Female Ex-Combatants, Empowerment, and Reintegration Michanne Steenbergen, 2022-02-24 *Female Ex-Combatants Empowerment and Reintegration* investigates the role of United Nations led Disarmament Demobilization and Reintegration DDR programs in undermining female ex combatants empowerment The participation of female combatants in conflict has increasingly been recognized in feminist literatures and in policies and programs concerned with reintegrating ex combatants and building peace This has illustrated that female ex combatants often experience empowerment through their role as combatant however this empowerment is often lost upon reintegration UN led DDR plays an important role in the broader peacebuilding process as it is one of the largest interventions and directly aims to reintegrate ex combatants into civilian life This book draws on extensive field research and interviews with female ex combatants and DDR officials in Liberia and Nepal to develop a nuanced and comprehensive picture of female ex combatants empowerment and how this is undermined by DDR Through reconceptualized frameworks of empowerment and an emancipatory peace the book explores the pivotal role that DDR programs play in undermining female ex combatants empowerment The author argues that this is detrimental to peacebuilding because DDR officials and documentation narrate female ex combatants in limited and

gendered ways which reproduces gendered inequalities and define how female ex combatants should behave This book will be of great interest to scholars and practitioners working on gender conflict peace security and development **Character**

Across the Seven Seas Kamlesh Chauhan, 2011-07-05 The novel tells us very poignantly the story of Sundari an educated intelligent sensitive lady who has imbibed Indian cultural values to the grass roots and struggles in vain to live them in her life The story begins with the growing up of a girl into a woman her craving for love that proves to be a mirage for her as the story moves on A saying goes that The drowning man catches at a straw It fully applies to Sundari for every firm catch of her turns out to be a straw and she consistently suffers The initial blow came when she was married off to the uncle of her lover who had a heart of pure gold The uncle on the other hand is all guilt through and through Life of Sundari starts going down the hill as all her hopes and dreams are belied despite her best efforts to make her married life a success and life turns into a mockery The tragedy becomes all the more painful when her lover Akash again makes an entry into her cursed life She is forced to ride two horses which she can hardly manage to function as an ideal housewife and an ardent lover The author introduces a few moments of transitory but suspenseful relief during which too the reader trembles and is afraid of the next blow that Sundari is bound to receive and he starts sharing the miserable life of Sundari with numerous disastrous compromises in the same way as Sanjay shares the pain of Dhritrashtra in the Mahabharata
