

National Trust Of British Castles

Adrian Pettifer

National Trust Of British Castles:

The National Trust Book of British Castles Paul Johnson, 1984 Traces each step of the development of Britain's rich and varied collection of castles Cover **Britain's Medieval Castles** Lise E. Hull, 2005-12-30 The widespread construction of castles in Britain began as soon as Duke William of Normandy set foot on the shores of southern England in 1066 The castles that were constructed in the ensuing centuries and whose ruins still scatter the British countryside today provide us with an enduring record of the needs and ambitions of the times But the essence of the medieval castle a structure that is equal parts military residential and symbolic reveals itself not only through the grandeur of such architectural masterpieces as the Tower of London and the imposing nature of such royal residences as Windsor but also in the aging masonry carvings enduring battlements and more modest earthen ramparts that have survived alongside them Through a feature by feature account of the architectural elements and techniques used in constructing the medieval castle author Lise Hull allows the multiple functions of these multifarious forms to shine through and in so doing lends a new vitality to the thousand faces that the medieval world assumed to discourage its enemies inspire its friends and control its subjects This compelling investigation takes a unique look at each of the medieval castle's main roles as an offensive presentation and defensive fortification as a residential and administrative building and as a symbolic structure demonstrating the status of its owner Each chapter focuses on one specific role and uses concrete architectural features to demonstrate that aspect of the medieval castle in Britain A wealth of illustrations is also provided as is a glossary explaining the distinct parts of the castle and their functions This book should be of interest to students researching architecture the Middle Ages or military history as well as general readers interested in castles or considering a trip to Britain to observe some of these magnificent sites themselves The National Trust Historical Atlas of Britain National Trust (Great Britain), 1997 This illustrated history of the development of British society looks particularly at the properties of the National Trust and the National Trust for Scotland These include Avebury in Wiltshire Fountains Abbey in Yorkshire and Kellie Castle in Fife The text includes cameo pieces on life at Chedworth Roman Villa in Gloucestershire monasticism at Mount Grace Priory and the medieval diet while maps help convey historical and archaeological information with clarity British Sources of Information P. Jackson, 2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **British and Irish Paintings in Public Collections** Christopher Wright, Catherine May Gordon, 2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections

from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of de accessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting

Houses of the National Trust Lydia Greeves, 2021-04-29 This captivating book fully revised and updated and featuring more NT houses than ever before is a guide to some of the greatest architectural treasures of Britain encompassing both interior and exterior design This new edition is fully revised and updated and includes entries for new properties including Acorn Bank Claife Viewing Station Cushendun Cwmdu Fen Cottage The Firs birthplace of Edward Elgar Hawker's Hut Lizard Wireless Station Totternhoe Knolls and Treliwick The houses covered include spectacular mansions such as Petworth House and Waddesdon Manor and more lowly dwellings such as the Birmingham Back to Backs and estate villages like Blaise Hamlet near Bristol In addition to houses the book also covers fascinating buildings as diverse as churches windmills dovecotes castles follies barns and even pubs The book also acts as an overview of the country's architectural history with every period covered from the medieval stronghold of Bodiam Castle to the clean lined Modernism of The Homewood Teeming with stories of the people who lived and worked in these buildings wealthy collectors Charles Wade at Snowhill captains of industry William Armstrong at Cragston prime ministers Winston Churchill at Chartwell and pop stars John Lennon at Mendips Written in evocative imaginative prose and illustrated with glorious images from the National Trust's photographic library this book is an essential guide to the built heritage of England Wales and Northern Ireland

Understanding the Castle Ruins of England and Wales Lise Hull, 2016-03-15 Medieval castles were not just showcases for the royal and powerful they were also the centerpieces of many people's daily lives A travel guide as well as a historical text this volume looks at castles not just as ruined buildings but as part of the cultural and scenic landscape The 88 photographs illustrate the different architectural concepts and castle features discussed in the text The book includes glossaries of terminology an appendix listing all the castles mentioned and their locations notes bibliography and index

Exploring English Castles Edd Morris, 2015-04-07 A guide to some of the most historical and picturesque castles in England for romantics and Anglophiles alike Castles have shaped England For almost one thousand years castles have been the settings of siege and battle dens of plotting and intrigue and refuges for troubled kings Today the romantic yet ruinous shapes of once grand fortresses stud the English countryside a reminder of turbulent times past Exploring English Castles provides readers with a breathtaking tour through the grandest castles of England It brings ruins to life through true stories of royalty chivalry deception and intrigue played out within formerly majestic walls Uncover the secret of Bodiam Castle Sussex a fortress seemingly from a fairy tale built for a knight returning from the

Hundred Years War Discover how Mary Tudor first queen of England took refuge in Framlingham Castle Suffolk overturning a wily plot to deny her the throne Unearth a delicate love story between Queen Elizabeth I and Robert Dudley which unfolds against the genteel backdrop of Kenilworth Castle Warwickshire Filled with evocative photographs awe inspiring historical tales and gentle humor Exploring English Castles will delight any armchair historian travel aficionado or fan of historical fiction

The National Trust Guide to Late Medieval and Renaissance Britain Colin Platt,1986

WAR IN HISTORY A comprehensive and concise guide to all medieval English castles of which something can still be seen today ranging from the massive keeps which still dominate the landscape to grassy earthworks and Border pele towers and spanning the centuries from the Norman Conquest to the accession of the Tudors English Castles contains over five hundred main entries in county order each giving a brief history and description of the castle A short introduction supplies the historical background to the explosion of castle building in the middle ages and there is a glossary covering all aspects of castles in some detail There are also full Ordnance Survey map references

Medieval Warfare Maurice Hugh Keen,2001

Slavery in the British Empire and its Legacy in the Modern World Stephen Cushion,2025-06-24 Reveals that the institution of slavery was anchored in the same exploitative capitalist system which remains in place today Slavery in the British Empire and its Legacy in the Modern World by Stephen Cushion situates the crime of enslavement within the business practices that place profit before people The institution of slavery entailed a unique combination of exploitation and expropriation anchored in patterns of conspicuous consumption by the wealthy and intertwined with the textile food agriculture construction transportation infrastructure and insurance industries It was floated by the same banking and commodity trading systems that still remain today The exploitation of enslaved labor stimulated capitalist expansion during and after the bloody reign of the British Empire at the cost of war inter imperialist rivalry Indigenous genocide and the murderous suppression of the rights of the enslaved And as Cushion argues many of the direst problems still facing the world from horrific economic inequality to rampant environmental decline have their origins in the institution of slavery Correcting these wrongs will cost money Perversely there is no shortage of funds in the coffers of the institutions which perpetrated them Neither Anglo governments nor businesses have properly addressed their role Ultimately Slavery in the British Empire and its Legacy in the Modern World goes beyond cataloguing past wrongs to engaging with the legacies of slavery spotlighting above all the defiant response of those it wronged as they call for reparations and more

Castles Matt White,2003 Provides an overview of the history of castles along with their origins construction uses defense and the daily life of their inhabitants with an emphasis on
