Spalding, 2020-09-14 This book is in great demand by baseball enthusiasts Having been connected with every department of the game from player to magnate Mr Spalding has contributed a very important work to the game's history As the invincible pitcher of the Boston Club previous to the formation of the National League his book of so many pages is an interesting record of events dating from the beginning of the great American pastime It is not exactly a history of the game but deals largely with incidents during the author's career who was a player in the late 1860s and early 1870s and helped organize the National League in 1876 One chapter devoted to sundry topics gives an account of the sale of the immortal King Kelly the original 10 000 beauty by Chicago to the Boston Club in the late 1880s Other Chapters are devoted to the literature of the game quoting several instances of the baseball paragrapher's art and also specimens of the distinct poetry of the pastime of which Casey at the Bat is probably the most widely known The Cincinnati Red Stockings Mr Spalding gives credit as being the pioneer professional organization It was not however until 1871 that professional baseball playing as recognized today was instituted Mr Spalding shows how cricket could not do for Americans He says it is suitable for the British temperament but not for the Yankee hustling spirit He also tells how he worked into the game through a one handed catch when a small boy To lovers of baseball whose name is legion and whose number increases yearly this book comprises in itself a whole library of useful information **Peverelly's National Game** John K.
