## **National Security And Democracy In Israel:**

*National Security and Democracy in Israel* Avner Yaniv, 1993 Contents      **Security and Defensive Democracy in Israel** Sharon Weinblum, 2015-01-30 This book scrutinises how political actors in the Israeli parliament the Knesset have articulated the security democracy nexus in their discourses Security crises expose political leaders to an uncomfortable dilemma guaranteeing the safety of citizens while at the same time preserving democratic principles basic rights and liberties In this respect Israel represents an archetypical case Defining itself as a democracy the state of Israel has been in quasi constant conflict with its neighbouring countries while facing terror attacks repeatedly This situation has resulted in the upholding of the state of emergency since the establishment of the state in 1948 and in the enactment of security measures that are often in conflict with democratic values The tension between security and democracy is not a new question it has been at the centre of political thought from Rousseau and Locke to Lasswell and Dahl and stood at the core of political debates after 9 11 and the 2005 terror attacks in London Many studies have questioned how political actors manage this tension or how they could properly balance security and democracy Yet in spite of the abundant literature on the issue the manner in which political actors conceptualise and frame this tension has been rarely explored Even less has been said on the effects of this conceptualisation on the democratic regime Drawing on discourse theory and on an innovative narrative analysis the book examines 40 debates held in the Knesset on security oriented laws enacted in two different contexts the period of relative calm preceding the first Palestinian intifada 1987 and the period following the eruption of the second intifada 2000 More specifically three types of laws and discussions are examined laws establishing a relation between freedom of expression and security laws linking the category of the enemy to democracy and finally those connecting the right to family unification and residence of Palestinians with terrorism Through a comparative analysis of the political actors discourses in 1985 and between 2000 and 2011 the study demonstrates that two main narratives have constantly competed on the one hand a marginal narrative anchored in basic rights and on the other a defensive democracy narrative which has become dominant The latter has legitimised the restriction of freedom of expression freedom to participate in elections freedom of movement or the right to citizenship The book shows how the increasing dominance of the defensive democracy narrative has had a fundamental impact in reshaping the polity and the identity of Israel s democratic regime The analysis ultimately opens the possibility to rethink the conventional approach of the security democracy dilemma and to reflect on processes in other states such as the United Kingdom or the United States during different security crises This book will be of much interest to students of critical security studies Israeli politics democracy studies political theory and IR in general

*Israeli National Security* Charles D. Freilich, 2018-03-08 National security has been at the forefront of the Israeli experience for seven decades with threats ranging from terrorism to vast rocket and missile arsenals and even existential nuclear dangers Yet despite its overwhelming preoccupation with foreign and defense affairs Israel does not have a formal

national security strategy In Israeli National Security Chuck Freilich presents an authoritative analysis of the military diplomatic demographic and societal challenges Israel faces today to propose a comprehensive and long term Israeli national security strategy The heart of the new strategy places greater emphasis on restraint defense and diplomacy as means of addressing the challenges Israel faces along with the military capacity to deter and if necessary defeat Israel s adversaries while also maintaining the resolve of its society By bringing Israel s most critical debates about the Palestinians demography Iran Hezbollah Hamas US relations and nuclear strategy into sharp focus the strategy Freilich proposes addresses the primary challenges Israel must address in order to chart its national course The most comprehensive study of Israel s national security to date this book presents the first public proposal for a comprehensive Israeli national security strategy and prescribes an actionable course forward **Democracy, Law, and National Security in Israel** Menaḥem

