National Profile Of Community Colleges Trends Statistics:

National Profile of Community Colleges Kent A. Phillippe, Leila Gonzalez Sullivan, 2005 This book offers a national view of trends and statistics related to today's community colleges The new edition includes completely revised text as well as updates to charts and tables on topics such as enrollment student outcomes population curriculum faculty workforce and financial aid Informative narrative introduces and provides context for the data An excellent resource for presentations public information media relations and long range planning Chapter 1 Community Colleges Past and Present recounts the history of community colleges and summarizes some of the more pressing issues facing them today Chapter 2 Community College Enrollment provides detailed information and demographics concerning enrollment at community colleges and puts it in perspective with the rest of higher education Chapter 3 The Social and Economic Impact of Community Colleges describes the impact of community colleges on students and their communities through measures such as degree and certificate completion employment data and educational attainment within the general population Chapter 4 Community College Staff and Services offers a view of staffing at community colleges from the presidency and senior administration to faculty and support staff Chapter 5 College Education Costs and Financing focuses on the financial aspects of community colleges as they affect the institution and its students Chapter 6 A Look at the Future presages trends and issues that will define the community college of the future The book also contains a Preface Glossary References Index and About the Authors Contains 39 figures and 77 tables National Profile of Community Colleges, Trends & Statistics ,1998

National Profile of Community Colleges Madeline Patton, 2000 The National Profile of Community Colleges comprises text and charts that provide an overview of American community colleges The report highlights major issues concerning community colleges and provides detailed representation of trends in enrollment funding and other areas Chapter 1 recounts the history of community colleges and summarizes important current issues Chapter 2 discusses student characteristics Chapter 3 describes student and community outcomes as measured by indicators such as degrees and certificates awarded employment data and cost benefit analysis Chapter 4 describes community college staffing and discusses changes due to large numbers of staff retirements and increases in adjunct faculty Chapter 5 discusses finances expenditures and revenues Chapter 6 discusses the future implications of technology for community colleges The statistics presented in this report are drawn from a variety of sources including AACC surveys scholars and the U S Department of Education Contains 63 tables 38 figures and 45 references AUTH RDG National Profile of Community Colleges Kent A. Phillippe, American Association of Community Colleges, 1997 Data Use in the Community College Christopher M. Mullin, Trudy H. Bers, Linda Serra Hagedorn, 2012-04-19 American community colleges represent a true success story With their multiple missions they have provided access and opportunity to millions of students But community colleges are held accountable for their services and must be able to show that they are indeed serving their variety of students appropriately This volume speaks of the

multiplicity of data required to tell the community college story The authors explore and detail how various sources workforce data market data state level data federal data and of course institutional data such as transcript files all have something to say about the life of a community college Much like an orchestral score where the different parts played by individual instruments become music under the hands of a conductor these data can be coordinated and assembled into a message that answers questions of student success and institutional effectiveness This is the 153rd volume of this Jossey Bass quarterly report series Always timely and comprehensive New Directions for Institutional Research provides planners and administrators in all types of academic institutions with guidelines in such areas as resource coordination information analysis program evaluation and institutional management

Examining the Impact of Community Colleges on the Global Workforce Jones, Stephanie J.,Smith, Dimitra Jackson,2015-08-04 In an effort to create a more educated workforce in the United States many community colleges are implementing new practices and strategies to assist under prepared students These efforts will ultimately support a stronger and more resilient global workforce Examining the Impact of Community Colleges on the Global Workforce provides relevant theoretical and conceptual frameworks best practices and emerging empirical research about new approaches being employed in community colleges to prepare students for their post collegiate careers Featuring recent initiatives in educational settings this publication is a critical reference source for higher education practitioners policymakers and graduate students in higher education administration programs interested in the innovative practices utilized by community colleges to educate underserved students

Global Development of Community Colleges, Technical Colleges, and Further Education Programs Paul A. Elsner,George R. Boggs,Judith T. Irwin,2008 Describes the similarities and differences between the community colleges and their equivalent in 23 countries around the world Provided by publisher

