre and considers its recent renaissance with movies such as the *High School Musical* franchise and the success of the television series *Glee*.

The Oxford Handbook of Country Music, Travis D. Stimeling, 2017. Approaches country music through an interdisciplinary lens. Features close analyses of gendered and racial disparities in country music. Examines politics of both the performance of country music and the scholarship surrounding it. Book jacket.

The Persistence of Hollywood, Thomas Elsaesser, 2012-05-22. While Hollywood's success, its persistence has remained constant for almost one hundred years, the study of its success has undergone significant expansion and transformation. Since the 1960s, Thomas Elsaesser's research has spearheaded the study of Hollywood, beginning with his classic essays on auteurism and cinephilia, focused around a director's themes and style, up to his analysis of the corporate authorship of contemporary

director James Cameron In between he has helped to transform film studies by incorporating questions of narrative genre desire ideology and more recently Hollywood s economic technological infrastructure and its place within global capitalism The Persistence of Hollywood brings together Elsaesser s key writings about Hollywood filmmaking It includes his detailed studies of individual directors including Minnelli Fuller Ray Hitchcock Lang Altman Kubrick Coppola and Cameron as well as essays charting the shifts from classic to corporate Hollywood by way of the New Hollywood and the resurgence of the blockbuster The book also presents a history of the different critical theoretical paradigms central to film studies in its analysis of Hollywood from auteurism and cinephilia to textual analysis Marxism psychoanalysis and post industrial analysis

Hollywood's Last Golden Age Jonathan Kirshner,2012-10-05 Between 1967 and 1976 a number of extraordinary factors converged to produce an uncommonly adventurous era in the history of American film The end of censorship the decline of the studio system economic changes in the industry and demographic shifts among audiences filmmakers and critics created an unprecedented opportunity for a new type of Hollywood movie one that Jonathan Kirshner identifies as the seventies film In Hollywood s Last Golden Age Kirshner shows the ways in which key films from this period including Chinatown Five Easy Pieces The Graduate and Nashville as well as underappreciated films such as The Friends of Eddie Coyle Kluge and Night Moves were important works of art in continuous dialogue with the political social personal and philosophical issues of their times These seventies films reflected the era s social and political upheavals the civil rights movement the domestic consequences of the Vietnam war the sexual revolution women s liberation the end of the long postwar economic boom the Shakespearean saga of the Nixon Administration and Watergate Hollywood films in this brief exceptional moment embraced a new aesthetic and a new approach to storytelling creating self consciously gritty character driven explorations of moral and narrative ambiguity Although the rise of the blockbuster in the second half of the 1970s largely ended Hollywood s embrace of more challenging films Kirshner argues that seventies filmmakers showed that it was possible to combine commercial entertainment with serious explorations of politics society and characters interior lives Billboard ,2004-10-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Selling Sound* Diane Pecknold,2007-11-07 Industry history of the country music business Ten Years in the Tub Nick Hornby,2016-04-12 How often do you begin reading a book that makes you immediately urgently desperately want to read more books Booklist Nick Hornby has managed to write just such a book in this hilarious insightful and infectious volume Ten Years in the Tub chronicles Hornby s journey through a decade s worth of books as related in his wildly popular Believer column Stuff I ve Been Reading Ten Years in the Tub is a one way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime but it s also a meditation on what Celine Dion can teach us about ourselves a warning about how John Updike can ruin our sex lives and a

recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days This decade long addiction for many makes standing in line at the bank a blessed interval for snorting another page the New York Times Book Review

Billboard ,2004-08-14 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Robert Altman and the Elaboration of Hollywood Storytelling Mark Minett,2021 Robert Altman and the Elaboration of Hollywood Storytelling reveals an Altman barely glimpsed in previous critical accounts of the filmmaker This re examination of his seminal work during the Hollywood Renaissance or New Hollywood period of the early 1970s including M A S H Brewster McCloud McCabe Mrs Miller Images The Long Goodbye Thieves Like Us California Split and Nashville sheds new light on both the films and the filmmaker reframing Altman as a complex pragmatic innovator whose work exceeds but is also grounded in the norms of classical Hollywood storytelling rather than someone who rejected those norms in favor of modernist art cinema Its findings and approach hold important implications for the study of cinematic authorship Largely avoiding thematic exegesis it employs an historical poetics approach robust functionalist frameworks archival research and formal and statistical analysis to demystify the essential features of the standard account of Altman s filmmaking history and profile lax narrative form heavy reliance on the zoom sound design replete with overlapping dialogue improvisational infidelity to the screenplay and a desire to subvert based in his time in the training grounds of industrial filmmaking and filmed television The book provides a clear example of how a filmmaker might work collaboratively and pragmatically within and across media institutions to elaborate upon their sanctioned practices and aims We misunderstand Altman s work and the creative work of Hollywood filmmakers in general when we insist on describing innovation as opposition to institutional norms and on describing those norms as simply assimilating innovation **The New Encyclopedia of Southern Culture** Allison Graham,Sharon Monteith,Charles Reagan Wilson,2011-09-12 This volume of The New Encyclopedia of Southern Culture examines how mass media have shaped popular perceptions of the South and how the South has shaped the history of mass media An introductory overview by Allison Graham and Sharon Monteith is followed by 40 thematic essays and 132 topical articles that examine major trends and seminal moments in film television radio press and Internet history Among topics explored are the southern media boom beginning with the Christian Broadcast Network and CNN popular movies television shows and periodicals that have shaped ideas about the region including Gone with the Wind The Beverly Hillbillies Roots and Southern Living and southern media celebrities such as Oprah Winfrey Truman Capote and Stephen Colbert The volume details the media s involvement in southern history from depictions of race in the movies to news coverage of the civil rights movement and Hurricane Katrina Taken together these entries reveal and comment on the ways in which mass media have influenced maintained and changed the idea of a culturally unique South Long Time Leaving