Hofnung,1996 This work deals with the different ways in which the law and national security considerations intersect with democracy in the state of Israel Particular factors covered include emergency arrangements civil and political rights secret agencies and the matter of the occupied territories *Israel: National Security and Securitization* Ori Wertman,Christian Kaunert,2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence since the United States is Israel s most significant ally it is essential for the Israeli leadership to gain the American government s support or its lack of resistance for almost any securitization acts The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons Through unparalleled access to Israel s political and security echelons *Israel National Security and Securitization* provides a unique overview of Israel s decision maker s political perception over the years Ehud Olmert Prime Minister of Israel 2006 2009 *Israel National Security and Securitization* provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process Amos Yadlin IDF Military Intelligence Directorate Chief 2006 2010 This book makes us understand securitization in a novel and enlightening way thus making a substantial contribution to our understanding of national security in general and Israeli security in particular Gabriel Ben Dor University of Haifa Wertman and Kaunert s book makes an important and unique contribution to the existing and developing literature on securitization Kobi Michael Institute for National Security Studies *Israel's National Security Law* Amichai Cohen,Stuart Cohen,2012-08-06 Terror attacks on western civilian targets have stimulated interest in the dilemmas faced by liberal societies when combating threats to

national security Combining the perspectives of political science and law this book addresses that discourse asking how democracies seek to harmonize the protection of individual liberties with the defence of state interests The book focuses on the experience of Israel a country whose commitment to democratic values has continuously been challenged by multiple threats to national survival It examines the legal legislative and institutional methods employed to resolve the dilemmas generated by that situation and thus provides a unique interpretation of Israeli national security behaviour Policy making and policy implementation in this sphere it shows have reflected not just external constraints but also shifts in the domestic balance of power between the executive the legislature and the judiciary The book concludes with an agenda of the measures that each branch of government needs to implement in order to repair the flaws that have developed in this system over time Based on a close reading of legislative and court readings the book proposes a new taxonomy for the analysis of national security legal frameworks both in Israel and elsewhere in the democratic world As such it will be of great interest to students and scholars of political science national security law Israeli history and civil military relations

**Israel's National Security Towards the 21st Century** Uri Bar-Joseph, 2014-09-19 This volume discusses three principal issues the Israeli army and the Revolution of Military Affairs RMA Israel's present and future answers to the threats of weapons of mass destruction WMD and the impact of societal political and technological changes on Israel's future war objectives

**National Security** Donald M. Snow, 2016-07-15 This text analyzes the history evolution and processes of national security policies It examines national security from two fundamental fault lines the end of the Cold War and the evolution of contemporary terrorism dating from the 9/11 terrorist attacks and tracing their path up to the Islamic State ISIS and beyond The book considers how the resulting era of globalization and geopolitics guides policy Placing these trends in conceptual and historical context and following them through military semi military and non military concerns National Security treats its subject as a nuanced and subtle phenomenon that encompasses everything from the global to the individual with the nation at its core New to the Sixth Edition Fully updated with expanded coverage of ISIS the new cool war with Russia cybersecurity challenges natural resource wars and development negotiations with Iran border threats and much more Includes a completely new chapter on lethal landscapes such as developing world international conflicts in Africa Asia and the Middle East the siren song of the Islamic State and the dilemmas of guns butter and boots on the ground Shifts the focus from globalization to a more widely ranging look at security from the individual level to the regional to the global

**RETHINKING ISRAELI JOURNALISM** Sagi Elbaz, 2015-07-14 What is the role of the media in society How has the Israeli media performed its role in a society in turmoil In this provocative book Sagi Elbaz posits that the media has remained faithful to Israel's core values and furthermore that its coverage over the years has supported those unchanging values One could expect to see a change in the media's coverage patterns of key socio political issues in light of contemporary events in Israel such as the change in the State's elites and the media revolution The expectation for change is based on the long held

assumption that mass media in a democratic society has a responsibility to express changes in the political system. Moreover, one would expect the coverage in the media to reflect those changes. However, *Rethinking Israeli Journalism* reveals wide gaps between the objective realities of issues that touch on core values and how these realities are presented in media discourse. According to Elbaz, the Israeli media's coverage of political, military, and economic issues has evolved over time, while its attitude towards national core issues remains largely unchanged. Elbaz develops a model asserting the existence of three power groups: political, military, and economic elites that use the media to garner public support to maintain the status quo and to justify their continued dominance. Among other things, these Israeli elites are responsible for shaping a core of ideological consensus whose main tenets are: a Jewish nationalism, b a security culture, c economic liberalism. Attitudes and policy regarding each of these core issues is produced, replicated, and disseminated to the public at large via the communications media, which is the apparatus of ideological consensus, subject to the control of the elites. The author's attempt to distinguish between core values and temporary values of the coverage should be appreciated. It is important to discuss Elbaz's instructive study questions of his book.

