National Park Service The Story Behind The Scenery The Story Behind The:

America's National Parks Horace Marden Albright, Russell E. Dickenson, William Penn Mott, 2015 *National Park Service* Horace M. ALBRIGHT, 1987 **Reshaping Our National Parks and Their Guardians** Kathy Mengak, 2012 This biography of the seventh director of the National Park Service brings to life one of the most colorful powerful and politically astute people to hold this position George B Hartzog Jr served during an exciting and volatile era in American history Appointed in 1964 by Secretary of the Interior Stewart Udall he benefited from a rare combination of circumstances that favored his vision which was congenial with both President Lyndon Johnson s Great Society and Udall s robust environmentalism Hartzog led the largest expansion of the National Park System in history and developed social programs that gave the Service new complexion During his nine year tenure the system grew by seventy two units totaling 2 7 million acres including not just national parks but historical and archaeological monuments and sites recreation areas seashores riverways memorials and cultural units celebrating minority experiences in America In addition Hartzog sought to make national parks relevant and responsive to the nation s changing needs **Our National Park System** Dwight F.

Rettie, 1996-01-15 This is the first comprehensive look at America s national park system an insider s tour covering the system and the National Park Service the agency responsible for its care Dwight F Rettie former chief of the NPS policy development office is uniquely qualified to address the state the problems and the possibilities of the system which is comprised of millions of acres of land in more than 350 areas around the nation including historic sites battlefields and recreation areas Rettie agrees as many critics have claimed that the system is in disarray he proposes in detail stronger management operations clearer and more stringent measures of personnel performance and training of park rangers to help them become professionals knowledgeable about the scientific management and protection of resources For a concerned public as well as for policy makers and students of government this comprehensive analysis and outline may provide hope and a future for the invaluable legacy that is our national park system **Biographical Dictionary of American and Canadian Naturalists and Environmentalists** George A. Cevasco, Lorne Hammond, Richard Harmond, Keir B.

Sterling, 1997-12-09 Casting a wide net this volume provides personal and professional information on some 445 American and Canadian naturalists and environmentalists who lived from the late 15th century to the late 20th century It includes explorers who published works on the natural history of North America conservationists ecologists environmentalists wildlife management specialists park planners national park administrators zoologists botanists natural historians geographers geologists academics museum scientists and administrators military personnel travellers government officials political figures and writers and artists concerned with the environment Some of the subjects are well known The accomplishments of others are little known Each entry contains a succinct but careful evaluation of the subject s career and contributions Entries also include up to date bibliographies and information concerning manuscript sources **The Infamous Alcatraz Prison**

in United States History Marilyn Tower Oliver,2014-12-15 An intriguing history of Alcatraz Island and its infamous prison located off the coast of San Francisco from the earliest years of Spanish exploration to the present day Highlighting the unique geographical features of the island it shows how Alcatraz went through many changes being used over the years as a military facility a notorious federal penitentiary widely believed to be escape proof as well as the site of American Indian uprisings Exploring Our National Parks and Sites Russell D. Butcher,1997-05-01 The essential guide to the land and history of the US national historical parks and sites It is the sequel to Exploring National Parks and Monuments Selected References Concerning the USDA Forest Service ,1995 Geology of National Parks Ann G. Harris,Esther Tuttle,Sherwood D. Tuttle,2004 CD ROM contains Introductory text maps and geologically labeled photographs of all the parks With Distance in His Eyes Scott Raymond Einberger,2018-04-16 One of America s most significant architects of conservation and the environment Stewart Udall comes to life in this environmental biography Perhaps no other public official or secretary of the interior has ever had as much success in environmental protection natural resource conservation and outdoor recreation opportunity creation as Udall A progressive Mormon born and raised in rural Arizona Udall served as the U S Secretary of the Interior under the presidential cabinets of John F Kennedy and Lyndon Baines Johnson from 1961 1969 During these eight years he established dozens of new national park units and national wildlife refuges wrote the Endangered Species Preservation Act lobbied for unpolluted water and offered ways to beautify urban spaces and bring the impoverished out of poverty Later in life he continued as an advocate for conservation and the environment specifically by proposing solutions to the challenges associated with global warming and the widespread use of oil What can we learn from this farsighted individual In a day and age of partisan politics poor congressional approval ratings and global warming and climate change this captivating biography offers a profound and historical record into Udall s life long devotion to environmental issues he cared about most deeply issues more relevant today than they were then Intimate moments include Udall s learning of the Kennedy assassination his push for civil rights for African Americans his meeting in the U S S R with Nikita Khrushchev the first Kennedy cabinet member to do so and his warnings about global warming 50 years prior to Al Gore s Nobel Prize winning film **Shenandoah** Sue Eisenfeld,2015-02 For fifteen years Sue Eisenfeld hiked in Shenandoah National Park in the Virginia Blue Ridge Mountains unaware of the tragic history behind the creation of the park In this travel narrative she tells the story of her on the ground discovery of the relics and memories a few thousand mountain residents left behind when the government used eminent domain to kick the people off their land to create the park With historic maps and notes from hikers who explored before her Eisenfeld and her husband hike backpack and bushwhack the hills and the hollows of this beloved but misbegotten place searching for stories Descendants recount memories of their ancestors grieving themselves to death and they continue to speak of their people s displacement from the land as an untold national tragedy Shenandoah A Story of Conservation and Betrayal is Eisenfeld s personal journey into the park s hidden past based on her off trail

