God does it shall be forever Nothing can be added to it or taken from it Eccles 3 14 15 NKJV The Big ger Picture is a call for Christians everywhere to choose the Word of God as their only basis for Christian living Author Marshall M Wood warns the church not to be duped by so called new doctrines but to live the way the Bible instructs because God s Word never changes This clarion call to a dedicated Christian life will show you Why apostasy is running rampant in the church today How to recognize it using God s Word What you can do to renew your commitment to the Lord Wood reminds us that as Christians we must make a choice We cannot live in both worlds he states It is one or the other How will you choose *Critical Approaches to African Cinema Discourse* Nwachukwu Frank Ukadike, 2014-02-27 Critical Approaches to African Cinema Discourse utilizes an interdisciplinary approach to lay bare the diversity and essence of African cinema discourse It is an anthology of historical reflections critical essays and interviews by film critics historians theorists and filmmakers that signifies a dialogue and engagement apropos the ideology and cultural politics of film production in Africa The contributors are extremely concerned not only with the history of African cinema but with its future and its potential This book then is not limited to the expansion of the discourse on African cinema but tries to approach the definition of the critical canon within the exigencies and manifestations of art and African sociopolitical practices The authors view these practices as an investment in a cultural imperative stemming from the quest to delineate how critical methodologies are derived from and shape contemporary historical and cultural practices Hence the contributions are less about the usual constrictive method of analysis and more about illustrating manifestations of an interrogative critical methodology that is certainly an offspring of an indigenous African critical cum cinematic culture and paradigms **Brothers and Sisters** Henry