Prof. Arie Naor, Department Chair of Politics and Communication, Hadassah Academic College, Sagi Elbaz's book is based on multidisciplinary research that provides many innovative, convincing, and interesting insights.

Prof. Eli Avraham, the Department of Communication, University of Haifa, *Rethinking Israeli Journalism* is based on the author's Ph.D. dissertation that was awarded for the best dissertation in Political Science in 2013 by the Israeli Political Science Association.

*Handbook of Israel: Major Debates*, Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24. The *Handbook of Israel: Major Debates* serves as an academic compendium for people interested in major discussions and controversies over Israel. It provides innovative, updated, and informative knowledge on a range of acute debates. Among other topics, the handbook discusses post-Zionism, militarism, democracy, and religion, equality, colonialism, today's criticism of Israel, Israel-Diaspora relations, and peace programs. Outstanding scholars face each other with unadulterated, divergent analyses. These historical, political, and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia. About seventy contributions, grouped in thirteen thematic sections, present controversial and provocative approaches reflecting from different angles on the present-day challenges of the State of Israel.

Other Major Works by the Editors: Eliezer Ben-Rafael, *Is Israel One Religion? Nationalism and Ethnicity*, Confounded, Brill, 2005. *Ethnicity, Religion, and Class in Israel*, Cambridge University Press, paperback, 2007. Julius H. Schoeps, *Begegnungen: Menschen, die meinen Lebensweg kreuzten*, Suhrkamp, 2016. *Pioneers of Zionism*, Hess, Pinsker, R. Schoeps, **National Security And Public Opinion In Israel**, Asher

Arian,2019-04-10 National Security and Public Opinion in Israel undertakes to depict the patterns of public opinion in Israel regarding national security policy It analyzes some of the issues involved in the relationship between public opinion and the decisionmakers on national security issues      National Security and Foreign Policy Priorities in the Fiscal Year 2014  
International Affairs Budget United States. Congress. Senate. Committee on Foreign Relations,2014      *National Security, Democracy, and Good Governance in Postmilitary-Rule Nigeria, Volume Two* Dr. Dan Mou,2017-01-12 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the 71 percent of Nigerias population still living below the poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth this country will witness worse civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in the future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use There is this perception that Nigerians dont write and read This perception is deep seated even among intellectuals who see our authors as shallow researchers But Dr Dan Mou has debunked that myth and shown that Nigerians can write well researched and detailed books It is quite prophetic in its assessment of the Nigerian State Agbo Agbo deputy editor The Nation Dr Dan Mou has proven himself a world class scholar and an intellectual colossus His reputation as an internationally renowned public policy expert has continued to soar I congratulate him for these remarkable achievements Professor Justice Abdul Fatai Kuti first justice of Abuja High Court and former dean faculty of law University of Ado Ekiti Ekiti State of Nigeria Dr Mou is certainly one of the best scholars we have on the African continent As an educationist myself before I became a traditional ruler I agree totally with his analysis and conclusions I share the optimism Dr Mou has expressed that once the recommendations therein are adopted and meticulously implemented with proper monitoring and evaluation of such resultant policies and programmes Nigeria and indeed Africa would be able to solve most of these challenges HRH Alh Dr Sheban Audu Nizazo III Etsu Kwali Etsu Kwalis Palace Abuja Nigeria      **National Security, Democracy, & Good Governance in Post-Military Rule Nigeria, Volume One** Dr. Dan Mou,2016-12-30 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the seventy one percent 71% of Nigerias population still living below poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not

successfully addressed through good governance and inclusive growth this country will witness the worst civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use