Roy Blount, Jr., 2009-01-16 I left the South in search of the Enlightenment I m pro choice in favor of gay marriage and against creationism and the war in Iraq But both my parents people are deep Southern from many generations and I spent a little over a third of my life including the presumably most formative years toilet training through college living in the South Mathematically that makes me just about exactly as Southern as the American people 34 percent of whom are Southern residents But it goes deeper than math my roots are Southern I sound Southern I love a lot of Southern stuff and when my Northern local paper announces a festival to celebrate the spirit of differently abled dogs I react as a Southerner I believe I care as much about dogs feelings as anybody It is hard for me to imagine that a dog with three legs minds being called a three legged dog A sly dry hilarious collection of essays his first in more than ten years from the writer who according to The New York Times Book Review is in serious contention for the title of America s most cherished humorist This time Blount focuses on his own dueling loyalties across the great American divide North vs South Scholarly raunchy biting and affable ol Roy takes on topics ranging from chicken fingers to yellow dog Democrats to Elvis s toes And he shares experiences chatting with Ray Charles rounding up rattlesnakes watching George and Tammy record meeting an Okefenokee alligator also named George or Georgette imagining Faulkner s tennis game and being swept up sort of in the filming of Nashville His yarns analyses and flights of fancy transcend all standard shades of Red Blue and in between Roy on language Remember when there was lots of agitated discussion of Ebonics pro and con I kept waiting for someone to say that if you acquire white English you can become Clarence Thomas whereas if you acquire black English you can become Quentin Tarantino Roy on eating The way folks were meant to eat is the way my family ate when I was growing up in Georgia We ate till we got tired Then we went Whoo and leaned back and wholeheartedly expressed how much we regretted that we couldn t summon up the strength right then to eat some more Roy on racism Anybody who claims not to have a racist bone in his or her body is at best preracist and has a longer way to go than the rest of us Blount s previous books have included reflections on a Southern president Jimmy Carter a novel about a Southern president Clementine Fox a biography of Robert E Lee a celebration of New Orleans a memoir of growing up in Georgia and the definitive anthology of Southern humor Long Time Leaving is the capper Maybe it won t end the Civil War at last but it does clarify or aptly complicate divisive delusions on both sides of the longstanding national rift It s a comic ode to American variety and also a droll assault on complacency North and South a glorious union of diverse pieces reshaped and expanded into an American classic from one of the most definitive and esteemed humorists of our time A Bibliography of Tennessee History, 1973-1996 W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work Tennessee History A Bibliography this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening

years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South

A Companion to Robert Altman Adrian Danks,2015-03-31 A Companion to Robert Altman presents myriad aspects of Altman s life career influence and historical context This book features 23 essays from a range of experts in the field providing extensive coverage of these aspects and dimensions of Altman s work The most expansive and wide ranging book yet published on Altman providing a comprehensive account of Altman s complete career Provides discussion and analysis of generally neglected aspects of Altman s career including the significance of his work in television and industrial film the importance of collaboration and the full range and import of his aesthetic innovations Includes essays by key scholars in Altman studies bringing together experts in the field emerging scholars and writers from a broad range of fields Multi disciplinary in design and draws on a range of approaches to Altman s work being the first substantial publication to make use of the recently launched Robert Altman Archive at the University of Michigan Offers specific insights into particular aspects of film style and their application industrial and aesthetic film and TV history and particular areas such as the theorisation of space place authorship and gender

Musicals in Film Thomas S. Hischak,2016-11-07 This wide ranging guide introduces or reintroduces readers to movie musicals past and present enabling them to experience the development of this uniquely American art form and discover films they ll love This comprehensive guide covers movie musicals from their introduction with the 1927 film *The Jazz Singer* through 2015 releases In all it describes 125 movies opening up the world of this popular form of entertainment to preteens teens and adults alike An introduction explains the advent of movie musicals then in keeping with the book s historical approach films are presented by decade and year with overviews of advances during particular periods In this way the reader not only learns about individual films but can see the big picture of how movie musicals developed and changed over time For each film covered the guide offers basic facts studio director songwriters actors etc as well as a brief plot synopsis Each entry also offers an explanation of why the movie is

noteworthy how popular it was or wasn't and the influence the film might have had on later musicals Sidebars offering brief biographies of important artists appear throughout the book **More Than a Method** Cynthia Baron, Diane Carson, Frank P. Tomasulo, 2004 Insightful focused case studies of screen performance from diverse directors with a range of contemporary styles and approaches *The Old Testament* Steven L. McKenzie, John Kaltner, 2007 A clear and comprehensive introduction to the content growth context and interpretation of the Old Testament
