Nation And Society Readings In Post Confederation Canadian History:

Nation and Society Margaret Conrad, Alvin Finkel, 2004 Designed to accompany the two volume History of the Canadian Peoples and the one volume synthesis Canada A National History This book can also supplement any survey of Canadian history text or serve as a stand alone text Nation and Society Readings in Post Confederation Canadian History offers students a sample of some of the best recent scholarship on the history of Canada since Confederation The readings are grouped in a combination of time periods and themes that are commonly used in studies of the post Confederation period Inventing Canada 1867 1914 Economy and Society in the Industrial Age 1867 1918 Transitional Years Canada 1919 1945 Reinventing Canada 1945 1975 and Post Modern Canada Canada , Art of Sharing Mary Janigan, 2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The Art of Sharing tells the dramatic history of Canada's efforts to save itself The introduction of federal equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec's insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The Art of Sharing makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century *Readings in Canadian History: Post-Confederation* R. Douglas Francis, Donald B. Smith, 1994 **Canadian History: Beginnings to Confederation** Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover Readings in Canadian History: Post-Confederation Donald B. Smith, 2002 The Shaping of America: A Geographical Perspective on 500 Years of History D. W. Meinig, 1986-01-01 Volume one examines how an immense diversity of ethnic and religious groups ultimately created a set of distinct regional societies Volume two emphasizes the flux uncertainty and unpredictability of the expansion into continental America showing how a multitude of individuals confronted complex and problematic issues Nation Maker Richard J. Gwyn, 2012-08-21 1 NATIONAL BESTSELLER John A

Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians

America, History and Life, 2006 Article abstracts and citations of reviews and dissertations covering the United States and Canada

Nationalism and the State Nicola McEwen, 2006 Since the mid 1970s many developed states have reduced the size and scope of their welfare systems At the same time states have faced growing demands for self government from national minorities These twin processes have had a substantial impact upon the structure power and legitimacy of the state yet few have considered their inter relationship This book aims to fill this gap by conducting a focused comparison of nationalism and welfare development in Scotland and Quebec The recent emergence of Scottish and Quebecois nationalism took place against a backdrop of welfare retrenchment Did the post war welfare state contain these territorial identities and strengthen attachment to the state among Scots and Quebecers Did the retrenchment of state welfare lead to demands for greater self government Demands for Scottish self government led to the creation of the Scottish Parliament and the devolution of power over wide areas of social policy The book examines the complexities of welfare development in multi level states drawing upon the Quebec Canada experience to explore the relationship between nationalism and welfare