explorations She describes the turmoil of residents removal as well as the human face of the government officials behind the formation of the park In this conflict between conservation for the benefit of a nation and private land ownership she explores her own complicated personal relationship with the park a relationship she would not have without the heartbreak of the thousands of people removed from their homes **The Life and Truth of George R. Stewart** Donald M.

Scott,2012-09-21 Best known for his 1949 post apocalyptic thriller *Earth Abides* George R Stewart 1895 1980 spent a lifetime wandering the American landscape and writing books about its geography and history An English professor at the University of California at Berkeley the exceptional scholar author penned some of the most remarkable literary works of the 20th century inventing several types of books along the way including the road geography book micro history place name history ecological history and the ecological novel By weaving human and natural sciences and history into his books Stewart created works with a multi disciplinary perspective on events and places that influenced numerous other writers artists and scientists including Stephen King Greg Bear and Page Stegner This volume considers George R Stewart s rich oeuvre while chronicling a life long quest to uncover the deepest truths about the man and his work **The Case of the Indian Trader**

Paul Berkowitz,2011-05-15 This is the story of Billy Gene Malone and the end of an era Malone lived almost his entire life on the Navajo Reservation working as an Indian trader the last real Indian trader to operate historic Hubbell Trading Post In 2004 the National Park Service NPS launched an investigation targeting Malone alleging a long list of crimes that were similar to Al Capone In 2005 federal agent Paul Berkowitz was assigned to take over the year and a half old case His investigation uncovered serious problems with the original allegations raising questions about the integrity of his supervisors and colleagues as well as high level NPS managers In an intriguing account of whistle blowing Berkowitz tells how he bypassed his chain of command and delivered his findings directly to the Office of the Inspector General Proceedings of the First Conference on Scientific Research in the National Parks, New Orleans, Louisiana, November 9-12, 1976 Robert M. Linn,1979 Hiking Sequoia and Kings Canyon National Parks, 2nd Laurel Scheidt,2011-06-14 Sequoia and Kings Canyon

National Parks situated in California s rugged Sierra Nevada boast some of the most spectacular landscapes on the continent towering groves of giant sequoia trees crystalline trout rivers jagged peaks and alpine meadows and Mount Whitney the highest mountain in the lower 48 Discover over 80 of the best hikes in the parks from easy day hikes to challenging backpacking trips accompanied by colorful photos and trail maps This book is a personal guide to the wonders of the California Sierra **Yellowstone and Grand Teton National Parks (N.P.), Winter Use Plans** ,2000 **Historic Sites**

and Landmarks That Shaped America Mitchell Newton-Matza,2016-09-06 Exploring the significance of places that built our cultural past this guide is a lens into historical sites spanning the entire history of the United States from Acoma Pueblo to Ground Zero Historic Sites and Landmarks That Shaped America From Acoma Pueblo to Ground Zero encompasses more than 200 sites from the earliest settlements to the present covering a wide variety of locations It includes concise yet detailed

entries on each landmark that explain its importance to the nation With entries arranged alphabetically according to the name of the site and the state in which it resides this work covers both obscure and famous landmarks to demonstrate how a nation can grow and change with the creation or discovery of important places The volume explores the ways different cultures viewed revered or even vilified these sites It also examines why people remember such places more than others Accessible to both novice and expert readers this well researched guide will appeal to anyone from high school students to general adult readers

Preparing for an Uncertain Climate ,1993 **A Pictorial History and Trekking Guide of the Wilderness Road** Daniel W. Weidner EdD DLitt,2022-10-04 This book is about the history of the Wilderness Road and a trekking guide with photos It presents the background of how Daniel Boone and a group of some thirty men blazed a trail by way of three states to connect Kingsport Tennessee to Middlesboro Kentucky and became an important roadway in modern day industrial United States Its beginning opened the east to the west for what was the early pioneering spirit of pioneers that settled those lands along with early tradesmen and stockmen Its importance became famous with the discovery of iron ore in its environs of Middleboro that is a story of unfounded lasting wealth that ended with disappointment for those of the area and Englishmen who invested heavily only to have the grade of iron ore become useless It played its role during the Civil War and its status today in a thriving city It stands as a monument to Daniel Boone and the thirty men who created it the undaunted pioneer men and women who faced and conquered natural and human hardships that made it a lasting monument to humanity as part of the history of the United States