Israel's National Security, the Arab Position, and Its Complicated Relations with the United States Ehud Eilam, 2022-02-28 This book analyzes major national security issues in the Middle East focusing on those regarding Israel which could have negative implications on the United States Currently Israel is concerned with Iran s nuclear program its regional ambitions and Hezbollah s arsenal Other major concerns facing Israel are the chemical weapons in Syria and the Golan Heights and Egypt s internal problems which might undermine its peace with Israel In the Gaza Strip the growing conflict between Israel and Hamas could lead to another war

**The Evolution of Israel's National Security Doctrine** Ratnadeep Chakraborty, 2024-08-17 The Transformation of Israel s National Security Doctrine From Ben Gurion to Netanyahu explores the evolution of Israel s security strategies from its founding to the present It traces the principles of David Ben Gurion and examines how different leaders adapted these ideas to meet changing regional threats With insights from security documents and expert perspectives the book highlights the interplay of military might strategic planning and political credibility making it an essential resource for those interested in Middle Eastern dynamics Featuring thorough examinations of key security documents and perspectives from specialists this publication reveals the lasting and adaptive approaches that characterize Israel s national security framework By illuminating the delicate interplay between military strength strategic foresight and political credibility this work offers a thorough understanding of the various elements influencing Israel s security doctrine It serves as a critical resource for academics decision makers and anyone keen on understanding the dynamics of the Middle East

National Security for a New Era Donald M. Snow, 2015-08-27 Analyzes the history evolution and processes of national security policies This text examines national security from two fundamental fault lines the end of the Cold War and the 9 11 terrorist attacks and considers how the resulting era of globalization and geopolitics guides policy Placing this trend in conceptual and historical context and following it through military semi military and non military concerns National Security for a New Era treats its subject as a nuanced and subtle phenomenon that encompasses everything from the nation to the individual

**Israel** Sammy Smooha, 1978-01-01

**Javnost**, 1999

**Soft Threats to National Security** Dana Barnett, Efraim Karsh, 2021-11-29 This book explores the Boycott Divestment and Sanctions BDS phenomenon its impact and implications for Israel and the Palestinian Israeli conflict as well as the inextricable linkage between its anti Israeli anti Zionist propaganda and antisemitism unraveled from yet unknown perspectives The edited volume offers groundbreaking research While Israeli

public diplomacy focused on security Palestinian diplomacy focused on a fabricated history The book analyzes the old Russian anti Zionist propaganda and its application by the BDS The public space of BDS activity projects a humane facade yet the covert part harbors antisemitic and violent supporters including terror groups and Iran Western universities turned into incubators of pro Palestinian groups that portray Israel as the source of evil The academic boycott of Israel worked to isolate and stigmatize Jewish scholars in America because of a presumed Jewish occupation of the American academy Western liberals wish to build bridges with the Muslim world unable to overcome differences on democracy secularism women's rights etc they focus on what they agree animosity towards Israel So has the UN the ICC Bedouin advocacy and Human Rights Watch The chapters in this book were originally published as a special issue of the journal Israel Affairs

## Decoding **National Security And Democracy In Israel**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**National Security And Democracy In Israel**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

### **National Security And Democracy In Israel Introduction**

National Security And Democracy In Israel Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. National Security And Democracy In Israel Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. National Security And Democracy In Israel : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for National Security And Democracy In Israel : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks National Security And Democracy In Israel Offers a diverse range of free eBooks across various genres. National Security And Democracy In Israel Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. National Security And Democracy In Israel Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific National Security And Democracy In Israel, especially related to National Security And Democracy In Israel, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to National Security And Democracy In Israel, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some National Security And Democracy In Israel books or magazines might include. Look for these in online stores or libraries. Remember that while National Security And Democracy In Israel, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow National Security And Democracy In Israel eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free

periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the National Security And Democracy In Israel full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of National Security And Democracy In Israel eBooks, including some popular titles.

### FAQs About National Security And Democracy In Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. National Security And Democracy In Israel is one of the best book in our library for free trial. We provide copy of National Security And Democracy In Israel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with National Security And Democracy In Israel. Where to download National Security And Democracy In Israel online for free? Are you looking for National Security And Democracy In Israel PDF? This is definitely going to save you time and cash in something you should think about.