Technology Management Tod Treat,2011-07-07 Gain a greater understanding of technology management and what it means to the community college campus today Effective planning directing control and coordination of technological capabilities can shape and help accomplish your institution s strategic and operational objectives Editor Tod Treat assistant professor in the Department of Education Policy Organization and Leadership at the University of Illinois at Urbana Champaign and contributing authors explore community college technology management from a variety of vantage points They argue that technology management should be a strategy on par with physical human and fiscal management They demonstrate how technology can be used to reach students how it plays a critical role in institutional research how it impacts faculty and staff and how it continues to shape broad trends in teaching and learning This is the 154th volume of the Jossey Bass quarterly report series New Directions for Community Colleges Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission

Community College Faculty J. Levin,S. Kater,Richard L. Wagoner,2006-01-31 John S Levin Susan T Kater and

Richard L Wagoner collectively argue that as community colleges organize themselves to respond to economic needs and employer demands and as they rely more heavily upon workplace efficiencies such as part time labor they turn themselves into businesses or corporations and threaten their social and educational mission **Globalizing the Community College** J. Levin, 2001-04-05 Long regarded as a local institution the community college has become a globalized institution It has been affected by global forces and by the interpretations of organizational members to both global forces and to the responses of intermediaries Globalization as a process finds an outlet within the community college where economic cultural and technological behaviors are advanced along lines consistent with and supportive of globalization Furthermore government actions have directed community colleges to respond and adapt to a global economy In this book seven community colleges are examined to demonstrate organizational change in the 1990s precipitated by globalization

Resources in Education, 2000-10 Two-Year Colleges for Women and Minorities Barbara K. Townsend, 2002-12-24 Two year colleges are often the most financially geographically and academically accessible means of higher education for ethnic minorities and women This book examines five types of two year special focus schools **Understanding Community Colleges** John S. Levin, Susan T. Kater, 2018-03-21 Understanding Community Colleges provides a critical examination of contemporary issues and practices and policy of community colleges This contributed volume brings together highly respected scholars as well as new scholars for a comprehensive analysis of the community college landscape including management and governance finance student demographics and development teaching and learning policy faculty and workforce development At the end of each chapter the Questions for Discussion section helps to bridge the gap between research and practice Written for students enrolled in higher education and community college graduate programs as well as social sciences scholars this provocative new edition covers the latest developments in the field including trends in enrollment developmental education student services funding and shared governance **Handbook of Strategic Enrollment Management** Don Hossler, Bob Bontrager, 2014-09-19 Improve student enrollment outcomes and meet institutional goals through the effective management of student enrollments Published with the American Association for Collegiate Registrars and Admissions Officers AACRAO the Handbook of Strategic Enrollment Management is the comprehensive text on the policies strategies practices that shape postsecondary enrollments This volume combines relevant theories and research with applied chapters on the management of offices such as admissions financial aid and the registrar to provide a comprehensive guide to the complex world of Strategic Enrollment Management SEM SEM focuses on achieving enrollment goals and sustaining institutional revenue and serving the needs of students It provides insights into the ways SEM is practiced across four year institutions community colleges and professional schools More than just an enhanced approach to admissions and financial aid SEM examines the student's entire educational cycle From entry through graduation this volume helps SEM professionals and graduate students interested in enrollment management to anticipate

change and balancing the goals of revenue access diversity and prestige The Handbook of Strategic Enrollment Management Provides an overview of the thinking of leading practitioners that comprise SEM organizations including marketing recruitment and admissions tuition pricing financial aid the registrar's role academic advising and retention Includes up to date research on current issues in SEM including college choice financial aid student persistence and the effective use of technology Guides readers creating strategic enrollment organizations that fit the unique history culture and policy context of your campus Strategic enrollment management has become one of the most important administrative areas in postsecondary education and it is being adopted in countries around the globe The Handbook of Strategic Enrollment Management is for anyone in enrollment management admissions financial aid registration and records orientation marketing and institutional research who wish to enhance the health and vitality of his or her institution It is also an excellent text for graduate programs in higher education and student affairs

