Murfin, 2016-10-13 Excerpt from National Park Service Guide to the Historic Places of the American Revolution These are the times that try men s souls The summer soldier and the sunshine patriot will in this crisis shrink from the service of his country but he that stands it now deserves the love and thanks of man and woman Tyranny like hell is not easily conquered yet we have this consolation with us that the harder the conflict the more glorious the triumph What we obtain too cheap we esteem too lightly tis dearness only that gives everything its value Heaven knows how to put a proper price upon its goods and it would be strange indeed if so celestial an article as Freedom should not be highly rated About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **National Park Service Guide to the Historic Places of the American Revolution** James V.
