**Defence Policy of Nigeria: Capability and Context** Charles Quarker Dokubo, Celestine Oyom Bassey, 2011-01-20 This Reader provides a structurally coherent explanation and review of the magnified role conception and organizational task expansion for the Nigerian military establishment in foreign policy It argues essentially that one of the most problematic and intractable areas of public policy in Nigeria since the Civil War concerns the development of a professional defence establishment adequate to meet the challenges arising from the altered parameters of our security environment The correction of this condition is the primary motivation of the Armed Forces modernization and augmentation program that touches upon all elements of Nigeria's military power This Reader is at once a review and a critique of the major facets of this modernization and augmentation process of the Nigerian armed forces within the operative context of the changing dimension of threat perception and the strategic parameters that have guided Nigerian military planning since the Civil War in 1970 American National Security Michael J. Meese, Suzanne C. Nielsen, Rachel M. Sondheimer, 2018-09-03 This classic text provides a rich and nuanced discussion of American national security policymaking American National Security remains the ideal foundational text for courses in national security foreign policy and security studies Every chapter in this edition has been extensively revised and the book includes discussion of recent security policy changes in the Trump administration Highlights include An updated look at national security threats military operations and homeland security challenges An analysis of the evolving roles of the president Congress the intelligence community the military and other institutions involved in national security A revised consideration of the strengths limitations and employment of instruments of national power including diplomacy information economic tools and armed forces An exploration of the economic and national

security implications of globalization An enhanced examination of the proliferation of transnational threats including security challenges in space and in cyberspace A new assessment of how international political and economic trends may change US leadership of the post World War II international order A comprehensive update on changing dynamics in key states and regions including Russia China East Asia the Middle East South Asia Europe Sub Saharan Africa and Latin America An authoritative book that explains US national security policy actors and processes in a wide ranging yet understandable way American National Security addresses key issues including challenges to the free and open international order the reemergence of strategic competition among great powers terrorism economic and fiscal constraints and rapid advances in information and technology National Security Structures, Policy Formulation, and Strategy ,1980 Curriculum Handbook with General Information Concerning ... for the United States Air Force Academy United States Air Force Academy,1996 Proceedings of the National Security Conference, July 18-20, 1977, National Defense University ,1977