Information Literacy Instruction that Works Patrick Ragains, 2013-06-27 Information literacy and library instruction are at the heart of the academic library's mission But how do you bring that instruction to an increasingly diverse student body and an increasingly varied spectrum of majors In this updated expanded new second edition featuring more than 75% new content Ragains and 16 other library instructors share their best practices for reaching out to today's unique users Readers will find strategies and techniques for teaching college and university freshmen community college students students with disabilities and those in distance learning programs Alongside sample lesson plans presentations brochures worksheets handouts and evaluation forms Ragains and his contributors offer proven approaches to teaching students in the most popular programs of study including English Literature Art and Art History Film Studies History Psychology Science Agricultural Sciences and Natural Resources Hospitality Business Music Anthropology Engineering Coverage of additional special topics including legal information for non law students government information and patent searching make this a complete guide to information literacy instruction

The American Community College Carrie B. Kisker, Arthur M. Cohen, Florence B. Brawer, 2023-08-29 A comprehensive analysis of community colleges in the United States updated with the latest research The revised seventh edition of The American Community College is an essential resource for practitioners and graduate students in the field of higher education This book has been providing up to date information and statistics about community colleges for four decades and is a trusted and revered reference Covering community college students faculty curriculum assessment finance governance and more this book provides a thorough understanding of the role community colleges play in the American educational system For educators policymakers and philanthropists alike community colleges are important as the nexus of national efforts to prepare a highly skilled workforce and as the lynchpin of the K-20 education pipeline This book delivers the facts and context readers need to make informed decisions in the community college space Written by leading researchers in the field The American Community College has been thoroughly revised with a greater focus on equity Further

this edition includes access to online supplemental materials including end of chapter guiding questions and a guide for transitioning from the 6th to the 7th edition Additional updates include coverage of collaborations with community economic and workforce development organizations a greater focus on entrepreneurship and innovation recent efforts to improve student persistence and attainment through guided pathways and equity minded student supports and the growing emphasis on preparing a skilled workforce via noncredit training credit for prior learning micro credentials and community college baccalaureate programs Readers of The American Community College will Benefit from a comprehensive analysis of the most recent findings and up to date information on the American community college Find completely revised and updated information about recent changes in the community college landscape Obtain current information on student access and outcomes instruction student services and curricular functions Learn from updated tables and graphs that reflect the most current data and incorporate new examples of the services that colleges provide Since it was first published in 1982 The American Community College has become the primary resource that faculty administrators trustees and researchers look to for information on these quintessentially American institutions

Defending the Community College Equity Agenda Thomas Bailey, Vanessa Smith Morest, 2006-12-26 Winner of the 2007 Outstanding Publication Award given by the American Educational Research Association Division J Community colleges enroll almost half of all undergraduates in the United States These two year colleges manifest the American commitment to accessible and affordable higher education With about 1 200 institutions nationwide community colleges have made significant progress over the past decade in opening access and have become the critical entry point to higher education for many Americans who traditionally have been left out of educational and economic opportunity Yet economic political and social developments have increased the challenges community colleges face in pursuing an equity agenda Some of these include falling state budgets combined with growing enrollments a greater emphasis on outcome based accountability competition from for profit institutions and growing immigrant student populations These trials come at a time when community colleges confront crucial economic and workforce development pressures that may impact their mission How can community colleges continue to maintain their open door policies support underprepared students and struggle to help enrolled students complete degrees and certificates that prepare them for success in the workplace Building on case studies of colleges in six states New York Texas Florida California Washington and Illinois this volume offers a fresh examination of the issues currently facing American community colleges Drawing on their fieldwork supplemented by national data the authors analyze how these challenges impact the community college mission of educational opportunity especially for low income students students of color and other underserved groups and how colleges are responding to a drastically different environment They then propose a set of strategies to strengthen the role of community colleges in providing both access and opportunities for achievement for all students

Defending the Community College Equity Agenda Thomas W. Bailey, Vanessa Smith Morest, 2006-11-28 Publisher description

Nontraditional Students and Community Colleges J. Levin, 2007-09-03 Focusing on non traditional students in higher education institutions this new book from renowned scholar John Levin examines the extent to which community college students receive justice both within their institution and as an outcome of their education **International Exchange Locator**, 1998
